Resource Name or #: (Assigned by recorder) 2934 Cesar Chavez Street

P1. Other Identifier:

*P2. Location: Not for Publication Unrestricted

*a. County: San Francisco

*b. USGS Quad: San Francisco North, CA Date: 1995

c. Address: 2934 Cesar Chavez Street City: San Francisco ZIP 94110

d. UTM Zone: Easting: Northing:

e. Other Locational Data: Assessor's Parcel Number 4335 0031

*P3a. Description: (Describe resource and major elements. Include design, materials, condition, alterations, size, setting, and boundaries)

2934 Cesar Chavez Street is located on a 1,665 square foot rectangular lot on the northeast corner of Cesar Chavez and Bryant Streets. Built in 1916, 2934 Cesar Chavez Street is a two-story, wood frame, mixed use building designed in the Mediterranean Revival style. The rectangular-plan building, clad in smooth stucco, is capped by a flat roof. The coping is topped by red clay tiles and the bay windows on the south façade are also topped by red clay tiles. The foundation is not visible. The primary façade faces west and includes one angled five-sided corner bay window with decorative cartouches, and three angled bay windows on the south façade. There are two commercial units on the first floor and one street level residential entrance with an arched entryway. The primary window type is double-hung wood-sash windows with eight-over-one pane or six-over-one pane. The primary corner storefront features a permastone clad bulkhead, a glass block transom, fixed and overhanging plastic signs, and recessed corner vestibule opening. The secondary storefront facing Cesar Chavez Street features an angled vestibule, brick veneer bulkheads, and a plate glass display window. The east façade is clad with channel drop wood siding. There is a semi-attached garage located at the east end of the building. The building appears to be in good condition.
