Attachment – Proposed Rule 411A, Article II – 411A.5 Reporting Requirement
Rule 411A  
Position-Based Testing  

Article II: Examination Provisions  

Applicability: Article II, Rule 411A shall apply to examinations designated to this Position-Based Testing Program and shall apply to employees in MTA Service-Critical positions or classes.

Sec. 411A.4 Application of Position-Based Testing  

The term “Position-Based Testing” as used in this Rule shall apply to any examination for a classification that has been designated by the Human Resources Director to be included in the Position-Based Testing Program under Civil Service Rule 111A. Inclusion of classes in the Program may be based on: the number of positions in the subject class, functions of position(s), hiring needs of departments, and other relevant criteria as may be determined by the Human Resources Director.

Sec. 411A.5 Reporting Requirement  

The Director of Transportation shall provide semi-annual quarterly reports to the Civil Service Commission on any examinations administered under this Position-Based Testing Program during the first three years following the adoption of this Civil Service Rule 411A on April 21, 2014. At the conclusion of the three-year period, the Civil Service Commission shall consider whether to require such reports from the MTA on a semi-annual basis instead of quarterly, to be consistent with the Department of Human Resources’ reporting requirement under Civil Service Rule 111A and will determine the frequency of such reports by Commission action. The frequency of such reports will be noted on the Annual Calendar of Required Reports.

These reports shall include, but not be limited to the following information for each examination: the applicable certification rule and duration of the eligible list; the number of applicants, and how many were deemed qualified under the terms of the examination announcement; the number of candidates who participated in the examination, and how many were placed on the eligible list; and the number and types of protests submitted to the Director of Transportation, and their disposition (i.e., the response of, or any action taken by the Director of Transportation in response; and whether they were appealed to the Civil Service Commission). The Director of Transportation shall also include in its reports a list of the known Service-Critical positions or classifications for which the MTA intends to administer a Position-Based Test under this Civil Service Rule 411A.

Sec. 411A.6 Civil Service Commission Rules for Position-Based Testing
