Project Title: Addendum No. 2 to the City College of San Francisco 2004 Facilities Master Plan EIR

Project Applicant: San Francisco Community College District

Project Location (include county): Main Campus (Ocean Campus), CCSF, 50 Frida Kahlo Way, SF, CA 94112

Project Description:

Addendum No. 2 addresses a proposed change to the CCSF 2004 Facilities Master Plan EIR, which involves necessary additions and revisions to the designs, locations, and/or functions of the Arts Center (now known as the "Diego Rivera Theater Building" or "DRT"), the Child Development Center (now the "Child Care Center" or "CCC"), and the Advanced Technology Learning Center and Administration Building (together known as the "STEAM Building"). The revised DRT would be reduced in size from 170,000 GSF (4 stories + basement) to 75,000 GSF (3 stories + partial basement) and be located on the mid-eastern instead of the south-eastern portion of the Balboa Reservoir parking lot. Functions would include a 400-seat auditorium with associated support spaces. The revised replacement CCC, to be located along Judson Ave., would be slightly increased in size from 9,000 GSF (1 story) to 9,000 GSF (1 story), and would add 25 vehicle parking spaces, 2 ADA spaces, and 25 bike spaces. The revised STEAM Building would consist of one 150,000 GSF building (5 stories, up to 75 ft), instead of the two separate 3-story buildings (32,000-50,000 GSF and 80,000 GSF) previously proposed. The building would serve as an anchor for the Sciences, Technology, Engineering, Arts, and Math programs. The
