

City and County of San Francisco LIFELINES COUNCIL

Edwin M. Lee, Mayor
Naomi Kelly, City Administrator

Meeting #19 – Presentations on SFFD’s NERT Program & SFPUC Drought Update

June 12, 2015 (Friday)
1:00-2:30 p.m.
Emergency Operation Center (EOC)
1011 Turk St.

Co-Chairs

Naomi Kelly, City Administrator, General Services Agency, City and County of San Francisco
Chris Barkley Vice President, Public Sector Business Development at AECOM

Lifelines are the systems and facilities that provide services vital to the function of an industrialized society and important to the emergency response and recovery after a natural disaster. These systems and facilities include communication, electric power, liquid fuel, natural gas, transportation (airports, highways, ports, rail and transit), water, and wastewater.

- American Society of Civil Engineering Technical Council on Lifeline Earthquake Engineering (TCLEE), 2009
