

City and County of San Francisco LIFELINES COUNCIL

Edwin M. Lee, Mayor
Naomi Kelly, City Administrator

Meeting #13 – Visualizing our Interdependencies

September 19th, 2013 (Thursday)

3 – 5 p.m.

San Francisco City Hall, 2nd floor Room 201

Co-Chairs

Naomi Kelly, City Administrator, General Services Agency, City and County of San Francisco
Chris Poland, Chair, NEHRP ACEHR, Co-Chair, SPUR Resilient Cities Initiative, and Chairman, Degenkolb Engineers

Lifelines are the systems and facilities that provide services vital to the function of an industrialized society and important to the emergency response and recovery after a natural disaster. These systems and facilities include communication, electric power, liquid fuel, natural gas, transportation (airports, highways, ports, rail and transit), water, and wastewater.

- American Society of Civil Engineering Technical Council on Lifeline Earthquake Engineering (TCLEE), 2009
