

Defy Ventures Seeks Individuals with Former Criminal Justice Involvement for Entrepreneurial Opportunity!

- You have hustle, business savvy and drive.
- You know how to persuade and motivate people around you.
- You can turn a quick profit.
- You're competitive and take risks.

Ready to prove it?

If you have a criminal history and are ready to "transform your hustle," Defy Ventures wants to see what you've got. Show us your drive and we'll help you take it to the next level by introducing you to investors, executive mentors and employers.

But you should know. . . We're not playing around.

Defy partners with top business executives, proven leaders, and generous funders to provide an MBA-style curriculum, executive mentorship, Shark Tank-style pitch competitions, a startup incubator, microloans, and capital investments and seed funding. Our program is open exclusively to men and women with criminal records. The bar is high, the competition is steep and the pay-off is huge.

Defy will be hosting Admissions Meetings in San Francisco each month. Please reply to this posting at recruiting@defyventures.org with your name, email and/or phone number, and a member of our team will contact you to provide more details and confirm your RSVP.
