DATA DRIVEN (Evidence Based):
DRI (Detention Risk Instrument)
- Data driven risk assessment
- More data = better programs = better outcomes
YASI (Youth Assessment & Screening Instrument)
- Individualized programs
Missouri Model “Evidenced Based”
- Diversion/CARC
Cost effective, efficient and nimble with public funds

COMMUNITY INTEGRATION
- Re-entry services
- Job readiness/employment
- Healthcare → medical home
- Affordable housing
- Educational resources

KEEP SF YOUTH AND PUBLIC SAFE

RESULTS
- Lowest census in 20 years
- Lowest average daily population in 20 years
- 60% reduction in referrals to juvenile courts in the last six years
- 30% re-arrest rate over the last 4 years (Los Angeles 70/30)
