To: County Clerk, City and County of San Francisco
City Hall Room 168
1 Dr. Carlton B. Goodlett Place
San Francisco, CA 94102

Pursuant to the California Environmental Quality Act (CEQA), the Guidelines of the Secretary for Resources, and San Francisco requirements, this Notice of Exemption is transmitted to you for filing. At the end of the posting period, please return this Notice to the Staff Contact with a notation of the period it was posted.

Attached fee: $69 filing fee

PROJECT DESCRIPTION:

The project study area is bound by Fell Street to the north; Market, Gough, and Otis streets to the south; Fillmore Street to the west; and Gough Street to the east. The project area centers on Page Street between Webster and Gough streets but also includes traffic modifications on the following street segments:

- Haight Street between (and at) Webster Street and Buchanan Street
- Webster Street between (and at) Page Street and Haight Street

The project would involve a pilot to study the effects of several traffic circulation changes to the study area. Construction associated with the project would primarily include re-striping travel lanes and the addition of signage. After pilot concludes, the streets must be returned to pre-pilot condition unless a new permanent project is proposed. If proposed, this permanent project must undergo CEQA analysis and receive additional approval from the SFMTA Board of Directors.

DETERMINATION:

The City and County of San Francisco decided to carry out or approve the project on November 19, 2019, when the SFMTA Board of Directors approved the Page Street Pilot Improvement Project. This approval marked the First Approval Action pursuant to Chapter 31 of the San Francisco Administrative Code. On December 19, 2019, a CEQA Appeal was filed. On February 4, 2020, the San Francisco Board of Supervisors rejected the appeal and upheld the Class 6 categorical exemption determination. A copy of the documents
