MEMORANDUM

TO: Sunshine Ordinance Task Force
FROM: Michael Karns
Deputy City Attorney
DATE: March 2, 2012
RE: Complaint 11097 – Pitts v. SFPD

BACKGROUND

Complainant Charles Pitts ("Complainant") alleges that the San Francisco Police Department ("SFPD") failed to provide documents responsive to his December 1, 2011 public records request.

COMPLAINT

On December 14, 2011, Complainant filed this complaint against SFPD, without specifying which provision of the Ordinance he believed had been violated.

JURISDICTION

SFPD is a charter department under the Ordinance and therefore the Task Force generally has jurisdiction to hear an alleged violation of public records or public meetings laws.

APPLICABLE STATUTORY SECTION(S):

Section 67 of the San Francisco Administrative Code:

- Section 67.20(b) defines "public information".
- Section 67.21 governs responses to a public records request.
- Section 67.25 governs immediacy of response.
- Section 67.26 governs withholding of records.
- Section 67.27 governs written justification for withholding of records.

Section 6250 et seq. of the Cal. Gov't Code

- Section 6252(e) defines "public record".
- Section 6253 governs the release of public records and the timing of responses.

APPLICABLE CASE LAW:

None.

ISSUES TO BE DETERMINED

Uncontested/Contested Facts

On December 1, 2011, Complainant hand-delivered an Immediate Disclosure Request ("IDR") to the Office of the Chief of Staff, San Francisco Police Department, at 850 Bryant Street in San Francisco. The IDR requested copies of three police reports, CAD numbers 111590398, 111843484, and 110660286. The request included the Complainant's name and email address, but no mailing address, phone number, or other identifying information.

MEMORANDUM

TO: Sunshine Ordinance Task Force
DATE: March 2, 2012
PAGE: 2
RE: Complaint 11097 – Pitts v. SFPD

While Complainant was dropping off his IDR, Sergeant Tadao Yamaguchi (Star #1973) repeatedly explained to Complainant that requests for police reports must be delivered to Room 475 at the Hall of Justice, 850 Bryant Street, San Francisco. Sergeant Yamaguchi also explained to Complainant at that time that requests for police reports must be accompanied by SFPD "Request for Police Report/CAD Transcripts" request, which is also available in Room 475 at the Hall of Justice, 850 Bryant Street, San Francisco.

On December 1, 2011, Sergeant Yamaguchi sent an email to Complainant to inform him that his request for records could not be fulfilled by the Office of the Chief of Staff. The text of this email is quoted here:

Dear Mr. Charles Pitts,

You and your friend came to the Chief's Office on the afternoon of Thursday, December 1, 2011 and dropped off a two page request for three police reports. As I stated to you multiple times the Chief's Office can not give you police reports. You must obtain all police report from Room 475, 4th floor west wing at the Hall of Justice, 850 Bryant Street, the same building you were in. With the limited information and no return address on your papers, which you left on my desk, I can not even fill out a request for police report on your behalf. I urge you to fill out the attached form or follow the instruction on the SFPD 105 form you have to obtain reports.

On December 14, 2011, Complainant filed this complaint with the Task Force.

QUESTIONS THAT MIGHT ASSIST IN DETERMINING FACTS:

- Did SFPD direct Complainant to the proper office of staff person for his request?
- Did Complainant visit Room 475 at the Hall of Justice, San Francisco, to complete the Request for Police Report/CAD Transcripts form, as instructed by SFPD?

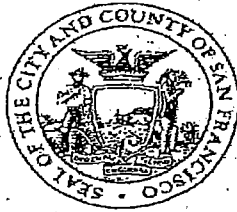

LEGAL ISSUES/LEGAL DETERMINATIONS:

- Did SFPD's instructions to Complainant regarding the procedure for requesting police reports satisfy SFPD's obligation under §67.21(c) of the Ordinance, which reads in part that "A custodian of any public record, when not in possession of the record requested, shall assist a requester in directing a request to the proper office or staff person"?

CONCLUSION

THE TASK FORCE FINDS THE FOLLOWING FACTS TO BE TRUE:

THE TASK FORCE FINDS THE ALLEGED VIOLATIONS TO BE **TRUE OR NOT TRUE.**

Dear Mr. Chris Rustom - Sunshine Ordinance Task Force

In response to your email sent 17, January 2012. I am a Sergeant of Police, currently assigned to the Office of the Chief of Staff, 850 Bryant Street Room 525, Hall of Justice, San Francisco Police Department. I am not assigned to nor work at the SFPD Records Room, 850 Bryant Street Room 475.

I regard to this matter; an unidentified African American male come to the SFPD Office of the Chief of Staff and demanded, in a very uncooperative manner, a police report. I directed this man to the police records room, Room 475, and informed him that he will need to fill out a report request form with his signature. The man refused, left his papers on the front counter and walked out of the office, saying out loud "you've been reserved". I followed the man to the 5th floor elevators and tried to direct him to room 475 again and return this papers. The man refused his papers and took the down elevator. I examined the papers and after finding an email address I emailed him with a report request form as well as asking the man to contact the records room.

In accordance with SFPD Department General Order 3.16 II C (order attached) I, in my current position, can not release ANY police reports. SFPD police reports can requested by completing "Request for Police Report" form (attached) which must be sign by the person requesting the report, with a "I declare this statement to be true and correct" clause attached.

Please forward the attached SFPD Report Request Form to anyone who wants a SFPD incident report and return it to **San Francisco Police Department, Thomas J. Cahill Hall of Justice, Report Management Section, 850 Bryant Street Room 475, San Francisco, CA. 94103-4603**. Please note that the person requesting the report will have to sign the form.

Please provide me with your direction in this matter so that I can notify my chain of command and comply with their orders.

I am very sorry that I could not immediately comply with your order.

Sincerely

Sergeant Tadao Yamaguchi #1973

RELEASE OF POLICE REPORTS

I. POLICY

This order is drafted to comply with the Public Records Act, California Government Code Section 6254, et seq., the San Francisco Sunshine Ordinance, Administrative Code, Chapter 67, and other applicable state and local laws. These statutes embody a policy of releasing information unless release would endanger citizens, law enforcement personnel or a law enforcement investigation, or constitute an unnecessary invasion of privacy. This means that arrest, accident and incident reports must be released unless the disclosure would cause the dangers mentioned in the law. In all cases, the burden is on the Department to justify nondisclosure.

II. PROCEDURES

A. INFORMATION WHICH MAY BE WITHHELD. The Department may withhold nos. 1 - 8 below, except that release shall occur where, upon weighing the public interest for and against disclosure, the public interest favors disclosure. If documents are withheld, the Department must explain in factual terms how the public interest would be harmed. [S.F. Admin. Code § 67.27 (a)]. The information in nos. 9 - 12 shall not be released.

1. Information that would endanger the safety of a person involved in an investigation. (Cal. Gov. Code 6254 (f))
2. Information that would endanger law enforcement personnel. (S.F. Admin. Code, § 67.24 (d))
3. Information that would endanger the successful completion of an investigation, but only when the prospect of enforcement proceedings is concrete and definite. (Cal. Gov. Code 6254 (f))
4. Secret investigative techniques or procedures where, on the facts of the case, the public interest in nondisclosure clearly outweighs the public interest served by disclosure. (S.F. Admin. Code, § 67.24 (d); Cal. Gov. Code § 6255)

DGO 3.16
09/21/94

5. Information regarding the identity of confidential informants. (Cal. Gov. Code 6254 (f), 6255; S.F. Admin. Code, § 67.24 (d))
6. The name of any victim of a sexual assault who specifically requests that it not be disclosed. (Cal. Gov. Code 6254 (f) (2)), DGO 6.16, Sexual Assaults)
7. Medical or other information constituting an unwarranted invasion of privacy. (Cal. Gov. Code 6254 (c); S.F. Admin. Code, § 67.25 (d))
8. The name and address of any person detained pursuant to Welfare and Institutions Code Section 5150 where disclosure would constitute an unwarranted invasion of privacy. (Cal. Gov. Code 6254 (c))
9. The name or address of a juvenile who is a suspect or who has been arrested or detained, or any information which might lead to the identity of a juvenile who is a suspect or who has been arrested or detained may not be released without a court order. (ING v. Superior Court (1971) 4 C.3d 767).
10. Vehicle collision reports involving death or personal injury except as provided by California Vehicle Code Section 20012 (see DGO 9.02, Vehicle Accidents).
11. Any report regarding child abuse made confidential by Penal Code Sections 11167 and 11167.5, or any report regarding assaultive or abusive conduct made confidential by Penal Code Section 11163.2 (b).
12. The address of any victim of a sexual assault. (Cal. Gov. Code 6254 (f) (2))

B. INFORMATION THAT MUST BE RELEASED

1. **DURING THE PENDENCY OF AN INVESTIGATION OR PROSECUTION.** The Department retains the discretion to withhold incident reports and other documents during the pendency of an investigation. The following information, however, must be released, so long as release is not prohibited in Section A above.

a. **Information that must be released to the public:**

- (1) Individual arrested, including name, address, occupation, physical description.
- (2) Facts surrounding arrest, including, but not limited to, time and date of arrest and booking, location of the arrest, amount of bail, location of arrestee or time and manner of release.
- (3) Charges brought, including outstanding warrants and parole or probation holds.
- (4) Time, substance and location of all complaints or requests for assistance and time and nature or response thereto, including, where an incident report has been made, the time, date and location of occurrence, and the time and date of the report.
- (5) Victim's name, age and address, except if victim or victim's address cannot be disclosed as detailed in Section A above.
- (6) Factual circumstances surrounding the crime or incident and a general description of any injuries, property or weapons involved.

b. **Additional information that must be released to victims, their authorized representatives, and their insurance carriers:**

- (1) Names and addresses of all persons involved in or witnesses other than confidential informants.
- (2) Description of any property involved; date, time and location of incident.

DGO 3.16
09/21/94

(3) Diagrams, statements or the parties involved, statements of all witnesses other than confidential informants.

2. **AFTER THE CASE IS CLOSED.** When the prospect of an enforcement action has been terminated, the Sunshine Ordinance requires complete disclosure, except that it still permits the Department to withhold the following [S.F. Adm. Code, § 67.24 (d)]:

- a. Witnesses names and addresses (alphabetical letters should be substituted), except that state law requires release when this information is requested by a victim, the victim's representative or an insurance carrier that might be liable. (Cal. Gov. Code 6254 (f))
- b. Personal and otherwise private information unrelated to the law enforcement action.
- c. Identity of a confidential source.
- d. Secret investigative technique or procedure.
- e. Information that would endanger law enforcement personnel.

C. PERSONS WHO MAY AUTHORIZE RELEASE. The following persons may authorize the release of police reports but must consult with the Department Legal Division in cases that are not routine:

1. The investigator or the officer-in-charge of the unit assigned the case.
2. The Officer-in-Charge of the Records Section or the officer designated to release reports when the case is not assigned to an investigative unit.
3. The Public Affairs Officer, after consultation with the assigned investigator (when possible).
4. The Operations Center (during non-business hours) after consultation with the assigned investigator or the Public Affairs Officer (when possible).

D. TIMES OF RELEASE

1. **GENERAL PUBLIC.** The general public may request in writing the release of a report during normal business hours 0800 to 1600 hrs. Monday through Friday, holidays excluded or through the mail.
 2. **NEWS MEDIA.** The news media may request reports in the same manner as the general public or through the Public Affairs Office. If the Public Affairs Office is closed, the media should make the request at the Operations Center. The release will be made consistent with the ability of the Department to do so without undue disruption of normal procedures.
- E. RELEASE AUTHORIZATION.** The person who authorizes the release of a report to the public or the news media is responsible for insuring that the items listed in this order are excluded from the report or are not discernible.
- F. MEDIA INTERVIEWS.** Nothing in this order restricts an officer from providing the public or the news media orally with information on a case in which he/she is involved consistent with this order and DGO 8.09, Media Relations Policy.
- G. COMPUTER DATA.** See DGO 10.03, Use of Computers.
