

typo in draft recommendations on voting systems

Mitch Trachtenberg to voting.systems.task.force
:

In your January 2011 draft report, line 16 of page 35 refers to www.humett.org and should refer to <http://www.humetp.org>

Also, the organization in Humboldt County is the Humboldt County Election Transparency Project -- thus etp -- though words are often dropped from this unwieldy phrase.

Thank you for all your work in putting these recommendations together.
