

# WI-Fi guide for Android (v.4)

1

Enter the Android App drawer and go into the "Settings" icon.

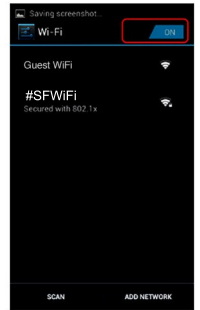

2

In "Settings" page, click "Wi-Fi".

3

In "Wi-Fi" page, slide the "Wi-Fi" ON/OFF button to turn ON the Wi-Fi.

4

Find "#SFWiFi" in the list of networks and click on the name to connect.

5

Once the connection is established, the word "connected" will be shown under "#SFWiFi"

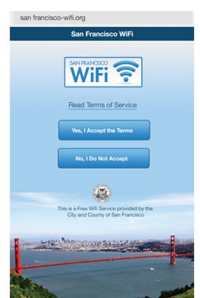

6

To connect to the internet, open a web browser and type a website address.

7

The San Francisco FREE WIFI web page opens. From this page, you can access the service terms and conditions.

8

You will now be logged into San Francisco's complimentary Wi-Fi service.
