¹ Penal Code § 832.7 requires confidentiality for peace officer personnel records except in four categories: (1) officer involved shooting investigations, (2) uses of force that cause great bodily harm, (3) sustained findings of sexual assault, or (4) sustained findings of dishonesty. Records in these four categories are called “SB 1421” records after the 2019 senate bill that made them disclosable.

² No DPA records qualify for production in this category.

³ Cases are reviewed to determine eligibility for disclosure in response to requests for specific officer or incident records and global requests for all records that fall within an SB 1421 category.

⁴ Includes 13 global requests for all disclosable records.

⁵ DPA is responding to global requests for all disclosable records and similar voluminous requests on a rolling basis.
