GET YOUR MONEY FROM THE CHILD TAX CREDIT

Payments started July 15th – most families with kids qualify!

What is the Child Tax Credit?

The Child Tax Credit is a tax benefit to help families who are raising children. Payments will come monthly from the IRS totaling up to \$300 per child under age 6 and up to \$250 per child ages 6 to 17.

What do I need to do?

Most families don't need to do anything! If you filed 2019 or 2020 taxes or signed up for stimulus checks using the IRS Non-Filer tool last year, the IRS will send money automatically. If you haven't filed a tax return for 2019 or 2020, file now to claim your money!

How will I receive my payment?

If the IRS has your bank account info, you should have received your first payment in July. If the IRS doesn't, you will receive a check by mail.
