Dear All,

I have been writing for months in the hopes you will hear my voice regarding ending the Slow Street Programs. Today I got a letter from Oak Street residents and I am thrilled to learn that I am not a lone voice out there asking to have PAGE STREET RETURNED TO A NORMAL WORKING STREET!!! I live on the very busy, busy Oak Street and pulling into and out of my garage has always been a challenge, but since Page Street no longer accepts traffic our situation has become truly HARROWING. This has really gone too long and it puts all Oak Street neighbors into danger for a very few walkers and runners. I walk every day and Page is no longer utilized as a walking street, slow street, as it was a year ago. Please, please don't make us beg to return our City to the way it was...as congested as it is, you are making it worse and dangerous. There is plenty of room on sidewalks for runners and baby carriages!!!!

Thank you for your consideration.  
Leslie, Warren, Patrick  
1028 and 1030 Oak Street
