Committee Comment: Member Steen stated that Sup. Tang’s office had emailed him asking for an update on the progress on the Imminent Danger policy draft from HSA and he informed them that there have been no new updates from HSA. He also asked if the Subcommittee could request a meeting with Sam Dodge’s office and HSA to discuss how the beds are managed and how vacancy rates are calculated.

Committee Comment: Member Steen stated that one of the information requests that was discussed last month was related to set-aside beds and how they were distributed.

Committee Comment: Member Steen stated that the information request could be submitted at the same time as having the discussion.

Committee Comment: Chair Mukami stated that he believed that a dual approach would be confrontational and that his strategy would be for the Subcommittee to have a meeting first and submit an information request afterwards. Committee Comment: Member Steen stated that it would have to be the full Committee that submits an information request, not just the Subcommittee.
