**REQUEST:** Tracking CAAP & HOT Bed Vacancies

---

The Shelter Monitoring Committee is requesting the following information in advance:

The Shelter Monitoring Committee requests the Human Services Agency to monitor all CAAP and HOT beds in the single adult shelters during the months of January, February and March 2016 in order to track how many CAAP and HOT beds are released as one-night beds.

Please alert Committee staff if you will need additional time for this request or if you have questions about the categories and the type of data being requested.

Thank you.
