## **GREETINGS FROM THE MAYOR**

On behalf of the City and County of San Francisco, it is with great pleasure that I introduce the sixth edition of the San Francisco Southeast Sector Resource Directory.

This directory is a gateway into all the Bayview Hunters Point neighborhood has to offer, placing the impressive cultural, civic, and economic institutions right at our fingertips. Awareness of the availability of resources recognized within this publication is key to the maximization of the community's efforts. In my visits to the Bayview Hunters Point neighborhood, I have been witness to an astounding measure of latent potential and vitality that needs to be brought to the forefront of our consciousness. This comprehensive guide to the Southeast Sector Resource Directory contributes monumentally to that very goal.

I commend the Southeast Community Facility Commission for working towards the realizations of our dreams for a more healthy and vibrant San Francisco. Please enjoy the use of this Resource Directory as you pursue your personal goals and visions.

With warmest regards,

## WELCOME ADDRESS

### TOYE MOSES EXECUTIVE DIRECTOR

The Southeast Community Facility Commission (SECF), a division of the Public Utilities Commission (PUC) welcomes you to use our sixth edition of the "San Francisco Southeast Sector Resource Directory." This directory is another way of informing the public of the resources and services available in the Bayview Hunters Point community.

The SECF is community-based/oriented with numerous programs (most programs are non-profit in status—making them affordable to the public). A wide range of assistance in the areas of employment opportunities, tax preparation, and voter registration are also provided.

This being a City structure, the Sunshine Ordinance mandates that public notices are disseminated in time to allow residents an opportunity to attend functions here. Our facility is such that it is centrally located and easily accessible to the public. Outside agencies have utilized our facilities to hold events such as, training workshops/seminars, job/health fairs, election polls, graduation/award ceremonies, etc. Government agencies and Politicians have requested that town meetings be held at our facilities to acquaint the residents of current events; and in times of crisis, to inform the community.

If your business or organization is located in Bayview Hunters Point, please review your listing and inform us of any changes and/or suggestions. If your listing has been omitted, let us know. A page in the back is provided for your convenience. We hope this resource will be a helpful mechanism in linking the community with its services, and we look forward to serving you.

Sincerely,

  
Toye Moses  
Executive Director

### **A MESSAGE FROM YOUR SUPERVISOR**

On behalf of the City and County of San Francisco, I am excited to present the sixth edition of the San Francisco Southeast Sector Resource Directory.

The directory strives to connect our neighbors with the services and institutions that exist to serve us all and to inform us of the opportunities provided by our neighbors. Our progress toward these two goals, connection and information, will be integral to the success of our community.

Our local businesses and community-based organizations are only as strong as our connections to each other. We need to continue to strengthen our connections to our local businesses, facilitate access to the advocacy and community-oriented organizations that work so hard to lift up our communities, and become more aware of and active with our local political issues.

The Southeast Community Facility Commission's effort to compile the resource directory is indicative of the hard work, creativity, and energy that so many individuals and organizations bring to our community. Their work to create the directory is just the beginning of a process that will see our neighborhoods grow more prosperous, harmonious, and safe. The next step is for each of us to become familiar with its pages and with all the great things our neighborhood has to offer.

Let's do this!

## MESSAGE FROM YOUR COMMISSION PRESIDENT

**Willie B. Kennedy**

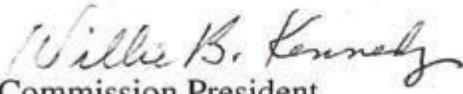

Dear San Franciscans:

On behalf of the City and County of San Francisco, I am proud to introduce the sixth edition of the San Francisco Southeast Sector Resource Directory.

This Resource Directory has been carefully put together and printed for your use. The directory provides names and contacts for the numerous businesses in the San Francisco Southeast Sector. It will serve as a reference tool for the community and local businesses. It also brings attention to the once neglected community that has served the city and the community with dignity and provides many resources for the continued development of the San Francisco Southeast Sector of our great city.

I commend the Southeast Community Facility Commission for working towards the realization of our dreams for a more healthy and vibrant San Francisco. Please enjoy the use of this Resource Directory as you pursue your personal goals and visions.

Warmest Regards,

## **BACKGROUND HISTORY**

The Southeast Community Facility Commission (SECFC) was established by the City as a mitigation measure in return for the Bayview Hunters Point (BVHP) community's acceptance of the Southeast Water Treatment Plant in the midst of their neighborhood. The operation of the SECF is intended to further the gainful employment of residents in the BVHP community; create opportunities for them to participate in educational programs; establish and expand opportunities for children's daycare; and provide information and resources for the enhancement and growth of the community as a whole.

The Southeast Community Facility Commission was established in 1987 by ordinance of the San Francisco Board of Supervisors. The members of the Commission are appointed and serve under the leadership of the Mayor. The purpose of the Commission is to review and provide guidance regarding the operations of the SECF and other facilities under its jurisdiction. Their goal is to promote and advocate special services for the improvement of the general economic, health, safety and welfare of residents in the southeastern sector of the City. The SECF Commission continues

to maintain good relations with its residents, community groups, government officials and other neighborhoods in the City.

## **CHAPTER 67**

### **SAN FRANCISCO SUNSHINE ORDINANCE**

**SEC. 67.1. FINDINGS AND PURPOSE.** The Board of Supervisors finds and declares:

- (a) Government's duty is to serve the public, reaching its decisions in full view of the public.
- (b) Commissions, boards, councils and other agencies of the City and County exist to conduct the people's business. This ordinance will assure that their deliberations are conducted before the people and that City operations are open to the people's review.
- (c) Although that is the intent also of California's Ralph M. Brown Act and Public records Act, the people of California have learned from costly experience that every generation of governmental leaders includes officials who feel more comfortable conducting public business away from the scrutiny of those who elect and employ them. New civic issues and new governmental procedures also can erode the public's fundamental rights. Violations of open government principles occur at all levels, from local advisory boards to the highest reaches of the State hierarchy.
- (d) It is time for San Francisco to reaffirm the plain purpose of the State's open government laws and to apply their underlying principles to local circumstances. No law is self-enforcing. Continued vigilance is essential. As government evolves, so must the laws designed to assure that the process remains visible.
- (e) The people of San Francisco want an open society. They do not give their public servants the right to decide what they should know. The public's right to know is as fundamental as its right to vote. To act on truth, the people must be free to learn the truth.
- (f) The sun must shine on all the workings of government so the people may put their institutions right when they go wrong. San Francisco enacts this ordinance to assure that, in general intent as well as in administrative procedure, the people of this City remain in control of the government they created. (Added by Ord. 265-93, App. 8/18/93)

**SEC. 67.7. AGENDA REQUIREMENTS; REGULAR MEETINGS.** ....Know your rights under the Sunshine Ordinance. For more information on your rights under the Sunshine Ordinance or to report a violation of the ordinance, contact the Sunshine Ordinance Task Force. (Added by Ord. 265-93, App. 8/18/93; amended by Ord. 292-95, App. 9/8/95; Ord. 185-96, App. 5/8/96)

## **SEC. 1060.5. DETERMINATION OF APPLICATION FOR A PLACE OF ENTERTAINMENT PERMIT.**

(a) The applicant shall file the application for a Place of Entertainment Permit with the Director. The Director may require that the applicant or the applicant's agent file the application in person. Upon determining that an application is complete, the Director shall accept and file it and shall schedule a public hearing before the Entertainment Commission to determine whether the permit should be granted. The Director shall provide written notice of the hearing to the applicant by mail or to the applicant's agent by personal delivery at least 30 days before the date of the hearing. The Director shall promptly notify the Chief of Police or the Chief's designee in writing of the application and the hearing date and shall promptly transmit a copy of the application, including a copy of the security plan, to the Chief or the Chief's designee. For purposes of this Subsection (a), the Captain for the district where the Place of Entertainment would be located, or the Captain's designee, is deemed the Chief's designee unless the Chief of Police directs otherwise. Any Person may submit a written request to the Director to receive notice of the hearing on a permit application.

(b) (1) The applicant shall cause a notice of the hearing to be conspicuously and continuously posted for at least 30 days before the scheduled hearing date on the premises of the Business. Where the Business is located in a neighborhood-commercial or mixed residential district, as defined in Article 7 and 8 of the San Francisco Planning Code, the applicant shall also make a good faith effort to distribute leaflets at each residence located within 150 feet of the Business, unless the Entertainment Commission finds that a Business located in a district is not likely to significantly generate nighttime noise and traffic to the detriment of residences located in that immediate area. Applicants subject to the requirement of distributing leaflets shall do so at least 30 days before the scheduled hearing date and the distribution shall be done in compliance with the provisions of Article 57 (beginning with Section 184.69) of the San Francisco Public Works Code. The Director shall provide notice of the hearing at least 30 days before the hearing to any Person who has filed a written request for such notice, which notice may be given electronically if the Person has provided electronic contact information, or by mail.

(2) In the event of a continued hearing, the applicant shall cause notice of the continued hearing to be conspicuously and continuously posted on the premises of the Business for at least 10 days before the date of the continued hearing. The Director shall provide notice of the hearing electronically or by mail at least 10 days before the hearing to any Person who has filed a written request for such notice.

(3) The failure of the Director to provide the notice of the hearing to any Person who filed a written request as provided in Subsections (b)(1) and (2) of this Section shall not constitute grounds for invalidation of the actions of the Commission taken at the hearing.

(c) At the hearing on the application, the applicant and any other interested party, including the Police Department or any other public agency, may introduce evidence and present argument relating to the standards for review under Subsection (f) of this Section.

(d) (1) The Entertainment Commission shall hold a hearing and determine whether to grant or deny the permit within 45 City business days of the date that the applicant has submitted a complete application under Section 1060.5(a), except that this 45 day period shall be extended for such period or periods of time that apply under the following circumstances:

(i) If the Entertainment Commission finds that an extension of time is necessary to obtain additional information for its review of the application under the standards set forth in Subsection (f) of this Section, the time period shall be extended for an additional amount of time as the Commission determines appropriate, up to 15 additional days; and

(ii) Upon the applicant's request, the Entertainment Commission shall continue the hearing for an additional period of time to allow the applicant an opportunity to comply with the requirements of this Article, in which case the time period is extended for that additional period; and

(iii) If the applicant fails to post or maintain notice of the hearing, or make a good faith effort to distribute leaflets to residences, as required by Subsection (b) of this Section, the Director shall have the hearing before the Entertainment Commission continued for such period or periods of time that the Director determines necessary for the applicant to comply with the posting requirement, in which case the time period is extended for that additional period or periods of time; and

(iv) If the Director finds that the Commission is unable to meet during the 45 day time period or any permitted time extension due to exigent circumstances, the time period shall be extended until the Commission is able to meet; the Commission shall consider the matter at the first meeting that it conducts following such circumstances.

(e) (1) If the permit applicant has not obtained all permits required for the Business from other City departments by the date of the hearing on the application, the Entertainment Commission may grant a conditional permit pending the issuance of the other required City permits; provided, however, the Commission shall take this action only if sufficient information has been provided to allow for adequate evaluation of the application and if grounds for denial, as set forth in

Subsection (f), are not present. Any permit conditionally granted by the Entertainment Commission under this Subsection(e)(1) may be appealed to the Board of Appeals. Any such appeal shall be filed within 10 days of the decision of the Entertainment Commission's conditionally granting the permit. No Person may operate a Business for which a permit has been conditionally granted unless and until the Person has obtained all permits and authorizations required from other City departments.

(2) If the Entertainment Commission does not grant, conditionally grant or deny the permit for a Place of Entertainment within the time required by Subsection (d)(1) of this Section, including any extensions of time provided for in Subsection (d)(1), the permit sought by the applicant shall be deemed granted, conditioned on the requirements that the Permittee obtain all required permits from other City departments within nine months and comply with all the requirements of this Article. The time by which the Entertainment Commission must act commences on the date that the applicant has filed a completed application under Section 1060.5(a).

(f) The Entertainment Commission shall grant or conditionally grant a permit for a Place of Entertainment pursuant to this Article unless it finds that:

(1) The premises or the proposed operation of the Business does not comply with the health, zoning, fire and safety requirements of the laws of the State of California or ordinances of the City and County of San Francisco applicable to the Business; or

(2) Notwithstanding the mitigation provided under the Security Plan submitted by the applicant, the building, structure, equipment or location of the proposed Business cannot adequately accommodate the type and volume of vehicle and pedestrian traffic anticipated; or

(3) The premises or the proposed operation of the Business lacks adequate safeguards to prevent emissions of noise, glare, dust and odor that would substantially interfere with the public health, safety and welfare or the peaceful enjoyment of neighboring property; or

(4) The permit applicant has not provided a Security Plan that adequately addresses the safety of persons and property and provides for the orderly dispersal of individuals and traffic.

(5) If there is an unresolved citation applicable to the premises that has been issued by a City department, the Entertainment Commission shall not grant the permit without documented authorization from the department that issued the citation.

(6) If the Chief of Police or the Chief's designee, in person at the Entertainment Commission hearing on the permit application or in writing prior to the hearing, objects to the granting of the permit on the basis that the Commission should make one or more of the findings stated in Subsections (f)(1)-(4) above, the Commission may not issue the permit without specifically addressing the objection in writing or on the record, at a Commission meeting, and explaining specifically why the objection does not warrant the finding. This explanation requirement applies but is not limited to objections raised by the Chief or Chief's designee to the adequacy of a proposed security plan. For purposes of this Subsection (f)(6), the Captain for the district where the Place of Entertainment would be located, or the Captain's designee, is deemed the Chief's designee unless the Chief of Police directs otherwise.

(7) The explanation requirement stated in Subsection (f)(6) above also applies to objections raised by other City departments; provided, however, that this Subsection (f)(7) does not diminish the power of other City departments to issue permits or other authorization required for a Business to operate, and does not empower the Entertainment Commission to override a decision by another City department regarding the issuance of a permit or other authorization required for a Business to operate.

(8) When granting a permit, the Commission shall explain in writing or on the record, at a Commission meeting, why it has not made any of the findings stated in Subsections (f)(1)-(4) above.

(9) In considering whether to make any of the findings stated in Subsections (f)(1)-(4) above, the Commission shall consider where relevant the circumstances surrounding any previous denial of a permit application or previous suspension or revocation of a permit, under this Article or Article 15.2, for the same permit applicant or Permittee.

(g) When the Commission grants or conditionally grants a permit, it shall require the applicant as a condition of the permit to comply with the Security Plan that has been approved as provided under this Article. The Commission may impose additional reasonable time, place and manner conditions on the permit. In considering whether to impose said conditions, the Commission shall consider where relevant the circumstances surrounding any previous denial of a permit application or previous suspension or revocation of a permit, under this Article or Article 15.2, for the same permit applicant or Permittee.

(h) If a Permittee has been conditionally granted a permit but has not obtained all of the permits required from other City departments within nine months from the date that the Entertainment Commission conditionally granted the permit, the conditionally granted permit shall expire by operation of law and be void.

Upon determining that an application is complete, the Director shall accept and file it and shall schedule a public hearing before the Entertainment Commission to determine whether the permit should be granted. (b) (1) The applicant shall cause a notice of the hearing to be conspicuously and continuously posted on the premises of the Business for at least 30 days before the scheduled hearing date. The Director shall promptly provide notice of the hearing to any Person who has filed a written request for such notice, which notice may be given electronically if the Person has provided electronic contact information, or by mail.

(2) The Director shall provide a copy of all Limited Live Performance Permit applications and the corresponding public hearing notices within a specified geographic area to any Person who, in writing or by email, requests such and identifies the area. Such applications and notices shall be given at least 30 days prior to the date of the public hearings, or within 5 days after receipt of the request if the request is less than 30 days prior to the hearing.

(3) In the event of a continued hearing, the applicant shall cause notice of the continued hearing to be conspicuously and continuously posted on the premises of the Business for at least 10 days before the date of the continued hearing. The Director shall promptly provide notice of the continued hearing electronically or by mail to any Person who has filed a written request for such notice.

(4) The failure of the Director to provide the notice of the hearing to any Person who filed a written request as provided in Subsections (b)(1) and (2) shall not constitute grounds for invalidation of the actions of the Commission taken at the hearing.

(c) At the hearing on the application, the applicant and any other interested party, including the Police Department or any other public agency, may introduce evidence and present argument relating to the standards for review under Subsection (f).

(d) The Entertainment Commission shall hold a hearing and determine whether to grant or deny the permit within 45 City business days of the date that the applicant has submitted a complete application under Section 1060.5-1(a), 1 except that this 45 day period shall be extended for such period or periods of time that apply under any of the following circumstances:

(1) If the Entertainment Commission finds that an extension of time is necessary to obtain additional information for its review of the application under the standards set forth in Subsection (f) of this Section, the time period shall be extended for an additional amount of time as the Commission determines appropriate, up to 15 additional days.

(2) Upon the applicant's request, the Entertainment Commission shall continue the hearing for an additional period of time to allow the applicant an opportunity to comply with the requirements of this Article, in which case the time period is extended for that additional period.

(3) If the applicant fails to post or maintain notice of the hearing as required by Subsection (b) of this Section, the Director shall have the hearing before the Entertainment Commission continued for such period or periods of time that the Director determines necessary for the applicant to comply with the posting requirement, in which case the time period is extended for that additional period or periods of time.

(4) If the Director finds that the Commission is unable to meet during the 45-day time period or any permitted time extension due to exigent circumstances, the time period shall be extended until the Commission is able to meet; the Commission shall consider the matter at the first meeting that it conducts following such circumstances.

(e) (1) If the permit applicant has not obtained all permits required for the Business from other City departments by the date of the hearing on the application, the Entertainment Commission may grant a conditional permit pending the issuance of the other required City permits; provided, however, the Commission shall take this action only if sufficient information has been provided to allow for adequate evaluation of the application and if grounds for denial, as set forth in Subsection (f), are not present. Any permit conditionally granted by the Entertainment Commission under this Subsection (e)(1) may be appealed to the Board of Appeals. Any such appeal shall be filed within 10 days of the decision of the Entertainment Commission's conditionally granting the permit. No Person may operate a Business for which a permit has been conditionally granted unless and until the Person has obtained all permits and authorizations required from other City departments.

(2) If the Entertainment Commission does not grant, conditionally grant or deny the permit for a Limited Live Performance Locale within the time required by Subsection (d), including any extensions of time provided for therein, the permit sought by the applicant shall be deemed granted, conditioned on the requirements that the Permittee obtain all required permits from other City departments within nine months and comply with all the requirements of this Article. The

time by which the Entertainment Commission must act commences on the date that the applicant has filed a completed application under Section 1060.5-1(a). 1

(f) The Entertainment Commission shall grant or conditionally grant a Limited Live Performance Permit pursuant to this Article unless it finds that:

(1) The premises or the proposed operation of the Business does not comply with the health, zoning, fire, and safety requirements of the laws of the State of California or ordinances of the City and County of San Francisco applicable to the Business; or

(2) The establishment does not qualify as a Limited Live Performance Locale as defined in Section 1060(r); or

(3) The presentation of Live Performances at the Limited Live Performance Locale will (i) generate the type and volume of vehicle and pedestrian traffic that will cause substantial congestion, (ii) adversely affect the safety and security of persons, (iii) impede the orderly dispersal of individuals and traffic, or (iv) otherwise substantially interfere with the public health, safety, and welfare or the peaceful enjoyment of neighboring property due to excessive noise or any other factor. The Commission may impose conditions on the permit, including a security plan or time, place, and manner restrictions, if necessary and appropriate to guard against these adverse effects. The Limited Live Performance Permit is subject to Article 29 of the Police Code, regulating noise.

(g) If there is an unresolved citation applicable to the premises that has been issued by a City department, the Entertainment Commission shall not grant the permit without documented authorization from the department that issued the citation.

(h) In considering whether to make any of the findings stated in Subsections (f)(1)-(3), or to impose conditions on a Limited Live Performance Permit, the Commission shall consider where relevant the circumstances surrounding any previous denial of a permit application or previous suspension or revocation of a permit, under this Article or Article 15.2, for the same permit applicant or Permittee.

(i) If a Permittee has been conditionally granted a permit but has not obtained all of the permits required from other City departments within nine months from the date that the Entertainment Commission conditionally granted the permit, the conditionally granted permit shall expire by operation of law and be void.

(a) **GROUNDS FOR SUSPENSION.** The Director may suspend any permit issued under this Article for a period of up to seven days if the Director determines, after providing the Permittee and the Manager at least five days written notice and an opportunity to respond, that any of the circumstances set forth in Subsections (a)(1), (2), or (3) of this Section has occurred. Each order of limited suspension may include multiple violations under Subsections (a)(1), (2), or (3) of this Section. The Director shall provide the written notice required under this Subsection either by mail and electronically or by personal delivery.

(1) The Business has exceeded the allowable noise emissions under Section 49 or Article 29 of the San Francisco Police Code, or as required under any condition imposed on the permit, on three separate days within a three month time period. The Director may suspend a permit under this Subsection (a)(1) only if:

(2) The Permittee or any employee or agent of the Permittee has engaged in Conduct that Constitutes a Nuisance or the Permittee has failed to take reasonable steps within the Permittee's control to halt another Person from engaging in Conduct that Constitutes a Nuisance. "Conduct that Constitutes a Nuisance" as defined in Section 1060(d), means any conduct that would constitute a violation of the following laws: assault and battery (Cal. The order shall state the date that the order issued and the date that it takes effect. To provide the Permittee with an opportunity to file an appeal to the Entertainment Commission, an order of limited suspension shall not take effect for at least five City business days from the date that the Director issues the order.

(2) A Permittee may appeal an order of limited suspension to the Entertainment Commission by filing with the Commission Secretary a written request for review within five City business days of the date that the Director has issued the order. The filing of an appeal stays the order pending the Commission's decision. If a Permittee withdraws the appeal, the Director's order shall no longer be stayed and shall take effect on the date of the withdrawal or the date that the order was to take effect, whichever is later.

(3) The Commission may affirm, overturn, or modify the Director's order. When the Commission affirms or modifies the Director's order, the order takes effect the day following the day of the hearing at which the Commission made its determination.

(4) If the Permittee does not file a timely appeal of the Director's order, the order shall take effect the day after the time to appeal has expired or the effective date set forth in the order, whichever is later; provided, however, that the Director and the Permittee may agree in writing to an earlier effective date.

(5) The Entertainment Commission may adopt a regulation establishing a procedure which would allow the Director or the Commission, or both, to stay and vacate an order of limited suspension if the Permittee submits and complies with a plan to address the problems that gave rise to the suspension.

(c) The Director shall initiate suspension proceedings before the Commission under Section 1060.20.1 against any Business that is suspended by the Director under this Section three times in any twelve-month period. For purposes of this Subsection (c), "suspended by the Director" includes a suspension affirmed in whole or part or modified by the Commission if appealed pursuant to Subsection (b)(2) but does not include a suspension overturned by the Commission on appeal. This Subsection (c) shall not in any way preclude the Commission from otherwise exercising its authority to suspend a Business under Section 1060.20.1, or preclude the Director or Chief of Police or Chief's designee from initiating a suspension proceeding under Section 1060.20.1.

(d) **POLICE DEPARTMENT RECOMMENDATION OF LIMITED SUSPENSION BY THE DIRECTOR.** The Chief of Police, or the Chief's designee, may recommend to the Director, orally or in writing, that the Director suspend a permit in accordance with the grounds for suspension stated in Subsection (a) above. If the recommendation is oral, it shall later be reduced to writing and filed with the Director when time permits. If the Director fails to follow the oral or written recommendation, the Director shall report to the Entertainment Commission both the recommendation and the reason or reasons for not following the recommendation. This report shall occur at the next regular Commission meeting subsequent to the recommendation, consistent with the provisions of the Brown Act and Sunshine Ordinance. For purposes of this Subsection (d), the Captain for the district where the Place of Entertainment is located, or the Captain's designee, is deemed the Chief's designee unless the Chief of Police directs otherwise.

This Subsection (d) shall not preclude any Police Officer from recommending to the Director that the Director suspend a permit in accordance with the grounds for suspension stated in Subsection (a) above.

Penal Code §§ 415, 416, 417); unlawful threats (Cal. Penal Code § 422); a violent felony warranting enhancement of a prison term (Cal. Penal Code § 667.5); criminal gang activity (Cal. Penal Code § 186.22); or

(ii) The Permittee has failed to take reasonable steps within the Permittee's control and within the limits of the law to halt the conduct of another Person that would constitute a violation of any law described in Subsection (a)(1)(i) of this Section.

(b) **NOTICE OF PROPOSED ORDER.** The Director shall provide the written notice required under Subsection (a) of this Section to the Permittee and the Manager by personal delivery and electronically.

(c) **EFFECTIVE DATE AND TIME OF ORDER.** The order of suspension for public safety issued under this Section shall take effect at the date and time stated in the order.

(d) **DIRECTOR MAY VACATE ORDER.** The Director may vacate an order of suspension for public safety if the Director determines that operation of the Business before expiration of the suspension order will not pose a danger to the public because additional information demonstrates that the conduct was not related to the operation of the Business, the Permittee has taken adequate steps to correct the problem giving rise to the suspension, or other circumstances warrant such action.

(e) **POLICE DEPARTMENT RECOMMENDATION OF SUSPENSION FOR PUBLIC SAFETY.** The Chief of Police, or the Chief's designee, may recommend to the Director, orally or in writing, that the Director suspend a permit for public safety in accordance with the grounds for suspension stated in Subsection (a) above. If the recommendation is oral, it shall later be reduced to writing and filed with the Director when time permits. If the Director fails to follow the oral or written recommendation, the Director shall report to the Entertainment Commission both the recommendation and the reason or reasons for not following the recommendation. This report shall occur at the next regular Commission meeting subsequent to the recommendation, consistent with the provisions of the Brown Act and Sunshine Ordinance. For purposes of this Subsection (e), the Captain for the district where the Place of Entertainment is located, or the Captain's designee, is deemed the Chief's designee unless the Chief of Police directs otherwise.

This Subsection (e) shall not preclude any Police Officer from recommending to the Director that the Director suspend a permit for public safety in accordance with the grounds for suspension stated in Subsection (a) above.

#### **SEC. 1060.20.4. REVOCATION OF A PERMIT.**

(a) **Grounds for Revocation.** The Entertainment Commission may revoke any permit issued under this Article if it determines after a public hearing that any of the following conditions exist:

(1) The Permittee has knowingly made any false, misleading, or fraudulent statement of material fact or has knowingly omitted a material fact in the application for a permit .

(2) The Permittee has failed to pay any fee or charge required under this Article.

(3) The Permittee has failed to surrender the permit as required by Section 1060.24(b).

(4) One or more of the grounds for suspension enumerated in Section 1060.20.1(a) applies, and considerations of public safety warrant revocation of the permit. For purposes of this provision, "considerations of public safety" means a substantial risk of physical harm or injury to individuals. In determining whether considerations of public safety warrant revocation, the Commission shall evaluate the likelihood and seriousness of the threat to public safety that continued operation of the Business under the permit presents. In making its determination, the Commission shall consider the following factors: (i) the history of violence and other public safety problems associated with the operation of the Business; (ii) a pattern of the Permittee's noncompliance with Security Plan requirements imposed by law or as a condition of the permit; (iii) the frequency of the Permittee's violations of other provisions of law or permit conditions, which violations have contributed to violence or other public safety problems associated with the operation of the Business; (iv) the degree to which the Permittee's action or inaction has been responsible for violence and other public safety problems associated with the operation of the Business; and (v) the degree to which the City, through the Entertainment Commission, Director, Police Department, or otherwise, has notified the Permittee of violence or other public safety problems associated with the operation of the Business and/or of the need to take action to reduce such problems, and the promptness and efficacy of the Permittee's responses.

(5) One or more of the grounds for suspension enumerated in Section 1060.20.1(a) applies, and revocation is warranted because the problems that those grounds have created have been serious and continuing, and the action or inaction of the Permittee contributing to those problems has been persistent; provided, that the circumstances warranting revocation under this provision would constitute a public nuisance within the meaning of Section 3480 of the California Civil Code.

(b) **Hearing by Commission.** The Entertainment Commission shall give the Permittee and the Manager written notice of a hearing to determine whether to revoke a permit. The notice shall set forth the grounds for the proposed revocation and the date, time and location of the hearing.

(c) **Application for Permit After Revocation.** The revocation of a permit under this Article shall not preclude the Permittee from applying for a new permit under this Article, except that, notwithstanding any other provision of law, including but not limited to Sections 1060.5(f) and 1060.5.1(f), revocation under Section 1060.20.4(a)(4) or Section 1060.20.4(a)(5) shall render the Permittee ineligible to apply for a new permit under this Article for one year from the date of revocation.

(d) When considering whether to revoke a permit under this Article, the Commission and the Director shall consider any previous denial of a permit application or previous suspension or revocation of a permit, under this Article or Article 15.2, for the same permit applicant or Permittee when the circumstances warranting the previous action are relevant to the current determination.

The Director shall approve the application unless he or she determines that denial is warranted under any of the grounds set forth in Section 1060.5(f) or 1060.5.1(f) and shall notify the Permittee and Manager of the approval electronically and either by mail or personal delivery.

(f) If the Director determines that disapproval of the application may be warranted under Section 1060.5(f) or 1060.5.1(f), the Director shall schedule a hearing on the matter for the next regularly scheduled meeting of the Entertainment Commission. The Director shall promptly provide written notice of the hearing to the Permittee and the Manager by mail and electronically.

## **SEC. 1060.29. ONE TIME EVENT PERMIT.**

(a) This Section provides a procedure for permitting a Person to conduct, maintain, promote or sponsor Entertainment on the premises specified in the One Time Event Permit for a limited number of one-day occurrences in a 12-month period, including operation between 2:00 a.m. and 6:00 a.m. No Person shall conduct, maintain, promote or sponsor Entertainment between 2:00 a.m. and 6:00 a.m. without a One Time Event Permit or an Extended-Hours Premises Permit. One Time Event Permits may be issued for a premises for which a Place of Entertainment Permit has been issued, but for which no Extended-Hours Premises Permit has been issued, when the applicant proposes operating between 2:00 a.m. and 6:00 a.m. Nevertheless, the One Time Event Permit is not intended to function as a routine substitute for a Person's securing either the Place of Entertainment Permit or the Extended-Hours Permit when the Person's course of conduct indicates that either or both of those permits would be more appropriate to seek. For purposes of One Time Event Permits, the word "premises" means the area or structure where the event for which a permit is sought occurs.

(b) Except as otherwise provided in this Section, the Director may issue One Time Event Permits and applicants may appeal the Director's denial of an application to the Entertainment Commission.

(c) Each One Time Event Permit shall issue for no longer than one 24-hour period. One Time Event Permits may not be issued for the same premises for consecutive 24-hour periods without a six-hour break between the end time for the first permit and the start time for the second permit. If a One Time Event Permit includes permission to operate between 2:00 and 6:00 a.m., another One Time Event Permit for the same premises later that calendar day may not authorize commencement of operations before 12:00 noon.

(d) There shall be no limit on the number of One Time Event Permits a Person may obtain, provided that no more than one permit per month is issued for the same premises. Notwithstanding this restriction. One Time Event Permits may be issued for events that will occur on consecutive days on the same premises or on non-consecutive days within a ten-day period on the same premises, but shall not issue permits allowing events to occur for more than 12 days on the same premises within any twelve-month period.

(e) A Person may obtain more than one One Time Event Permit for the same day. In such an instance, in considering whether to grant the permit(s) and/or place conditions on the permit(s), the Director or Entertainment Commission as appropriate under the procedures of this Section, shall give heightened scrutiny to each permit application to ensure that the legal standards for granting the permit(s) are met and to determine what conditions, if any, may be appropriate to place on the permit(s). In addition, if the applicant submits an application for more than one One Time Event Permits for the same day less than 40 days prior to the day of the event, the Director or Entertainment Commission may disapprove the application(s) on the ground that the applicant filed too late to provide adequate time to evaluate the application(s) so as to determine whether the permit(s) should be granted and/or whether conditions should be placed on the permit(s).

(f) The One Time Event Permit shall be subject to reasonable time, place, and manner conditions, including but not limited to conditions on amplified sound, in-and-out privileges, admission of minors, and lighting of the premises.

(g) Every Person seeking a permit pursuant to this Section shall file an application with the Director no less than seven days before the proposed event and shall pay the filing fee provided in Section 2.26 of this Code. The applicant shall submit a proposed Security Plan and any other information required for applications under Section 1060.5 as the Director may require. For events taking place in an outdoor area or in both a structure and an outdoor area, the Security Plan shall include additional security personnel to provide adequate security, as determined by the Director, in consultation with the San Francisco Police Department, given the size and nature of the outdoor space. The Director shall send the application no later than seven days before the date of the proposed event to those City departments with jurisdiction over the matter, including, as appropriate, the San Francisco Police Department, Fire Department, Department of Building Inspection, and Department of Public Health. These departments shall complete all necessary inspections and report their determinations to the Director within three City business days of receiving the application. In addition, the Director shall send all applications to the San Francisco Police Department for such input from the Police Department as it deems appropriate.

(h) An applicant for a One Time Event Permit who files an application at least 40 days before the date of the proposed event shall have the right to appeal the Director's denial of the application to the Entertainment Commission. The Director shall act on applications filed at least 40 days before the event within a time period that allows for an appeal to the Commission. Applicants who do not file at least 40 days before the proposed event shall have no right to appeal a denial of the application to the Entertainment Commission unless the Commission has sufficient time to schedule and provide notice of the hearing on the matter for a regularly scheduled meeting. When an applicant files an application less than 40 days before the proposed event, the Director shall inform the applicant that there may be insufficient time for the applicant to appeal the Director's denial to the Commission.

(i) The Director shall review applications for a One Time Event Permit according to the standards set forth in Section 1060.5(f) and shall grant a permit unless the Director finds that the application was filed less than seven days before the proposed event, denial is warranted under any of the grounds set forth in Section 1060.5(f), or another application has been submitted and a permit issued for the same premises during the same time period. The Director shall decide whether to grant or deny a complete application promptly after the date by which other City departments are required to report on the proposed application under Subsection (e). If another application has been submitted for the same time and place and is still pending, the Director shall deny the application unless the applicant requests that it remain open until the Director has determined whether to grant or deny any earlier-filed application. When multiple applicants submit complete applications for the same time and place, the Director shall make determinations on them in the order in which they were received.

(j) If the permit is denied, the Director shall state in writing the reason for the denial and shall notify the applicant of the determination electronically and either by mail or personal delivery. The Director shall have the discretion to submit any application to the Entertainment Commission for its determination whether to grant or deny a One Time Event Permit under the provisions of this Section.

(k) The applicant may appeal the Director's decision to the Entertainment Commission by filing a written request for review within five City business days of the Director's decision. The Commission shall hear and decide the appeal as expeditiously as possible, but in no event later than 21 days after the date that the applicant filed the appeal. If the applicant has filed the application less than 40 days before the proposed event and the Commission does not have sufficient time to provide the required public notice of the appeal for a regularly scheduled meeting, the Commission is not required to consider the matter.

(l) When granting a permit, the Director or Entertainment Commission as appropriate under the procedures of this Section, shall require the applicant as a condition of the permit to comply with the approved Security Plan. Notwithstanding the definition of Security Plan in Section 1060(n), the Security Plan for a One Time Event Permit shall provide at least one Security Guard for every 100 individuals authorized by the Occupancy Permit. If after approving a Security Plan, the Director receives additional information that reasonably demonstrates that the Security Plan is inadequate, the Director may require the Permittee to make revisions to the Security Plan for the purpose of addressing the safety of persons and property.

(m) One Time Event Permits are not transferable. The Permit is valid only for the Person to whom it is issued for the premises specified in the permit.

(n) An applicant may seek immediate judicial review of an adverse decision by the Director under this Section pursuant to California Code of Civil Procedure Section 1085 or Section 1094.8, as these provisions may be amended, including any successor provisions, or any other procedure provided by law. The applicant may, but is not required to, exhaust his or her administrative remedies before the Entertainment Commission and Board of Appeals.

(Added by Ord. 262-04, File No. 041148, App. 11/4/2004; Ord. 239-09, File No. 080323, App. 11/20/2009)

## **SEC. 1060.29.1. SPECIAL PERMIT PROCEDURE FOR ONE TIME EVENTS FOR DESIGNATED DAYS.**

(a) The City has experienced difficulties meeting its basic duty to provide police, fire and emergency medical services (all "essential services") throughout the City on those occasions such as New Year's Eve, Halloween and the 4th of July where multiple simultaneous or overlapping events attract large crowds. The Board of Supervisors finds that the adoption of a special permit procedure for the review and processing of applications for One Time Events permits for these occasions will help ensure sufficient essential services to protect the safety of all residents of and visitors to the City, while accommodating special events to the extent consistent with the City's basic public safety obligations. By authorizing the adoption of a special permit procedure, the Board intends to encourage applicants to apply for One Time Events Permits sufficiently in advance of the event to enable the City to plan for the provision of essential services. Applicants who apply later may have to bear the additional cost of increased security that the City could have avoided with more advance notice. In addition, the Board is

authorizing the Commission to place reasonable limits on the number of One Time Event Permits issued on these designated days to the extent that the Commission determines necessary to ensure public safety.

(b) The Entertainment Commission may adopt a special permit procedure for One Time Events occurring on those designated days for which the Commission finds a substantial risk that the approval of multiple, simultaneous or overlapping One Time Events would (i) require the diversion of so great a number of Police Officers to police the events as to prevent adequate police protection to the rest of the City or (ii) result in a concentration of persons and vehicles that would unduly interfere with the proper delivery of essential services in the City. In making this determination, the Commission shall consider the need for the delivery of essential services both on the day of the event and until 6:00 a.m. the next day.

(c) If the Entertainment Commission elects to adopt a special permit procedure under this Section, it shall first consult with the San Francisco Police Department.

(d) This Section empowers the Entertainment Commission to designate no more than 12 days in a calendar year when the special permit procedure shall apply to applications for One Time Event Permits.

(e) The Commission must adopt the procedure for each calendar year no later than November 1 of the preceding year. The Commission may adopt a procedure for multiple calendar years, in which case it may amend the procedure so long as it acts no later than November 1 preceding January 1 of the year to which the amended procedure applies.

(f) The provisions of this Section supplement those set forth in Section 1060.29. Under the special permit procedure authorized under this Section, the following additional provisions apply:

(1) For applications filed 40 days or more before the proposed event, the Commission may not disapprove the application on the ground that the City does not have adequate time to plan for the provision of essential services, although the Commission may disapprove an application under Subsection (f)(3) of this Section.

(2) For applications filed less than 40 days before the proposed event, the Commission may

(A) Impose conditions on the permit that would not have been necessary had the applicant given the City more time to prepare for the delivery of essential services for the event and for the City as a whole on the day of the event. The conditions may require the applicant to bear additional costs for increased security, including requiring the applicant to hire and deploy Security Guards or implement other security measures for increased crowd control purposes and for monitoring to detect and stop illegal or dangerous behavior in connection with the event; or

(B) Disapprove the application on the ground that the applicant filed too late to give the City adequate time to plan for the provision of essential services for the day of the event without compromising the safety and security of the rest of the City where alternative conditions cannot sufficiently mitigate the public safety and security problems that the event poses.

(3) The Commission may disapprove an application for a One Time Event Permit for events proposed for one of the days designated under this Section, irrespective of the date of the filing, where (i) the conduct of the event, when considered in light of all other events occurring on the day of the event, will require the diversion of so great a number of Police Officers to properly police the event as to impair the capacity of the City to provide adequate police protection to the rest of the City and (ii) the Commission is unable to fashion conditions with which the applicant must comply that will address the public safety and security problems that the event poses. In considering whether to disapprove an application, the Commission may consider the number, size, and geographic concentration of proposed One-Time Events for the designated day. For purposes of this Subsection (f)(3), the "day of the event" includes until 6:00 a.m. after the designated day.

(g) The special permit procedure may limit the number of permits issued for the designated days when the Commission finds a substantial risk that approval of all applications for One Time Events for that day would (i) require the diversion of so great a number of Police Officers to properly police all the events as to prevent adequate police protection to the rest of the City and (ii) the Commission is unable

to fashion conditions with which the applicant must comply that will address the public safety and security problems that the event poses. In considering whether to limit the number of permits issued for a designated day, the Commission may consider the number, size, and geographic concentration of proposed One-Time Events for the designated day. If the Commission limits the number of permits, the Commission may authorize approval of applications on a first-come first-served basis, selection by lottery, or other method that is objective and fair and unrelated to the content of the Entertainment provided. In addition, the Commission may include a schedule of limits that vary depending on the size and location as they affect congestion that could impede prompt delivery of essential services.

(h) The authority to impose conditions on days designated by the Commission under this Section includes the authority to require Permittees to comply with the conditions both on the designated day and until 6:00 a.m. the next day.

(i) The Commission shall provide at least 10 days notice of the hearing to adopt or amend the special permit procedure. The Commission may provide notice electronically to Businesses then operating under a permit issued by the Commission and may, in addition, provide such additional notice as it deems best calculated to reach the entertainment community.

(j) The Director shall post on the Commission's website the special permit procedure adopted by the Commission. The Director may also provide notice electronically to Businesses then operating under a permit issued by the Commission and such other notice that the Director determines is best calculated to reach the entertainment community.

(k) The Entertainment Commission may delegate to the Director the authority to exercise all powers that this section creates except the power to adopt and amend a special procedure for One Time Event permits for designated days.

### **SEC. 1060.30. PLACE OF ENTERTAINMENT PERMITTEES REQUIRED TO REPORT CERTAIN INFORMATION.**

(a) Every Place of Entertainment Permittee shall provide written notice to the Entertainment Commission within 30 days after any of the following occurs:

(1) Criminal charges, complaints or indictments for those persons described in Section 1060.3 (b), (c), (e) and (f) occurring after the filing of the permit application to the extent that they fall within the categories specified in Subsections (j), (k) and (l) of Section 1060.3.

(2) Criminal charges, complaints or indictments for any individual that the Permittee designates as Manager occurring after the filing of the permit application to the extent that they fall within the categories specified in Subsections (j), (k) and (l) of Section 1060.3.

(b) Every Person holding a Place of Entertainment Permit, other than a publicly traded corporation, shall maintain a record of the name and address of every Person who directly or indirectly owns or controls 10% or more of the assets, ownership interests or voting interests in the Person holding the Permit, which shall be known as a "record of principal owners," and shall make the information available to the Entertainment Commission upon request. Every Person subject to this Subsection (b) shall report any change to the record of principal owners within 30 days of the transaction that effects the change. A "publicly traded" corporation is a company that has issued securities through an initial public offering which are traded on at least one stock exchange or over-the-counter market.

### **SEC. 1060.31. APPROVAL REQUIRED FOR SECURITY PLANS.**

(a) Every Place of Entertainment shall have a Security Plan, as defined in Section 1060(n), that has been approved by the Entertainment Commission or the Director, as required by this Article. Compliance with the Security Plan approved under this Article is a condition of the permit.

(b) As of the effective date of this Section, the Entertainment Commission shall not approve any permit or other application relating to a Place of Entertainment unless the applicant has a Security Plan that has been approved by the Commission or the Director as provided in this Article. The Security Plan shall meet the minimum requirements of Section

1060(n) and any implementing rules and regulations. The Commission shall disapprove any Security Plan that it determines does not adequately address the safety of persons and property and provide for the orderly dispersal of persons and traffic, notwithstanding the compliance of the proposed Security Plan with the minimum requirements of Section 1060(n).

(c) Every Place of Entertainment Permittee that does not have a Security Plan approved by the Entertainment Commission on the effective date of this Section shall submit a proposed Security Plan to the Director.

(1) The Director shall mail notice of the requirements of this Section to each Permittee that does not have a Security Plan approved by the Entertainment Commission on the effective date of this Section.

(2) Each Permittee shall submit a proposed plan no later than 30 days from the date of the Director's notice. Upon receiving a proposed plan, the Director shall send a copy to the San Francisco Police Department, which shall have 10 City business days to review and make recommendations to the Director.

(3) The Director shall review each proposed plan and, after reviewing any recommendations submitted by the San Francisco Police Department, shall approve or disapprove it. When disapproving a proposed plan, the Director shall notify the Permittee what changes are required to obtain approval.

(4) If the Director disapproves the plan submitted by the Permittee, the Permittee may appeal the Director's determination to the Entertainment Commission by submitting a written appeal to the Secretary of the Commission within ten days of the Director's disapproval. Upon receiving an appeal, the Commission shall promptly notify the San Francisco Police Department. When acting on an appeal, the Commission may approve, overturn or modify the Director's determination. If the Commission overturns the Director's order, the Permittee shall comply with the Security Plan as submitted to the Director under Subsection (c). If the Commission modifies the order, it shall set forth any changes to the plan that the Permittee shall be required to make and the Permittee shall comply with the Security Plan required by the Commission.

(5) If the Commission approves the Director's order or if the Permittee does not appeal the Director's disapproval of the proposed plan, the Permittee shall comply with the Security Plan that includes the revisions required by the Director under Subsection (c)(3) of this Section.

(6) The Permittee has 90 days from the date of the Director's notice under Subsection (c)(1) of this Section to gain approval of the Security Plan from the Director or the Commission in accordance with the procedures stated in Subsections (c)(1)-(5) of this Section.

(d) The Entertainment Commission may suspend a Place of Entertainment permit as set forth in Section 1060.20.1(a)(5) if the Permittee has failed to submit a proposed Security Plan.

(e) The Commission may suspend a Place of Entertainment permit as set forth in Sections 1060.20.1(a)(5) and 1060.20.1(a)(6) for failure to comply with the plan as required under this Article.

(f) The suspension of a permit for violation of this Section may be appealed to the Board of Appeals as provided in Section 1060.24.2.

(g) For the purpose of calculating compliance with the component of a Security Plan that requires a ratio of one Security Guard to a specific number of individuals, a Security Guard may be counted toward the ratio for only one Place of Entertainment at any one time. This calculation rule applies whether the required ratio of Security Guard to individuals is based solely on the definition of Security Plan in Section 1060(n), is otherwise required by this Article, or is a condition of the Place of Entertainment permit.

(h) Where the Chief of Police or the Chief's designee, with the concurrence of the Director, determines that the public safety will not be advanced by enforcing on a particular Business with a Place of Entertainment Permit the requirement stated in Section 1060(n) that on Thursday and Sunday evenings there be a Security Guard for every 100 individuals authorized by the Occupancy Permit, the Chief or Chief's designee or the Director may notify the Permittee in writing that that Security Guard ratio based on Occupancy Permit shall not be required for that Business on Thursday and/or Sunday evenings. Such a determination may be based on all relevant factors, including but not limited to the past operation of the Business or related Businesses, but may not be based on the content of constitutionally protected expression or entertainment. Such a determination creates no vested right on the part of the affected Business to an exemption from the Thursday/Sunday requirement of one Security Guard per 100 individuals authorized by the Occupancy Permit, and said determination may be changed at any time by the Chief of Police or the Chief's designee, or by the Director, upon written notice to the Permittee. For purposes of this Subsection (h), the Captain for the district where the Business is located, or the Captain's designee, is deemed the Chief's designee unless the Chief of Police directs otherwise.

## **SEC. 1060.32. DIRECTOR MAY REQUIRE A PERMITTEE TO COMPLY WITH A REVISED SECURITY PLAN.**

(a) Notwithstanding a Security Plan's compliance with the minimum requirements of Section 1060(n) and prior approvals under this Article, after consulting with the San Francisco Police Department, the Director may issue an order

directing a Permittee to comply with a revised Security Plan by directing such revisions as the Director reasonably determines will address the safety and traffic concerns that arise in either of the following circumstances:

(1) Conduct Constituting a Nuisance, as defined in Section 1060, has occurred on the premises of, or on Any Sidewalk Abutting the Premises of, the Business; or

(2) The Security Plan for the Place of Entertainment is inadequate to address safety or traffic concerns.

(b) The Director shall send the order to the Permittee setting forth the date of issuance of the order and its effective date. The Director shall send this order to Permittee and the Manager electronically and by mail or personal delivery.

(c) To provide the Permittee an opportunity to file an appeal, the Director's order shall not take effect for ten City business days from the date that the order issues. Any Permittee directed to comply with a revised Security Plan under this Section may appeal the Director's decision within ten City business days of the date that the order issues by filing a written request for review with the Secretary of the Entertainment Commission. The Permittee shall not be required to comply with the Director's order pending the Commission's action on the matter. If the Permittee withdraws the appeal, the order of the Director shall take effect immediately upon the withdrawal of the appeal or upon the effective date of the Director's order, whichever is later.

(d) When acting on the appeal, the Entertainment Commission may affirm, overturn or modify the Director's order.

(1) If the Commission modifies the Director's order, it shall set forth any revisions to the plan that the Commission deems appropriate to address traffic and safety problems related to operation of the Business.

(2) If the Commission approves the Director's order, the Permittee shall comply with the revised Security Plan as directed by the Director under Subsection (a) of this Section.

(e) The Commission may suspend a permit as provided in Section 1060.20.1(a)(6) if the Permittee fails to comply with the revised Security Plan as required under this Section.

(f) The suspension of a permit for non-compliance with this Section may be appealed to the Board of Appeals, as provided in Section 1060.24.2.

(g) Permittees are required to have Security Plans that meet the minimum requirements of Section 1060(n). Nothing in this Section or any other provision of this Article authorizes either the Director or the Entertainment Commission to require or permit any Permittee to operate under a Security Plan that does not meet the minimum requirements.

(Added by Ord. 239-09, File No. 080323, App. 11/20/2009)

### **SEC. 1060.33. ADOPTION OF REGULATIONS.**

The Entertainment Commission may adopt regulations implementing the provisions of this Article and Article 15.2 (Extended-Hours Premises Permits), including regulations governing the procedure for hearings before the Commission. (Added by Ord. 239-09, File No. 080323, App. 11/20/2009)

### **SEC. 1060.34. REGULATIONS AS TO SECURITY PLANS.**

(a) The Entertainment Commission, in consultation with the San Francisco Police Department, shall develop rules and regulations governing Security Plans under this Article and Article 15.2, which shall address the number of Security Guards required to protect the public safety in light of the number and placement of exits on the premises of a Business.

(b) Notwithstanding the definition of "Security Plan" in Section 1060(n) of this Article and Section 1070(o) of Article 15.2, the Entertainment Commission, in consultation with the Police Department, may adopt a rule, applicable in those areas of the City where a conditional use authorization is required for a late night use, requiring that on Mondays, Tuesdays, and/or Wednesdays from 9:00 p.m. until closing (including early morning hours the following day), the Security Plan provide at least one Security Guard for every 100 individuals authorized by the Occupancy Permit during Entertainment events on the premises of the Business. In addition, notwithstanding the aforementioned definitions of "Security Plan," the Entertainment Commission, in consultation with the Police Department, may adopt a rule, applicable in any or all areas of the City, that on one or more designated days of the year or on particular days of the week, the Security Plan provide at least one Security Guard for every 100 individuals authorized by the Occupancy Permit during Entertainment events on the premises of the Business. In deciding whether to adopt a rule pursuant to this Subsection (b), the Commission shall consider all relevant factors, including but not limited to the expected attendance at Entertainment events on the premises of Businesses that would be affected by the rule on the days covered by the rule, past or anticipated problems with providing security at such events on those days, enforcement problems that may arise in the absence of the rule, and the anticipated economic impact of the rule on Permittees. This Subsection (b) does not limit or diminish the Commission's powers under Section 1060.29.1 of this Article.

If the Entertainment Commission pursuant to this Subsection (b) adopts a rule covering Mondays, Tuesdays, and/or Wednesdays, the Chief of Police or the Chief's designee, with the concurrence of the Director, may determine that the public safety will not be advanced by enforcing on a particular Business with a Place of Entertainment Permit or Extended Hours

Premises Permit the requirement that on some or all of those evenings there be a Security Guard for every 100 individuals authorized by the Occupancy Permit. Where such a determination is made, the Chief or Chief's designee or the Director may notify the Permittee in writing that that Security Guard ratio based on Occupancy Permit shall not be required for that Business on Monday, Tuesday, and/or Wednesday evenings. Such a determination may be based on all relevant factors, including but not limited to the past operation of the Business or related Businesses, but may not be based on the content of constitutionally protected expression or entertainment. Such a determination creates no vested right on the part of the affected Business to an exemption from the requirement imposed by the rule of one Security Guard per 100 individuals authorized by the Occupancy Permit on Monday, Tuesday, and/or Wednesday, and said determination may be changed at any time by the Chief of Police or the Chief's designee, or by the Director, upon written notice to the Permittee. For purposes of this Subsection (b), the Captain for the district where the Business is located, or the Captain's designee, is deemed the Chief's designee unless the Chief of Police directs otherwise.

If the Entertainment Commission pursuant to this Subsection (b) adopts a rule covering one or more designated days of the year or particular days of the week, the rule may authorize the Chief of Police or the Chief's designee, with the concurrence of the Director, to exercise the same authority as described in the previous paragraph to determine that the public safety will not be advanced by enforcing the rule with respect to a particular Business on a day or days covered by the rule. (Added by Ord. 239-09, File No. 080323, App. 11/20/2009)

### **SEC. 1060.35. RESPONSIBLE PERSON ON PREMISES.**

At any time a Business is open for operation as a Place of Entertainment or Limited Live Performance Locale, there shall be at least one person on the premises who is responsible for the operation of the Business and who is readily available to respond to and interact with Police Officers, the Director, or any other City employee or official. The Entertainment Commission, in consultation with the San Francisco Police Department, shall develop rules and regulations to further implement this requirement.

(Added by Ord. 239-09, File No. 080323, App. 11/20/2009; amended by Ord. 172-11, File No. 110506, App. 9/12/2011, Eff. 10/12/2011)

### **SEC. 1060.36. AUTHORITY OF SAN FRANCISCO POLICE DEPARTMENT.**

Nothing in this Article is intended to restrict or alter in any way the authority vested in the San Francisco Police Department under Federal, State or local law to take action in response to conduct that arises in connection with the operation of a Business.

(Added by Ord. 239-09, File No. 080323, App. 11/20/2009)

### **SEC. 1060.37. PROMOTION OF GENERAL WELFARE.**

In undertaking the enforcement of this Article, the City is assuming an undertaking only to promote the general welfare. It is not assuming, nor is it imposing on its officers and employees, an obligation for breach of which it is liable in money damages to any person who claims that such breach proximately caused injury.

(Added by Ord. 239-09, File No. 080323, App. 11/20/2009)

### **SEC. 1060.38. RELATIONSHIP OF LIMITED LIVE PERFORMANCE PERMIT TO OTHER PERMITS.**

(a) A Person may not simultaneously hold a Place of Entertainment Permit and a Limited Live Performance Permit for the same location.

(1) If a Person holds a Place of Entertainment Permit and applies for a Limited Live Performance Permit for the same location, and the Commission grants the application, the Limited Live Performance Permit shall become operative only upon the Person's relinquishment of the Place of Entertainment Permit.

(2) If a Person holds a Limited Live Performance Permit and applies for a Place of Entertainment Permit for the same location, and if the Commission grants the application, the Place of Entertainment Permit shall become operative only upon the Person's relinquishment of the Limited Live Performance Permit.

(b) Subject to the requirements of the Planning Code, the Commission may issue a One Time Event Permit to the holder of a Limited Live Performance Permit, provided that the standards for issuance of the One Time Event Permit are met, including but not limited to the maximum number of such permits that may be issued for a venue under Subsection 1060.29(d).

(c) Subject to the requirements of the Planning Code, the Commission may issue an Extended-Hours Premises Permit to the holder of a Limited Live Performance Permit, provided that the standards for issuance of the Extended-Hours Premises Permit are met.

(Added by Ord. 172-11, File No. 110506, App. 9/12/2011, Eff. 10/12/2011)

### **SEC. 1060.38.1. EXTENSION OF EVENING HOURS LIMIT FOR LIMITED LIVE PERFORMANCE PERMIT.**

(a) Notwithstanding Section 1060(r)(3), and except as provided in subsection (b), below, at any time after a year has elapsed since the granting of a Limited Live Performance Permit, the Director may, upon application of the Permittee, extend the hours during which Live Performances may be presented at the Limited Live Performance Locale to any time between 10:00 p.m., and 11:00 p.m., inclusive, on the basis that there have been no significant public safety or public nuisance concerns at or near the establishment attributed to the operation of the Limited Live Performance Permit. If the Director denies the application for an extension of hours, the Permittee may appeal the Director's decision to the Entertainment Commission, and the process for notifying the Permittee of the Director's decision and providing an appeal right to the Entertainment Commission shall parallel to the extent applicable the notice and appeal process prescribed in Section 1060.20.2(b).

(b) No extension may be granted as provided in subsection (a), above, for Limited Live Performance Permits granted in the following areas: the North Beach Neighborhood Commercial District as defined in Planning Code Section 722.1; and the Polk Street Neighborhood Commercial District as defined in Planning Code Section 723.1; the Union Street Neighborhood Commercial District as defined in Planning Code Section 725.1; the north and south sides of Chestnut Street between the east side of Fillmore Street and the west side of Divisadero Street, and the north side of Lombard Street, between Fillmore Street and Divisadero Street.

(c) If, following the Director's granting, pursuant to Subsection (a), an extension of hours during which Live Performances may be presented at a Limited Live Performance Locale, there are significant public safety or public nuisance concerns at or near the establishment attributed to the operation of the Limited Live Performance Permit, the Director may reduce the hours during which Live Performances may be presented at the establishment to an earlier time, but no earlier than 10:00 p.m. The process for notifying the Permittee of the Director's order and providing an appeal right to the Entertainment Commission shall parallel to the extent applicable the notice and appeal process prescribed in Section 1060.20.2(b).

(d) This Section shall not limit the permitting, suspension, revocation, or other powers of the Director or Entertainment Commission.
