Voters can deliver their ballots in person to the Department’s office in City Hall, Room 48.

On the days leading up to and on Election Day, the Department of Elections will provide Ballot Drop-Off Stations outside two City Hall entrances: the main entrance at Dr. Carlton B. Goodlett Place and the Grove Street entrance. The schedule is as follows:

- Saturday, May 31, 10 a.m. to 4 p.m.

Delivering Ballots to Polling Places  
Voters may deliver their voted ballots to any polling place in San Francisco between 7 a.m. and 8 p.m. on June 3.

When returning their ballots, voters must ensure that the vote-by-mail envelopes are sealed and signed.

Any voter who is unable to mail or personally return his or her ballot may designate a family member or a person residing in the same household to return the ballot. The vote-by-mail return envelope has a section titled “Ballot Return Authorization” for this purpose, where the voter and his or her designee must sign their names.

For Immediate Release

SAN FRANCISCO, May 27, 2014 – The Department of Elections urges San Francisco voters to check their polling place locations as they prepare to vote on Tuesday, June 3.

Voters can find their polling places online at sfel ections.org/pollsite. The lookup tool interfaces with Google Maps for easy door-to-door walking, public transit, or bicycling directions from their home to their polling place.

Voters can also find their polling place address on the back cover of their Voter Information Pamphlet. The Pamphlet’s front cover features a QR code, which can be scanned with a smart phone to take users to the mobile version of the polling place lookup tool.

On Election Day, the Department of Elections will post “Change of Polling Place” signs at former sites that are not being used for this election. The signs provide detachable directions, which include the address, cross-streets and accessibility information of the new polling place. These signs will also feature a QR code that can be scanned with a smart phone to access the polling place lookup tool.

For further information, voters can visit sfel ections.org or call (415) 554-4375.

A search by your name and address showed no active voter registration in San Francisco. In order to be eligible to vote as a resident of San Francisco for the June election, your registration needed to be postmarked on or before May 19.

Your voter registration for San Francisco County will be processed after the June 3 election. The next election in which you will be eligible to vote is the November 4, 2014 General Election.

If you previously registered to vote elsewhere in California, you may wish to contact the county election office about your voting options in this election. For a contact list of all California county elections offices, please visit http://www.sos.ca.gov/elections/elections_d.htm

Chahndra,

There should be a setting in your print options for “reduce to fit page.” The Department recommends that you reduce the ballot pages as close to the U.S. standard 8.5” x 11” format as possible. We only need to read the marks (i.e. “connect the arrow”) you make to indicate your selection for each contest.

As a precaution, SFVote has attached your ballot in a PDF format. You may have more luck printing it. Respond to this email if you have any more questions about your overseas ballot.

To SF Department of Elections,

I have received my ballot paper by email and wish to print it out and return it by mail however I have discovered that the PDF is formatted larger than A4 paper meaning I cannot print it at home. Would it void the ballot paper if I shrunk it in order to be able to print each page? Thank you in advance for your advice.

Hi,
I am an out-of-the-country voter. I have the latest version of Adobe reader but when I print out my ballot, the names of the governor candidates don’t print out, only some programing code shows where the names should be. The other offices’ candidates show up fine. Also the printing is stopped before the full list of candidates is finished. For instance, for Lt. Governor, the names stop at Amos Johnson.

Help!!

Thanks,
Ellen Bergeron
Flora,

You are currently registered but listed as "inactive" – this occurred after your election ballot was returned undeliverable. You are still eligible to vote in this election if you are a resident of San Francisco and are not registered to vote elsewhere.

or

2) Vote at your polling place on Election Day, Tuesday, June 3 between 7 a.m. and 8 p.m. Your name will be listed in the Roster of Voters, in the "Inactive Voters" section. Based on your existing registration information, your polling place location is:

Soraya,

There is no telephone number in your voter profile. Also, the Department’s IT Division queried your telephone number—in case the telephone number was designated to another voter—and no results were found.

It appears that campaigns may have obtained your former telephone number from a third-party source, and not from the Department of Elections’ Master Voter File. You have the right to ask the campaign where it obtained your telephone number.

Hi, thanks for your reply. Please go ahead and cancel my voter registration, I will then register again once I have confirmed it's been canceled.

The Davis mailing address is a 12-year old address from when I was in college and re-registering (in 2007) somehow failed to remove it. ...I was wondering why I wasn't receiving the voter guides in in the mail all these years... So I think canceling my registration is a sure way to fix the problem.

Best Regards,

Matthew Pensack
Your email from 05/16/14 was about receiving election information at your San Francisco residence. Your request, however, is to cancel your voter registration.

Do you wish to remove your Davis, California, mailing address from your registration (and remain eligible to vote) or cancel your voter registration in San Francisco County?

Please confirm.

Isabel,

If the error on your ballot page can be erased and/or covered, SFVote recommends that you make the correction on the ballot you were issued. As long as your intent is clear, your vote for that contest will be counted.

Alternatively, you may print the ballot page (attached) you need to replace the card on which the error occurred. Don’t worry about the size of the page or font—the Department prints the materials and needs only to read your selection, i.e. “complete the arrow”. Enclose the copied ballot page with your full-size ballot card #2 in the vote-by-mail return envelope and return by June 3, 2014.

R. Greensmith,

Thank you for notifying the Department of Elections of the change to your voter registration. Since you receive your ballot by email, we recommend that you re-register after the June 3, 2014 to update your overseas registration. An FPCA overseas registration is valid for approximately four years. Our records indicate you last registered 08/26/2004.

U.S. citizens who are residing overseas are to use the FPCA (www.fvap.gov or http://registertovote.ca.gov )form to make any change to their voter registration. A change to a voter’s registration may refer to any of the following: name, address, mailing address, party affiliation, overseas voting status, or ballot delivery preference.

Please choose one of the following methods to submit your FPCA or address change request:

- Fax to (415) 554-4372
- Email the form as a scanned attachment to sfvote@sfgov.org (Subject: Overseas Voter)
- Mail to the address below.

Your voter registration is active and in good standing. An overseas FPCA registration is valid for approximately four years; you will need to re-register when you move, change your address, name, political party preference, or ballot delivery preference.

Also, you have Permanent Vote-by-Mail Status; a vote-by-mail ballot will automatically be issued to you. You should receive your June 3 ballot next week.

The Department will remove your email address from your voter registration record. As a result, your ballot delivery preference will change from “email” to “mail.” Emails from political parties and campaigns may continue through Election Day, but they will cease after the election.

Unfortunately, the Department of Elections cannot stop any emails or postal mailings you are receiving from political campaigns; under California law campaigns and political organizations have access to this information.*

The Department of Elections is a nonpartisan City department that conducts all local, state, and federal elections in San Francisco. The Department is not affiliated with or financially connected to any of the campaigns or political organizations from which you are receiving mail.

Recent changes in election law permit all overseas voters to participate in local, state, and federal contests; therefore, we are required to send you a ballot for all elections in which you are eligible to vote.

Please let us know if we may be of further assistance.

David,

The stub can be removed before placing your voted ballot cards in the vote-by-mail ballot return envelope. To remove the stubs, tear the top of each ballot card at the perforated line. The instructions to return your ballot are on the first page of the yellow, multi-language insert, located in your ballot package.

Ms. Pruitt,

The Department of Elections has corrected the information in your voter file from your 11/02/2013 Application to Update or Correct Registration. Your request for Permanent Vote-by-Mail Status was overlooked. SFVote applied Permanent Vote-by-Mail Status to your profile; your June ballot will mailed to you next week.

Dear Ms. Pruitt,

Both you and Mr. Hopcroft still have a Zurich mailing address in your registration, so your election materials have been sent there. To remove this mailing address and have your ballots sent to your 47th Avenue address in future elections, both of you should visit the link below to prepare a form. Select the "Remove mailing address" button. You will need to sign the form and mail, fax, or scan and e-mail it back to us:

http://sfelections.org/tools/regupdate/regupd.php

For this election, it is too late for us to mail you a ballot. You can vote at City Hall or at your neighborhood polling place.

Vote at City Hall
You can visit the Department of Elections’ early voting counter on the ground floor of City Hall to vote in person. For weekend voting, enter City Hall on Grove Street. Early voting hours are:

- Monday–Friday: 8 a.m. to 5 p.m.
- Saturday and Sunday, November 2-3: 10 a.m. to 4 p.m.
- Election Day, Tuesday, November 5: 7 a.m. to 8 p.m.
Vote at Your Polling Place
Vote at your polling place on Tuesday, November 5, between 7 a.m. and 8 p.m. Your polling place location is the [Censored].

Without your vote-by-mail ballot you will need to vote provisionally at your polling place as a safeguard against double voting. We will verify your registration information from the provisional envelope and count your ballot after Election Day. You'll receive a provisional ballot receipt that you can use to check this.

Let us know if you need any other information.

The two names are:

The first one is the correct one. The second one is my previous name.

Can you fix this? I promise not to vote twice. :)

For Immediate Release

SAN FRANCISCO, May 8, 2014 – The Department of Elections is currently seeking poll workers for the upcoming June 3 Election.

Although the Department has already recruited over 2,500 poll workers, there is still a need for more responsible and dedicated individuals to serve as “Inspectors” — the lead poll workers at polling places on Election Day.

Applicants must be lawful permanent residents of the United States, age 18 or older. All positions are one-day assignments and pay between $145-195. Applicants who speak Chinese, Spanish, Tagalog, Vietnamese, Korean or Japanese in addition to English are highly encouraged to apply!

Individuals interested in serving as poll workers must apply in person at the Poll Worker Hiring Office, which is open every Tuesday, Thursday, and Friday from 8:30 a.m. to 4:00 p.m. and is located at the Department of Elections at City Hall.

For further information, visit sfelections.org/pollworker or contact the Department of Elections’ Poll Worker Division at (415) 554-4395.

Richard,

The Department received your faxed ballot on April 14. The online vote-by-mail ballot status tool (http://sfelections.org/tools/vbmstatus/) will not be operational until after May 5, when the majority of vote-by-mail ballots are mailed to domestic voters. Overseas voters are mailed their ballots up to 60 days before an election.

Please verify later this week that your vote-by-mail ballot was received. Please contact the Department if you cannot verify the status of your overseas ballot by May 9.

I faxed my ballot in on April 14, 2014. I tried to use an on-line verification tool but 1) the link in the pdf doesn't work and 2) when I enter my San Francisco address at the vbmstatus page, it says that the ballot was sent but not received. Is there a way of finding out whether my ballot has been received?

Thank you.

The next election is the November 4, 2014 Consolidated Gubernatorial Election. If you do not receive election materials or your vote-by-mail ballot by October 20, please contact the Department of Elections.

The Department of Elections regrets the miscommunication between the DMV and our department that resulted in your removal from the voter roll in San Francisco County.

Let us know if we can be of further assistance.

Subject: Voter Registration
Other: Missing Voter Registration
Comments: Hello SF Department of Elections, The city does not seem to have a record of my voter registration status. I am a San Francisco resident, have voted in multiple elections and have not moved since turning 18. Therefore, I was surprised to discover that my local polling place did not list me on the voter roster. I voted and submitted a provisional ballot with the reference number [redacted]. I want to be sure that my ballot is counted and confirm my voter registration status for future elections. I entered my address and birth date on the Voter Registration Status Lookup website (http://www.sfelections.org/tools/reglookup/) and received the following message: "The Department of Elections must confirm your voter registration information. Please contact us at
415-554-4375 or email us." The results page did not explicitly state whether or not I am registered. The included phone number did not have a voicemail option but I did leave a message for (866) 325-9163. My birth date is 05/07/1993. My Address is [Redacted]. Please contact me at (415) [Redacted]. I look forward to working with the San Francisco Department of Elections to resolve the issue. Thank you for your attention and assistance. Best, Jonathan

Dear Ms. Alyse Ceirante,

Thank you for your valid concern on the wrong address on your voter information pamphlet. Our incident tracking module for Election Day shows that there was a last minute polling place replacement due to an illness in the previous polling place owner’s family. The error was called in before 8:00 a.m. and signs were placed immediately redirecting voters to the correct address. Coincidentally, the addresses were so similar, the error wasn’t caught until after printing the VIP. (The old address was [redacted]. The new polling place address is [redacted].) Thank you again for your concern and assistance.

Sincerely,

Matthew,

Our records show that you are registered as a regular permanent vote-by-mail voter; your June 3 ballot was mailed to your San Francisco residence address the week of May 5. Your most recent registration is from 10/06/09 and you are not flagged as a military voter.

Earlier today you spoke with Erica Young, an Elections representative, about your recent attempt to register online. The San Francisco Department of Elections has no record of your attempt to register through http://registertovote.ca.gov. A further search to locate your online registration in San Francisco County was unsuccessful. If you have the online registration receipt from , please attach it to this conversation thread.

Please re-register as an overseas military voter for the next election, the November 4, 2014 Consolidated Gubernatorial General Election. Alternatively, you can register through www.fvap.gov.

Thank you for contacting the San Francisco Department of Elections to inquire about military/overseas voting. Currently you are registered as a regular vote-by-mail voter which means your June ballot will be mailed to your S.F. residence.

Please submit the Federal Post Card Application and Absentee Ballot Application (FPCA):

* Download the form at http://www.fvap.gov/

or

* Register online at http://registertovote.ca.gov

Submitting the downloadable FPCA form

Fax your request to (415) 554-4372 or mail to the address below. Also, you may email your application and ballot request form as a scanned attachment to sfvote@sfgov.org.

Dear Registrar:

My wife and I both sent in requests for vote by mail several weeks ago. My wife (Kelley Karandjeff) received her note by mail ballot, I have not. Perhaps I filled it out incorrectly? Do you have any insight? I’d love to keep my record of elections participated in intact, but leave town this Sunday and will not be available on election day. Many thanks for your response.

I have received my ballot paper by email and wish to print it out and return it by mail however I have discovered that the PDF is formatted larger than A4 paper meaning I cannot print it at home. Would it void the ballot paper if I shrunk it in order to be able to print each page? Thank you in advance for your advice.

Hi,
I am an out-of-the-country voter. I have the latest version of Adobe reader but when I print out my ballot, the names of the governor candidates don't print out, only some programing code shows where the names should be. The other offices' candidates show up fine. Also the printing is stopped before the full list of candidates is finished. For instance, for Lt. Governor, the names stop at Amos Johnson.

Help!!

Anand,

You are not registered at your new address. It appears that your attempt to register through the Secretary of State did not go through. You will need to register with your new residence address.

Today, May 19, is the last day to register to vote for the June 3, 2014 Primary Election.

Register in person today at the Department of Elections in City Hall from 8 a.m. to 5 p.m. From 5 p.m. to 8 p.m., Department of Elections' staff will be at the front entrance of City Hall, on Polk Street, to help register voters.

As well, you may pick up a voter registration card at any Post Office, San Francisco Public Library branch, or Department of Motor Vehicles office. Your voter registration card must be postmarked with today's date in order to be eligible to vote in the June election.

Hi, thanks for your reply. Please go ahead and cancel my voter registration, I will then register again once I have confirmed it's been canceled.

The Davis mailing address is a 12-year old address from when I was in college and re-registering (in 2007) somehow failed to remove it. ...I was wondering why I wasn't receiving the voter guides in in the mail all these years... So I think canceling my registration is a sure way to fix the problem.

For this election, it is too late for us to mail you a ballot. You can vote at City Hall or at your neighborhood polling place.

**Vote at City Hall**
You can visit the Department of Elections' early voting counter on the ground floor of City Hall to vote in person. For weekend voting, enter City Hall on Grove Street. Early voting hours are:

- Monday–Friday: 8 a.m. to 5 p.m.
- Saturday and Sunday, November 2-3: 10 a.m. to 4 p.m.
- Election Day, Tuesday, November 5: 7 a.m. to 8 p.m.

Vote at your polling place on Tuesday, November 5, between 7 a.m. and 8 p.m. Your polling place location is the [redacted].

Without your vote-by-mail ballot you will need to vote provisionally at your polling place as a safeguard against double voting. We will verify your registration information from the provisional envelope and count your ballot after Election Day. You'll receive a provisional ballot receipt that you can use to check this.

Open the attached notice for information to complete your voter registration. Overseas voters must provide an overseas mailing address in order to qualify to receive a ballot by email. If you do not provide an overseas mailing address, your ballot will be mailed to your San Francisco residence address.

Our records show you are registered as an overseas voter and your registration is in “inactive status.” To update your voter registration and continue to receive voter information and/or vote-by-mail ballots, please re-register. There are several convenient ways to register or re-register to vote:

- Register online at [http://registertovote.ca.gov](http://registertovote.ca.gov)

- Register in person at the Department of Elections in City Hall, Monday through Friday from 8 a.m. to 5 p.m.

The next election is the June 3, 2014 Primary Election. The last day to register or re-register for this election is May 19.
