Congratulations! You are the Best!

Earlier this year, San Francisco magazine's editors were asked to pick the people, places, and things that make the Bay Area the best place to live, work, and play. The votes were tallied and we revealed the top picks in our July 2015 Best of San Francisco magazine issue—we are honored to count you among our Best of Winners for 2015.

Enclosed in this package is a copy of our July "Best Of San Francisco magazine" issue for your reference—we've tagged your mention. We have also included your formal award certificate, as well as an electrostatic window sticker that recognizes you as a 2015 "Best of San Francisco magazine" award winner. We encourage you to display both in a prominent public place to promote your winner status.

If you would like to request an additional copy of the certificate, decal, or a digital file of the 2015 award logo (shown above) to put on your website or in your business newsletter, contact Whitney Blackwell at [wblackwell@modernluxury.com](mailto:wblackwell@modernluxury.com).

Cheers and again, congratulations!
