**Augustus GOES LIVE at JPD on June 4th**

It’s been a great 30 years with JJIS but it’s time to upgrade to a new, cutting-edge case management system!

**Yes, it’s finally here!**

As Chief Nance announced last Friday, we now have a confirmed date of JUNE 4th to launch our new case management system, *Augustus*. It has been a long journey, but thanks to the input of staff across the department and numerous trainings, we are now ready to transition to the new system. This means that starting June 4, 2018, JJIS will no longer be available and all case management will be done in *Augustus*.

**What to expect before the launch**

You’ll be receiving more information over the next few weeks via email and through staff and other events about what to expect during the transition and what help will be available. We’ll also be launching a “One Stop Shop” webpage on the JPD intranet with all the information you’ll need to help you navigate the new system. IT (Information Technology) staff will also be providing additional support on site after the launch to help with any issues during the transition.

As with all new technology systems, there will be an adjustment period revealing areas for improvement. We ask for your patience, and engagement, as we work through this transition. We also need your input and we’ll be providing opportunities for you to provide feedback on how we can make the system work even better for JPD after the rollout. (Article continued on page 2.)

**WHAT IS AUGUSTUS? WHY NOT AUTOMON?**

*Augustus* is the name of our new case management system which includes Caseload Explorer (replacing JJIS) and Ce Connect (including Ce Assessments and Planning). The system has been built by Automon, LLC. who work with 13 other California counties and the state of New York.

*Fun Fact*: the system is named after John Augustus, a 19th c. New York bootmaker, commonly dubbed the “Father of probation.” He personally provided bail for 1,946 men and women of which only 10 forfeited their bond! He is also credited with developing the concepts of investigation, intake & supervision.
Augustus continued:

**Benefits of the New System**

The new system will help bring in more efficient ways to manage cases and share information across the three divisions. *Augustus* will improve our ability to work with youth in a timely, efficient and integrated way.

**What’s next with Augustus?**

Look out for emails with more information on events and other resources that will be made available over the next few weeks. In the interim, why not get acquainted with the new system by going to the “**Augustus CX Training Site**” from the JPD Website Home Page (under “JPD Links”). You’ll also be hearing more at upcoming staff meetings.

If you have any questions or would like to find out more, ask your local Super Users, talk to your Supervisor or Director or get in touch with Cody Xuereb (cody.xuereb@sfgov.org or 415-753-7545) directly.

*Look out for more information and events over the coming weeks to help you prepare for the transition to Augustus on **JUNE 4th***

**UNIT RECOGNITION**

Last condition on unit:

- Unit 1 - 12/25/2017  Unit 6 - 4/28/2018
- Unit 5 - 2/24/2018  Unit 7 - 4/16/2018

=WINNER

**Congratulations to Unit 1!**

**TRAINING**

Please see the **Training Board** for the upcoming scheduled trainings for:

- Resiliency and Wellness
- Tactical Communication/De-Escalation
- Ethics for Law Enforcement
JJC CALENDAR OF EVENTS

May 5th - Cinco De Mayo Celebration at Juvenile Hall

May 8th - Basketball Game
    JJC vs. Street Violence Intervention Program (SVIP)
    @ 3:30 pm JJC Gym

May 13th - Mother’s Day

May 29th - Bread & Roses Performance – Guitarist David Noble

KITCHEN

Thank you to Kitchen Manager Christopher, Chef Adel and the rest of our
wonderful kitchen staff for putting together a delicious Cinco De Mayo dinner
for our youth. Your team’s efforts to celebrate the cultural diversity of our
community is greatly appreciated! Menu included: Mexican Coleslaw, Beef
Burrito, Spanish Rice, Refried Beans, Mexicali Corn, Salsa & Sour Cream.

STAFF RECOGNITION

Congratulations to our very own PATRICK YALON
(Probation Counselor) who will be starting his new role as a Probation Officer.

The youth, and all the staff, will miss your presence in the Hall!

Best of luck in your new role Patrick!
Let’s Welcome new staff to JPD!

*Mason Taylor - Utility Worker*

*Pu Yang - Industrial Hygienist*

*Morgan Liu - Food Service Worker*

**JJC PROGRAMS**

**Project Pull – Project Promise** at JJC!

Beginning June 18, 2018, **Project Pull - Project Promise** will begin an 8-week summer intern program for our youth here at JJC. **Project Promise** represents the Project Pull summer jobs, (internship) program for youth in detention. This is the first time that Project Pull/Project Promise will be working with youth in detention. In the 8-week course, Project Pull will provide pre-employment training, workshops on financial literacy, help with creating a resume and as well as conducting mock interviews. We are very excited to have **Project Promise** working with our youth to enhance their growth and provide the resources they need to focus on their future career options.
JJC PROGRAMS CONTINUED...

Chili Cookoff Results are in!

Congratulations to Ms. Breaux for being the winner in the chili cook off last month!

Also, Congratulations to the second and third place winners, K. Lewis and D. Benton!

Ok Folks, this is your chance to redeem yourself from the first two contests. In case you mistakenly added salt instead of sugar to your cookies, or maybe no salt in your chili, it’s time to step it up and show them what you got!

On June 1, JJC will be hosting an ALL DESSERT BAKE OFF!
If you are interested, please sign up with Mr. Hines before May 25, 2018.

LOG CABIN RANCH

Life on the Ranch

- The Disney Foundation is working with students at LCR! Disney Foundation staff are working with LCR youth within the project-based learning theme to create some great art projects. So far, LCR students have had 4 sessions where they learned about digital media, wrote their own stories, cut out characters and placed them on multi-plane settings using iPad software! Working together, the students then created digital movies. In future sessions, students will be learning how to do “claymation” and they will be making animated digital movies shooting one frame at a time to create movement. We all look forward to seeing some great stories from our new producer-directors!

- On April 21, 2018, Assistant LCR Director Tim Diestel, and several Golden Gate National Park Service Rangers, coordinated a Camping Demonstration at LCR. Using the BBQ area, youth learned about tent assembly, camp food preparation techniques, and general camping skills. Great demonstration! Thank you all who helped!
For the last 7 years, the Juvenile Probation Department, in collaboration with SF Recreation & Parks, SF Police Department & SF Unified School District has been taking local youth on a 4-day camping trip to Camp Mather located at the outskirts of Yosemite.

**Teen Outdoor Experience (TOE)** provides a variety of daytime activities, such as horse-back riding, swimming, volleyball & baseball games, paddle boarding, kayaking, hiking to Hetch Hetchy, and much, much more! Night-time activities include drumming, talent show, and table games with excellent prizes, such as tickets to Warriors & Giants games and gift cards. For kids who love to eat, the food at Camp Mather is delicious and plentiful. Everyone goes to bed feeling full and satisfied.

In addition to all the fun activities youth can enjoy and experience, they have the School District’s blessing to earn school credits provided they complete their daily journals. Additionally, TOE youth are guaranteed a part-time job with Recreation & Parks Department after the trip provided they follow-through with the job application process. Finally, when they turn 18-years old, youth can apply to become Camp Mather Leaders, and get paid up to $500 for this 4-day trip. What wonderful opportunities!

**Our 2018 TOE will be from 8/23/18 to 8/26/18.** We’re currently taking applications. Also, if JJC counselors are interested in chaperoning, please obtain approval from Director Recinos, who will inform me (Jubilee Tsui). Thanks! We’re looking forward to another great **Teen Outdoor Experience**!
MENTAL HEALTH AWARENESS MONTH

Each year, millions of Americans face the reality of living with a mental illness. One in 5 Americans is affected by a mental health condition. The stigma placed on mental health illnesses can bring fear, shame and silence to those affected by a mental health illness.

**What is mental illness?** A mental illness is a condition that affects a person's thinking, feeling or mood. Such conditions may affect someone's ability to relate to others and function each day. Each person will have different experiences, even people with the same diagnosis.

**Who can be diagnosed with a mental illness?** Anyone. Research suggests multiple linking causes. Genetics, environment and lifestyle influence whether someone develops a mental health condition. A stressful job or home life makes some people more susceptible, as do traumatic life events like being the victim of a crime.

**How can we help someone with a mental illness?** Provide support, educate the public and advocate for equal care. Learning more about the illness, you can support your loved one, friend, colleague through diagnosis and beyond.
