PROGRAM GUIDELINES

The Future Graduates Program collaborates with the San Francisco Police Department (“SFPD”), the SF Police Foundation and sf.citi, a non-profit, who connects tech companies and private employers to high school students in San Francisco with paid summer internships. Interested students apply to the Future Graduates’ Program which last for eight weeks, and may be with the SFPD, other City and governmental agencies, or private employers. The SFPD will make the internship assignment. These Program Guidelines set the expectations for Program participants. Each participant receives a copy of these Program Guidelines and is responsible for reading and following the Guidelines. Participating employers may have additional requirements, policies, and procedures applicable to their Program participants.

Participating Employers

Each participating employer will assign a liaison to the Program. In addition, the participating employers will assign each student participant a supervisor who will direct and monitor the participant’s work and compliance with Program Guidelines, as well as any employer-specific requirements, policies and procedures.

Program Hours

Program participants are expected to work MONDAY through FRIDAY (excluding legal holidays). Each participating employer will set the work schedule for its participants. The schedule will not exceed 8 hours per day or more than 20 hours in a week. Each day, participants will receive a 30 minute lunch break and two 15 minute breaks (one in the morning and one in the afternoon on the 8 hour schedule). Participants will be required to track their actual hours at work, to support payment under the Program. All employers must follow all state laws adhering to minors in the work place.

Punctuality and Attendance

Participants must be on time each day. Tardiness requires an acceptable explanation. Participants shall provide advance notice of an absence, if possible. All absences require a written excuse from a doctor or some supporting document that verifies the participant’s need to be absent. Excessive tardiness and/or absenteeism may result in the participant being removed from the Program.

PROGRAM GUIDELINES – CONTINUED

Drugs, Alcohol and Smoking

Participants shall not possess, use or be under the influence of any intoxicants, including alcohol, in the workplace. Participants shall not smoke while in the workplace. Violation of these prohibitions will result in removal from the Program.

Discrimination and Harassment

The SFPD is committed to ensuring that the Program operates in a manner that is free from discrimination. In keeping with that commitment, SFPD strictly prohibits all forms of unlawful discrimination and harassment, including sexual harassment and harassment based on race, color, religion, creed, sex, national origin, ethnicity, age, disability or medical condition, political affiliation, sexual orientation, ancestry, marital or domestic partner status, gender identity, parental status, or any other characteristic protected by federal, state or local law. Retaliation against an individual who files a complaint or who assists in an investigation of a complaint is also prohibited.

If any Program participant feels that he or she is being discriminated against or harassed by anyone in the Program or at his or her assigned workplace under this Program, the participant should inform either his or her supervisor at the assigned workplace or CONTACT AT NONPROFIT.

For Program Participants working for the SFPD

Criminal Background Check:

A criminal background check is required for any participant who works for the SFPD.

City Property and Information:

All City equipment, devices and materials, supplies, and furnishings (e.g., photocopier, facsimiles, telephones, computers, stationery, etc.) must be used only for conducting City business. Use of City property for personal purposes is strictly prohibited and grounds for removal from the Program.

Confidential Information:

Information obtained in the course of a participant's work for the SFPD may be confidential and protected by law. Participants shall treat any information obtained while working for SFPD, including any information about crimes, victims and suspects, as strictly confidential and shall not disclose that information. Release or dissemination of such information may constitute an invasion of privacy, and will be grounds for removal from the Program.
