Re: Weekly DPA Statistics

Dear San Francisco Police Commission,

At the Commission's request, the Department of Police Accountability is now submitting, in writing, the statistics we report on weekly during the Director's Report at Police Commission Meetings.

	2021	2020
Cases Opened	74	82
Cases Closed	77	133
Cases Pending	348	378
Cases Sustained	7	7
Cases Past 270-Day*	32	33
Cases Mediated	0	0

Cases pending with the Commission 14
 Cases pending with the Chief 41

*Of the 32 cases past the 270 day timeline of investigation, 17 cases are tolled. Of the 17 cases that are tolled, one case has criminal charges pending with the court, and another case has a pending criminal investigation. All of the cases that are not tolled were received just before and after (March and April 2020) the shelter-in-place in March 2020, causing some of the delays in these cases.

Sincerely,

Paul Henderson
 Executive Director
 Department of Police Accountability
