Project Title: Evans Center Renovations and Temporary Campus Project
Project Location - Specific: CCSF - Evans Center, 1400 Evans Avenue, San Francisco, CA 94124
Project Location - City: San Francisco
Project Location - County: San Francisco

Description of Nature, Purpose, and Beneficiaries of Project: This Evans Center Renovations and Temporary Campus Project ("Project") at City College of San Francisco’s ("CCSF") existing Evans Center campus involves renovations to the existing Evans Center building, and the installation of two (2) temporary structures at the existing parking lot on site to serve as temporary administrative offices and classrooms during the renovation of the Evans Center. Specifically, renovations include seismic upgrades, a new roof, and replacement of HVAC and mechanical units at the existing Evans Center building. Temporary structure work includes installation of two (2) Sprung structures (similar temporary structure), Mobile Modular Units and toilet accessories, and related site work and utilities. The temporary structures will have concrete foundations, and low voltage connections for power, data, fire, security, and related services, and will also include upgrades, extensions, relocation, and/or replacement of existing utilities and other utility work, as necessary, including electrical, mechanical, water, sewer, telecommunication, and/or other utilities; and other improvements appurtenant thereto. Site demolition, earthwork, minor grading, asphalt and site work will occur in preparation of the site for installation of the temporary structures. Site lighting, fencing, site furnishings, and landscaping are also included in the Project. The temporary structures will remain on site for a maximum of three years (approximately).
