Next Meeting:
July 18, 2018
2:30-4:30pm

25 Van Ness, Lower Level Conference Room

How to create a Policy Implementation Team:

All policy implementation groups must have at least one member from Legislative, Policy, and Practices Subcommittee. The chair of this policy implementation team must be a subcommittee member.

Chair:

The person who decides to be the chair of the policy implementation team must be able to schedule monthly meeting with members of their team and take notes during meetings. The chair must be a confirmed member of the Legislative, Policy, and Practice Subcommittee.

Passed Ordinance or State Legislation:

During November and January meetings, the subcommittee will identify at least one local ordinance, one state law, and one federal law that they plan to follow through the implementation period. Once the law has been identified, the policy implementation will identify who are the stakeholders that need to be at the table in order to make sure this law is properly implemented.

Stakeholder:

The policy implementation team must be able to answer the following questions regarding stakeholders:

- Who are the major stakeholders on this issue?
- Do I have access to the Stakeholders?
- Can the Reentry Council help me get access to the stakeholder?
- If the Reentry Council cannot get me access to the major stakeholders, then who can?
- Are these stakeholders regulated by a county commission, the Board of Supervisors, the Mayor?

Communication:

The Legislative, Policy, and Practices subcommittee meets every two months. It is important for members of the designated implementation teams to communicate with one another every month. This communication can be done over the phone in the nature of a conference call. This could be an email thread or you all can meet. However, the chair must provide the Reentry Policy Planner with the date and form of communication that occurred with their designated implementation team.

Members:

Policy Implementation team members can consist of members of public who are not confirmed by the Reentry Council. However, the chair of the policy implementation team must be a member of the Legislative, Policy and Practices Subcommittee and this individual must be present during the Legislative, Policy, and Practices Subcommittee bi-monthly meeting to report back. Any proxy for the Chair must also be a confirmed member of the Legislative, Policy, and Practices Committee.

Organizing Policy Implementation Group

Research:

When analyzing a passed ordinance or state legislation, the policy implementation team should research other counties, states, countries, or organizations that may already passed a similar law or program. The group should analyze how these entities were able to implement their policies. The policy implementation team should then model their finding into their implementation plan.

Assignment/ Deadline:

After every meeting, the chair should assign an assignment/task to their team members. Each assignment/task should have a projected deadline. Please be mindful that the term of these implementation teams should not to exceed one year.

Policy Change:

At the mid-year point, the policy implementation committee will need to see if the present policy needs to be amended. If not amendments need to be made, the policy committee should be able to share their implementation plan to the full Reentry Council. The council will then direct the policy implementation team on how they should proceed.

Community Coalition Building

The policy implementation team should also look to partner with community based organizations or local/ state/ national coalitions that are invested in the implementation of the policy.

Working Group Term Date:

The term date cannot extend past one year from date of inception.

The Council coordinates information sharing, planning, and engagement among all interested private and public stakeholders to the extent permissible under federal and state law.

The Reentry Council is composed of 24 members. There are five co-chairs: Mayor of San Francisco, Public Defender, Chief Adult Probation Officer, District Attorney, and Sheriff. In addition to a representative from the Board of Supervisors and the Superior Court, the following City/County offices are represented: Department of Child Support Services, Department of Children, Youth & Their Families, Department of Homelessness and Supportive Housing, Department of Public Health, Human Services Agency, Juvenile Probation Department, Office of Economic and Workforce Development, and San Francisco Police Department. Other public officials include representatives from the California Department of Corrections and Rehabilitation Parole Operations Division and U.S. Federal Probation Office.

Direct Services Subcommittee and Policy and Advocacy Subcommittee:

The mission of the Reentry Council Subcommittees is to assist the San Francisco Reentry Council in addressing issues related to the reentry population. The Subcommittees are comprised of clients, nonprofit service providers, government workers, advocates, community members, and other individuals who are deeply invested in improving the criminal justice system and its treatment of the reentry population.

During 2017, the Subcommittees are concentrating on two objectives:

- Reduce San Francisco's Jail and California's state prison population
- Increase the availability of effective behavioral health services

The Direct Services Subcommittee works specifically to ensure people coming out of prison have effective and supportive services.

The Policy and Advocacy Subcommittee addresses institutional barriers to reentry by investigating policy solutions on a local and state level.

Subcommittees meet six times per year during business hours. If you are interested in joining a subcommittee, please contact Geoffrea Morris at geoffrea.morris@sfgov.org.

Application for Boards / Commissions / Committees / Task Forces INSTRUCTIONS AND INSTRUCTIONS

San Francisco is a diverse city with a wide range of people and issues affecting it. In order to take advantage of the extensive experience and knowledge available in the city, various Boards, commissions, Committees, and Task Forces have been formed to bring that knowledge together. These groups and their membership requirements are established through legislation from local, state, and/or federal government. In addition to setting up the purpose and goals of the various groups, the governing legislation outlines the type of person, in terms of desirable skills and/or knowledge, who can contribute his/her knowledge and perspective. In this manner, a group of San Franciscans, who are representative of the city, can be active participants in addressing issues affecting the entire city.

If you are interested in serving the City and County of San Francisco, the following procedures are provided:

1. A list of vacancies and expected vacancies, with their qualifications, can be found at the Office of the Clerk of the Board of Supervisors, at the San Francisco Main Public Library, and online on the Board of Supervisors' website (<http://www.sfbos.org/vacancy>). Please review this list for positions of interest for which you may qualify.
2. Submit an application (http://www.sfbos.org/vacancy_application)
(Be sure that you list the appropriate seat number(s) and/or category/categories for which you are applying.)
(We request applications be received ten (10) days before the scheduled hearing.)
3. If the seat(s) you are applying for is vacant and requires the Board of Supervisors' confirmation, the Rules Committee will schedule your application for review. All applicants will be expected to appear before the Rules Committee to speak on their qualifications and answer questions from the Supervisors.
(There are no set instructions on what you are expected to tell the Rules Committee. However, a brief description of how your qualifications distinguish you from other applicants, reasons for your interest in the subject, or a short discussion of why you feel you would make a good candidate is appropriate.)
4. The Rules Committee may or may not make a recommendation for appointment. If a recommendation is made by the Rules Committee, the recommendation is forwarded to the Board of Supervisors for approval. It generally takes approximately 15 days, from the date the Rules Committee makes their recommendation for appointment, for the person to become officially appointed.
5. Depending on the type of organization, a new appointee may need to take an Oath of Office.

If there are no vacancies, your application will be retained for one year. If any openings occur during this time, your application will be submitted to the Rules Committee for review.

If you have any further questions, please contact the Rules Committee Clerk at (415) 554-5184. However, if you require detailed information concerning the operations of a particular Board, Commission, Committee, or Task Force, please contact the organization in question directly.

Life After Life

LIFE AFTER LIFE is a tool and resource for those undertaking the justice system reform movement. It includes a screening, accompanying viewing guide, and educational curriculum. With a holistic approach we can engage on local and national levels and within verticals of the movement from mass incarceration to juvenile incarceration and generational family trauma.

The documentary follows Harrison, Noel, and Chris as they return home from San Quentin State Prison. After spending most of their lives incarcerated, they are forced to reconcile their perception of themselves with a reality they are unprepared for. Life After Life is unique in its access, style and focus, with the participants playing a significant role in documenting and telling their own stories. Told in an unadorned verite style, we experience the precarious nature of freedom after incarceration in America.

LIFE AFTER LIFE began in 2007 when the participants in the film approached Tamara Perkins to tell their story. As members of Perkins' yoga class at San Quentin State Prison and with Perkins' own experience as a crime survivor and justice impacted family member they felt she could facilitate an insider's perspective. The film is praised by both the community at large and justice impacted individuals, family members and loved ones. Read Perkins' article about her holistic approach to engagement at:

Legislation, Policy, and Operational Practices (LPOP) (first choice)
Legislation, Policy, and Practices (LPP) (second choice)

Mission statement

The mission of the "FINAL NAME OF SUBCOMMITTEE" is to assist the Reentry Council of the City & County of San Francisco ("Reentry Council") to develop local law, policy, and practices, and to shape state and federal policy, that 1) reduce reliance on incarceration, 2) facilitate the successful reentry of formerly incarcerated residents into the community, 3) remove barriers for individuals with criminal records, and 4) reduce racial, ethnic, and socioeconomic disparities in the criminal justice system.
