Subject DR at meeting on 18 June 09

Dear Ms. Lisa Chau:

Although I cannot make it to the Planning commission meeting this evening, I wish to express strong support for planning department efforts to streamline the DR process. This streamlining makes good sense and is an example of enlightened government. I am also looking forward to the possibility of a hearing officer in the future, since a highly-qualified profession in that position would further rationalize the DR system. Thank you for an opportunity to provide input. Sincerely yours,

Dennis O. Flynn
