LIFELINES COUNCIL

Meeting #20 – Focus On Recovery

September 9, 2015 (Wednesday)
1:00-2:30 p.m.
San Francisco City Hall
2nd Floor, Room 201

Co-Chairs
Naomi Kelly, City Administrator, General Services Agency, City and County of San Francisco
Chris Barkley Vice President, Public Sector Business Development at AECOM

Lifelines are the systems and facilities that provide services vital to the function of an industrialized society and important to the emergency response and recovery after a natural disaster. These systems and facilities include communication, electric power, liquid fuel, natural gas, transportation (airports, highways, ports, rail and transit), water, and wastewater.
- American Society of Civil Engineering Technical Council on Lifeline Earthquake Engineering (TCLEE), 2009

Agenda

1. Welcome and Introductions
   Co-Chairs, Naomi Kelly & Chris Barkley
   (10 min)

2. Interim/Transitional Disaster Housing Framework
   Doug Ahlers (Harvard)
   (40 min, 20 min Q & A)

   Doug Ahlers is a highly recognized figure in the world of disaster recovery and resilience, and is a professor at the Harvard Kennedy School. In the fall of 2014, Doug and his team produced a report on a possible framework for post disaster/interim housing in San Francisco. This presentation will go over the conclusions drawn by Doug and his team, along with some policy and strategic recommendations for City officials to consider.

3. Open Discussions/ Questions
   (20 min)

4. Adjourn
