	3:03:53 PM	Other Polling Place-Related: Fed called saying the City College staff came by polling place telling the inspector that they will be locking up at 6:30PM. Inspector notified staff that is not correct and they will be closing after the polls close for several hours. Fed would like confirmation from PPO that they won't be coming by to lock the site at 6:30PM. Please confirm.	3:53:40 PM	
	3:35:02 PM	Campaign Contacted: This is a decades old city college site. Whomever told the FED they are closing at 6:30PM is incorrect. I did leave a VM for our main contact to double check.		
	3:46:21 PM	FED Contacted: Spoke with FED to pass along message that whoever spoke with inspector from the site must have been misinformed and to proceed without concern. If the person comes back they are directed to ask their name and association with site.
