****RECEIVED FROM EXTERNAL SENDER – USE CAUTION****

Hi Carl—I tried to call you earlier. Yes, we do have a redacted copy. We will produce it in our case, pursuant to our protective order, provided we satisfy any requirements we need to under the protective order in the Curling case, and to the extent we have permission in Curling to share it in this litigation, which we do not presently have.

We also now, as of last Friday (February 4), have an unredacted copy of the report. We are under the same restrictions for that copy, but we do not think that copy needs to or should be produced in our litigation.

Does Dominion have an unredacted copy of the Halderman report from the *Curling* case? If so, will you agree to produce it to us?

Thanks,
Carl
