Subject: Citizen's Advisory Committee

Commissioners,

For Wednesday's meeting, I have put together a list of questions for your consideration regarding the formation of a Citizen's Advisory Committee ("CAC"):

- What is the CAC's name?
- What will the CAC's obligations be? How many reports should the CAC produce? How often should those reports be produced? When should the first one be due? What should the reports contain?
- How many members should be in the CAC? For each seat, what are the qualifications? What is the process for appointing CAC members?
- How often should the CAC meet?
- Should the members have terms, and if so, what is the length of each term?
- What is the process for removing members of the CAC?
- When should the appointments be complete? 60 to 90 days after the motion is passed, or longer?

- How long will the CAC last?
- Should the CAC be chaired by an Elections Commissioner, and if so, whom?
-

If you have questions, please feel free to email me or call me. Please do not reply all to this email.

Best,
