

# HYPE CENTER

HELPING YOUNG PEOPLE ELEVATE

## WHAT IS HYPE?

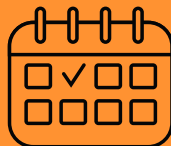

The HYPE Center (where HYPE stands for “Helping Young People Elevate”) by Freedom Forward is a multi-services youth center for young people ages 14-25 who have experienced the foster care or juvenile justice system, homelessness, and/or the sex trade. Designed by youth, the HYPE Center fosters young people’s self-determination by connecting them to the youth-identified services, providers, and resources they want, all centralized under one app and under one roof.

### WHO IS ELIGIBLE?

The HYPE Center is open to all youth ages 14-25.

The HYPE Center was designed to meet the needs of youth who have experienced or are at risk of commercial sexual exploitation.

### WHAT SERVICES ARE OFFERED?

Youth will be able to access the following services and resources:

- Individual therapy
- Peer advocacy
- Resource referrals
- Education support
- Employment referrals
- Health education
