Commissioners -- Clarification. Deputy City Attorney White pointed out that my email may have read as though I was asking for email replies. I should have been clear that this should only be discussed at the Election Commission meeting. Please refrain from replying or discussing in advance of the meeting.

Don -- Please include this in the agenda pack.

Viva -- Please cover this during the Open Source Voting section of the agenda. If Commissioners want to confirm I and Commissioner Jerdonek as representatives, offer alternative representatives or apply conditions to representation a motion should be made and a vote taken.

Regards, Roger
