

## Token Receipt

I, Rachel Howard, received 100 tokens today from Cathy Perdue in the Housing and Homeless Division. The last time I received tokens was last summer 2014. I acknowledge that I have never been given a token log to keep track of the token distribution to clients at A Woman's Place Shelter. From this day forward, I will keep track and log all of the tokens distributed to clients and turn in the log before receiving additional tokens. I received blank token logs today.

Signature

A handwritten signature in cursive script, appearing to read 'Rachel Howard', written over a horizontal line.
