CENTER FOR RESTORATIVE JUSTICE WORKS *GET ON THE BUS*

The Center for Restorative Justice Works (CRJW) unites children, families, and communities separated by crime and the criminal justice system. CRJW calls the community to set aside pre-judgments about women and men in prison in order to work together to accompany families torn apart by the crime and the criminal justice system, create awareness about the negative impacts of incarceration on children and families, and advocate for programs and policies that restore relationships. CRJW re-weaves the web of relationships that have been torn apart by crime and the policies of the criminal justice system.

Get on the Bus is a program of The CRJW. Get On The Bus brings children and their guardians/caregivers from throughout the state of California to visit their mothers and fathers in prison. An annual event, Get On The Bus offers free transportation for the children and their caregivers to the prison, provides travel bags for the children, comfort care bags for the caregivers, a photo of each child with his or her parent, and meals for the day (breakfast, snacks on the bus, lunch at the prison, and dinner on the way home) — all at no cost to the children’s family. On the bus trip home, following a four-hour visit, each child receives a teddy bear with a letter from their parent and post-event counseling. www.crjw.us www.getonthebus.us

The vision of Swords to Plowshares is that all veterans will have access to the care and services they need and deserve to rebuild their lives. War causes wounds and suffering that last beyond the battlefield. Swords to Plowshares' mission is to heal the wounds, to restore dignity, hope and self-sufficiency to all veterans in need, and to significantly reduce homelessness and poverty among veterans. Founded in 1974, Swords to Plowshares is a community-based not-for-profit organization that provides counseling and case management, employment and training, housing, and legal assistance to veterans in the San Francisco Bay Area. We promote and protect the rights of veterans through advocacy, public education and partnerships with local, state and national entities.
