Protect the Tuolumne River!

C_FORM1

**Public Comments Needed by October 1st to
PROTECT THE TUOLUMNE RIVER!**

Take action to stop the San Francisco Public Utilities Commission (SFPUC) from harming the Tuolumne River by signing this comment letter. Please send it to the Tuolumne River Trust in the enclosed envelope so we can deliver it before the October 1st deadline. You can find more information and take action on our website: www.tuolumne.org Thank you for your support!

To: Paul Maltzer, Environmental Review Officer
Water System Improvement Program PEIR
San Francisco Planning Department

Dear Mr. Maltzer:

Your environmental review of the SFPUC's plan to take more water from the Tuolumne River fails to adequately identify and address all of the environmental impacts to the River. I urge you to undertake additional studies of the Tuolumne River before finalizing this document.

I support the alternatives identified in your draft document that protect the Tuolumne River from new diversions. Requiring more water conservation, efficiency, and recycling is the best way to lessen impacts to the Tuolumne River while promoting a sustainable water solution for the San Francisco Bay Area.

Only by ensuring that healthy amounts of water continue to flow into the Tuolumne River can we protect this irreplaceable natural wonder.

Sincerely,

Name: Mary Louise McDonnell

Address: 7 Aquavista Way

City, State, Zip: SAN FRANCISCO, CA 94131

To: Commissioner Ryan L. Brooks, President
San Francisco Public Utilities Commission

With its headwaters in Yosemite National Park, the Tuolumne River is a national jewel that is home to an outstanding native trout fishery, bald eagles, black bears, and thrilling whitewater.

Unfortunately, instead of increasing water conservation and recycling efforts, the San Francisco PUC plans on meeting future water demand by taking more water out of the Tuolumne, a federally designated Wild and Scenic River.

I urge you to meet our water needs and protect the Tuolumne River for future generations through conservation and recycling rather than withdrawing more water and depleting the Tuolumne River.

The fate of the Tuolumne River rests in your hands.

Sincerely,

Name: Elise Vaccarest

Address: 1640 Vallejo St. #6

City: S.F. State: CA Zip: 94123

Phone: 415/775-7593
