## CITY AND COUNTY OF SAN FRANCISCO

Damali Taylor  
Vice President

---

The San Francisco Police Commission unequivocally condemns the callous murder of George Floyd by police officers in Minneapolis. Like you, we are disgusted. We are grieving.

San Francisco has the opportunity to pave a path for policing that is free of bias and dangerous stereotypes, one that responds with empathy and respect to the communities it serves. These are the goals that have guided and will continue to guide this Commission. We can only hope that this will be a tipping point in America's long history of racial disparities. We can only hope that that poor man did not die in vain.

Sincerely,

Damali Taylor  
Police Commission Vice President
