THE FRIENDS OF THE COMMISSION ON THE STATUS OF WOMEN- a non-profit organization, supports the work of the San Francisco Commission on the Status of Women by raising awareness and funds to advance the equitable treatment of women, politically, economically and socially.

GUM MOON WOMEN'S RESIDENCE- provides transitional housing facilities for women in transition. In 1984, Gum Moon established a community outreach project known as the Asian Women's Resource Center (AWRC), which provides a wide range of services for low to moderate-income monolingual, and bilingual Asian immigrant women, men, youth, and children. The AWRC offers opportunities for cross-cultural experiences, self-improvement and leadership development which are open to all members of our community.

THE SAN FRANCISCO 49ERS RESPECT CAMPAIGN- The team's community outreach campaign this year is focused on volunteer efforts that demonstrate respect for the community. In observance of Domestic Violence Prevention month, 49ers players will be preparing and serving dinner to the residence of the Gum Moon transitional housing program.
