“More and more women are becoming the primary breadwinners for their families, and it’s important that we look at how we can help them succeed.”

– Hilda Solis, U.S. Secretary of Labor

Resources for Employers

Employers are a key element on the path to recovery, and hiring older workers can add to the bottom line. Older employees bring a wealth of skills and experience and are dedicated and loyal employees. Below are a few resources worth considering when hiring.

Experience Works

A national community based service organization that helps older adults get the training they need to find good jobs in their communities.

www.experienceworks.org

The National Council on Aging

A national service and advocacy agency that provides a united voice for older workers, helping employers to attract, retrain and value older employees.

415-955-8560

www.noca.org

National Older Worker Career Center

A national organization dedicated to expanding employment opportunities for older adults, while focusing employers on the value and promotion of an age-diverse workforce.
