Re: San Francisco Department of Police Accountability 2017 First Quarter Statistical Report

I. INTRODUCTION

A. Statistics

Attached is the Department of Police Accountability's¹ (DPA) statistical report for the first quarter of 2017. The DPA received an adjusted total of 156 complaints of police misconduct or failure to take action and closed 161 complaints. The DPA sustained allegations in 24 complaints against San Francisco police officers, which is a 15% sustained rate. The DPA mediated four (4) cases during the first quarter.

II. ORGANIZATIONAL AND BUDGET MATTERS

A. Budget

On July 26, 2016, the Board of Supervisors adopted the budget for Fiscal Year (FY) 2016-17, which Mayor Edwin Lee signed on August 1, 2016. The DPA's approved budget for FY 2016-17 is \$7,770,373. Consistent with the Board of Supervisors Budget and Finance Committee's recommendation, the budget was enhanced by \$1,744,993. The enhancement included a \$276,158 increase in the professional services and equipment account, which allowed for the purchase of transcription services and a vehicle for fieldwork and on call Officer-Involved shooting response. The remaining increase allowed the DPA to hire four (4) additional 8124 Investigators and one (1) 8126 Senior Investigator.

¹ The Office of Citizen Complaints was renamed the Department of Police Accountability pursuant to a 2016 amendment to the City and County of San Francisco Charter.

B. Staffing

The DPA's approved budget for fiscal year 2016-17 is \$7,770,373 with 42.86 budgeted positions. Of the budgeted positions, eight (8) 8124 Investigator positions were vacant and two (2) Clerk Typist positions were vacant.

C. Technology

Information Systems (IS) Analyst Chris Wisniewski and newly hired IS Analyst Assistant Eric Ho received AirWatch mobile device management training and distributed iOS recording equipment to the investigative staff. Efforts were made to accommodate increased storage demands caused by the body-worn-camera footage. A plan was developed to upgrade, expand, and secure the fileserver. New desktop computer workstations were purchased for future upgrades.

D. Training

Emberly Cross of the Cooperative Restraining Order Clinic and DPA Attorney Samara Marion provided DPA Investigators and Senior Investigators training on restraining orders. SFPD Officer Brody Elton also provided training on transgender issues. DPA Attorneys Samara Marion and John Alden provided DPA staff two (2) training sessions on domestic violence. Lastly, four (4) DPA staff members attended the Advanced Officer/Continuing Professional Training at the San Francisco Police Academy.

III. INVESTIGATION OF CASES

A. Case Inventory

The DPA opened 162 new cases, with an adjusted total of 156 new cases.² The DPA closed 161 cases, leaving 417 cases pending at quarter end, 40 more than were pending at the close of the first quarter of 2016. Of the 417 pending cases, 136 were opened in 2017, 242 were opened in 2016, 32 were opened in 2015, four (4) were opened in 2014, two (2) were opened in 2013, and one (1) was opened in 2011.

B. Caseloads and Disposition of Cases

The average caseload per investigator was 24 cases compared with 25 cases during the first quarter of 2016.³ Of 161 total closed cases, DPA investigators closed 89 cases (55% of cases) within 270 days. The DPA's goal is to conclude its investigations within 270 days. The DPA took more than a year to close 29 cases (18% of cases).

² The adjusted total reflects cases that were withdrawn, merged, or voided based on clerical or other errors.

³ In its January 27, 2007, audit report on the DPA, the Controller's CSA division found that 16 cases per investigator was a best practice caseload for civilian oversight investigators.

One or more allegations of misconduct were sustained in 24 of the 161 closed cases, resulting in a 15% sustained rate. Of the 538 allegations investigated, 100 allegations resulted in “Proper Conduct” findings; 53 allegations resulted in “Sustained” findings; 81 allegations resulted in “Unfounded” findings; 56 allegations resulted in “No Finding/Withdrawn” dispositions; and 248 allegations resulted in “Not Sustained” findings.

C. Chief of Police’s Adjudication of DPA Sustained Cases

When a sustained case warrants a suspension of ten days or more, the DPA can recommend that the Chief of Police file charges with the Police Commission. If the Chief of Police declines to file charges with the Police Commission after meeting and conferring with the DPA, the DPA can file charges on its own with the Police Commission.

Alternately, the DPA can determine that a case warrants a suspension of ten days or fewer. When the DPA determines that sustained misconduct warrants no more than ten days of suspension, the Chief of Police determines whether or not to sustain the DPA’s findings and what level of discipline to impose. Although the DPA recommends specific levels of discipline for each case, the Chief of Police determines if, in his opinion, the sustained allegations are merited and what level of discipline or corrective action to impose. The Chief of Police also adjudicates challenges. While police officers may appeal the Chief’s discipline to the Police Commission, neither Charter section 4.136 nor the Administrative Code provide for the DPA Director to appeal the Chief’s decision. During the first quarter, the Chief of Police imposed discipline in 19 DPA sustained cases as follows:⁴

In January 2017, Acting Chief of Police Toney Chaplin and Chief William Scott, who began his tenure on January 23, 2017, proposed discipline in nine (9) cases determined by the DPA to have sustainable allegations. The DPA’s findings and recommended discipline and the Chief’s proposed discipline are as follows:

1. Neglect of Duty—In four (4) separate complaints, involving four (4) different officers, officers violated Department Bulletin 14-059, by failing to collect traffic stop data.

The DPA recommended written reprimands for each of the officers.

The Chief of Police concurred with the DPA for one officer and recommended a written reprimand. In that instance the officer had been previously admonished for conducting traffic enforcement while in plainclothes.

The Chief of Police did not concur with the DPA in the other three cases and admonished those officers for failing to collect traffic stop data.

According to the Police Commission Disciplinary Penalty and Referral Guidelines, the penalty for Class D neglect of duty misconduct is a written

reprimand for a first offense; however, greater discipline is appropriate if the officer has a prior history of discipline, the offense is severe or if multiple acts of misconduct have occurred.

2. Conduct Reflecting Discredit, Sexual Slur and Biased Policing Based on Race—In violation of Department General Orders (DGO) 5.17, Policy Prohibiting Biased Policing, DGO 11.07, Discrimination and Harassment and DGO 2.01, General Rules of Conduct, an officer made comments to two other officers about members of the public during an investigation. During the conversation, in violation of DGO 2.01, General Rules of Conduct, the second officer used profanity and the third officer made inappropriate comments.

The DPA recommended Police Commission-level discipline for one officer and written reprimands for the other two officers. Regarding the first officer, the DPA filed charges with the Police Commission.

The DPA recommended a one-day suspension for the officer due to the consequences of the violations.

The Chief of Police proposed a written reprimand and retraining.

According to the Police Commission Disciplinary Penalty and Referral Guidelines, the penalty for Class D neglect of duty misconduct is a written reprimand for a first offense; however, greater discipline is appropriate if the officer has a prior history of discipline, the offense is severe or if multiple acts of misconduct have occurred.

4. Neglect of Duty—In violation of DGO 5.03, Investigative Detentions, an officer failed to issue a Certificate of Release after handcuffing a combative complainant whom the officer and his partner were escorting to an ambulance. The officers had responded to a call that the complainant may have overdosed and they found the complainant snoring but otherwise unresponsive. Once in the custody of San

Francisco Fire Department paramedics and chemically restrained, the officer removed the handcuffs.

The DPA recommended a written reprimand.

The Chief of Police determined the omission was a policy failure.

According to the Police Commission Disciplinary Penalty and Referral Guidelines, the penalty for Class D neglect of duty misconduct is a written reprimand for a first offense.

5. Neglect of Duty—In violation of DGO 5.01, Use of Force, and Department Bulletin 15-051, Use of Force Options: Reporting and Medical Assessment Requirement, a sergeant failed to record a complainant's complaint of pain, which the complainant later reported as arising from the incident.

The DPA recommended a three-day suspension for the officer due to the officer's disciplinary history.

The Chief of Police imposed a written reprimand and retraining.

According to the Police Commission Disciplinary Penalty and Referral Guidelines, the penalty for Class D neglect of duty misconduct is a three-day suspension for a second offense.

Other allegations in these complaints include unlawful searches of persons, unlawful detentions and arrests, failure to properly process property including laptops and cameras, failure to investigate, failure to supervise and inappropriate behavior.

F. San Francisco Woman Shot and Killed by Her Ex-Boyfriend

VI. LEGAL UNIT

Five attorneys staff the DPA’s Legal Unit under the supervision of the Executive Director. Attorneys John Alden, Ines Vargas Fraenkel and R. Manuel Fortes are trial attorneys. They also conduct sustainability reviews, review reports of sustained misconduct for form and legality, prepare legal opinions and manage records requests including subpoenas, Pitchess motions and Sunshine Ordinance and Public Records Act requests. Additionally, Attorney John Alden provides training to the investigators and policy analysis. Attorney Samara Marion conducts the bulk of DPA’s policy work, conducts sustainability reviews, reviews sustained reports for form and legality, prepares legal opinions, and conducts investigator trainings. The DPA’s policy work is outlined in section VII. Attorney Donna Salazar coordinates DPA’s mediation and outreach programs and her work is outlined in sections VIII and IX of this report.

The Legal Unit reviewed, revised, and submitted twelve (12) sustained reports for approval by the DPA Executive Director, each of which involved one or more sustained allegations against one or more officers. Additionally, Deputy Director Erick Baltazar reviewed, revised and submitted twelve (12) sustained reports for approval by the DPA Executive Director.

The trial attorneys defend DPA’s misconduct findings in matters investigated and determined by the DPA to prove misconduct or failure to perform a required action. They present cases to the Chief of Police when officers object to proposed discipline of up to ten days

suspension. They present cases before the Police Commission when the proposed discipline is greater than ten days' suspension, through termination. Attorney Fortes defended four (4) cases at Chief's Hearings during this quarter.

VII. POLICY ANALYSIS

Policy work is an essential aspect of the DPA's mission. The San Francisco City Charter requires the DPA to present quarterly recommendations concerning SFPD's policies or practices that enhance police-community relations while ensuring effective police services. Policy Attorney Samara Marion leads the DPA's policy work. The DPA's policy work focused on implementing the next phase of the Police Department's Crisis Intervention Team (CIT) program, recommending the issuance of a department bulletin and implementation of training to ensure compliance with the Police Department's First Amendment Activities Department General Order (Department General Order 8.10) and advancing several language access projects.

As a member of the Crisis Intervention Team Working Group since its inception, the DPA worked toward implementing key provisions of the Crisis Intervention Team Department General Order (DGO 5.21). Department General Order 5.21 establishes a program in which CIT certified officers are dispatched as first responders to mental health crisis calls. Department General Order 5.21 also requires the Police Department to collect and analyze CIT data through an electronic reporting form. It provides for the debriefing of CIT incidents to permit the CIT Working Group to enhance the CIT training curriculum and make quarterly recommendations.

The DPA assisted in drafting the CIT Working Group's Organizational Structure and Mission Statement. On March 16, 2017, the CIT Working Group met with Police Chief William Scott to discuss the next phase of implementing the CIT program. The DPA, in partnership with the CIT Working Group, made the following recommendations:

- 1) Announce and implement the new San Francisco Police Department/Department of Emergency Management (SFPD/DEM) dispatch policy within 60 Days to ensure CIT officers are dispatched as first responders to CIT calls for service;
- 2) Complete the electronic CIT reporting form for data collection and analysis in 30 days and roll out the form and instructions to sworn members within 60 days;
- 3) Incorporate critical incident debriefing into the CIT program and CIT Work Group to enhance continual curriculum development and quarterly recommendations;
- 4) Increase CIT staffing and resources to meet the demands of continual CIT training and curriculum development and to implement CIT data collection and analysis as required by DGO 5.21; and
- 5) Include a non-law enforcement CIT Work Group representative in SFPD's CIT meetings with other agencies and on other CIT-related projects.

The DPA also conducted its First Amendment Compliance Audit pursuant to Department General Order 8.10. In its February 1, 2017 report, the DPA explained that it had concluded its investigation of a complaint that alleged that a SFPD officer had violated DGO 8.10 by conducting a criminal investigation involving an individual's First Amendment activities without complying with DGO 8.10's criteria concerning the type of criminal activity subject to investigation and the requisite documentation and authorization. The DPA concluded that the officer's actions were the result of inadequate training.

On February 21, 2017, the DPA provided Chief Scott the following written recommendations:

- 1) The Police Department immediately issue a Department Bulletin on DGO 8.10's requirements; and
- 2) The Police Department develop roll call training that updates the Department's DGO 8.10 training to address the standards for conducting an investigation that involves First Amendment activities, including the range of activities protected by the First Amendment, the reasonable suspicion standard, written documentation and supervisory approvals and numerous scenarios in which officers have an opportunity to test their understanding of DGO 8.10's application and requirements.

The DPA met with the Language Access Working Group, which comprises domestic violence and sexual assault service providers, language access advocates, city agencies, Police Commissioner Sonia Melara, and the Police Department, a practice the DPA initiated in 2012 to enhance language access services. The DPA continued to advocate strongly for interpreter training for bilingual officers, a requirement established in 2007 when DGO 5.20 was adopted. SFPD is reviewing proposals to develop curriculum and a plan to provide interpreter training for certified bilingual officers.

VIII. MEDIATION

The DPA mediated four (4) cases compared to 15 cases in the first quarter of 2016. Mediation Coordinator Donna Salazar met with representatives from Restorative Resources in Sonoma County regarding the possibility of initiating a mediation program in that jurisdiction. She also met with the Program Coordinator from SEEDS, the Oakland Community Mediation Organization regarding instituting a police/citizen program in Oakland.

Ms. Salazar attended a mediation training at UC Berkeley Extension and made a presentation about the DPA Mediation Program. She also assisted Trainer Teresa Carey with role plays. Ms. Salazar also participated in ongoing collaboration with the Bay Area Coalition of Community Mediation Providers.

The Mediation Program continues to provide a forum for officers and civilians to have frank discussions regarding complaints and serves as an educational experience for all participants.

IX. OUTREACH

The DPA engaged in the following outreach activities:

The DPA Director attended Police Commission Community Meetings and gave regular updates regarding the work of the DPA. Attorney Ines Fraenkel participated in a panel before a youth group addressing concerns regarding youth rights when interacting with police.

Attorneys Marion and Salazar made a presentation to residents and staff members of the Hospitality House in the Tenderloin District. Ms. Salazar attended a meeting of the Justice Committee of Glide Memorial Church and provided the Committee with brochures. She also attended planning meetings with Mo' Magic and other providers in preparation for the Back to school event in August. The DPA staffed an informational table at an Operation Homeless Connect event.

X. CONCLUSION

The DPA remained committed to its mission to promptly, fairly, and impartially investigate civilian complaints of police misconduct or failure to perform duties. The DPA continued to focus its community outreach efforts and policy work on addressing the concerns of the public for greater transparency.

Respectfully submitted,

Paul Henderson
Interim Executive Director

POLICY RECOMMENDATION – 1st QUARTER 2017

Case No.	Type of Allegation	Policy Recommendation
	Neglect of Duty	The complainant alleged that he was held at the police station for several hours and was not given food or water when he requested it. The Department of Police Accountability recommends that the San Francisco Police Department Booking and Detention Manual be updated to address the issue of providing water or food to prisoners who are held at a district station for an extended period of time.
