RFP LAF2023-01 Midtown Park Apartments Resident Engagement Facilitator Answers to Bidder Questions

Question: In relation to question D3 (from [Attachment 1-Midtown Proposal Template.docx](#) and posted below), we have ideas on how we will engage LAFCo staff, Midtown staff and the City. We'd like to know how you envision State and Federal to be involved in this project?

D3. Client Involvement or Level of Effort: Describe your expectations of the involvement and level of effort required by LAFCo staff, Midtown staff, and any City, state, or federal agencies. This could include information requests, facility access, review, approval, and other communication protocols necessary to successfully complete the services.

Answer: Because the Midtown Park Apartments are owned by the City and County of San Francisco, we do not envision a central or specific role for state or federal agencies in this study. We are open to ideas from bidders on how state or federal agencies could be involved, such as providing technical assistance or any grant programs that could benefit Midtown.
