California law requires that construction workers employed on City funded projects be paid not less than the prevailing wage rate.

TO ENSURE LABOR STANDARDS COMPLIANCE, THE OLSE:

- Visits jobsites and interviews workers regarding rates of pay and types of work performed
- Investigates complaints to verify that workers receive prevailing wages including fringe benefits, travel and subsistence, holiday, overtime, and other required payments
- Conducts audits by reviewing certified payroll records, fringe benefit statements, inspector's logs, sign-in sheets, and pay check stubs to verify payment of prevailing wage and proper classification of work
- Assesses penalties for non-submission of records or non-payment of prevailing wage
