150 scholarship winners will be selected this summer!

San Francisco Kindergarten to College (K2C) is holding a Summer Virtual College Tour Contest. K2C will highlight select colleges each week on K2C's social media and website for students to tour online and have the opportunity to win a $100 scholarship.

K2C will announce 150 scholarship awardees at K2CSF.org by Wednesday, August 24th.

First-generation college students, low-income households and students from groups underrepresented in higher education are especially encouraged to participate.

Eligibility

- All K-12th SFUSD students are invited to participate; however, awards will only be given to students with an active Kindergarten to College (K2C) account.

Awards

- K2C will award 150 scholarships of $100 at the end of the six-week contest. Only one scholarship per student may be earned per duration of Summer 2022.

How to Submit

- Complete a weekly virtual tour and respond to all questions correctly in our form no later than 4pm Monday at K2CSF.org

Evaluation Criteria

- At a minimum, all campus specific questions should be answered correctly by 4pm Monday for the prior week's tour by a participant with an active K2C account.
- Factors including repeat participation as well as the quality of responses to the prompt, "Do you think this college is a future worth saving for and why?" will be taken into account by K2C in finalizing our selection.
- K2C will announce awardees on our K2CSF.org by Wednesday, August 24th.
