Members of the Complaint Committee

Re: Kimo Crossman v. City Attorney's Office (08005)

Dear Chair Cauthen and Members of the Complaint Committee:

This letter addresses the issue of whether the Sunshine Ordinance Task Force ("Task Force") has jurisdiction over the complaint of Kimo Crossman against the San Francisco City Attorney's Office.

BACKGROUND

On November 30 2007, Kimo Crossman made an Immediate Disclosure Request ("IDR") for public records with Alexis Thompson of the City Attorney's Office. Kimo Crossman's IDR requested all materials and correspondence with or about or provided to Harrison Sheppard, Task Force member. Kimo Crossman requested the attorney billing records and calendars of anyone in the CAO who has interacted with him.

On December 4, 2007, Alexis Thompson responded and based under Section 6253(c) of the Public Records Action and Section 67.25(b) of the Sunshine Ordinance, the CAO invoked an extension of time not to exceed 14 days to respond to the IDR.

Kimo Crossman claimed that he did not receive the records even after the extension. On 1/3/08, Kimo Crossman petitioned the Supervisor of Records from the City Attorney's Office and asked for a determination. DCA Paula Jesson responded to the request. Kimo Crossman stated that DCA Jesson's response was that Kimo Crossman would have to wait until the City Attorney's Office completes their review of records.

COMPLAINT

On January 10, 2008, Complainant Kimo Crossman filed a complaint against the City Attorney's Office alleging violations sections 67.1; 67.25(d), 67.26, 67.21.(a), (b), (i), 67.24(d), 67.34 of the Sunshine Ordinance and State Government Code Sections 6253 and 6255.

SHORT ANSWER

Based on Complainant's allegation and the applicable sections of the Sunshine Ordinance and the California Public Records Act, which are cited below, the Sunshine Ordinance Task Force *does* have jurisdiction over the allegation. The allegations are covered under 67.21 and 67.25 of the Ordinance.

DISCUSSION AND ANALYSIS

Article I Section 3 of the California Constitution as amended by Proposition 59 in 2004, the State Public Records Act, the State Brown Act, and the Sunshine Ordinance as amended by Proposition G in 1999 generally covers the area of Public Records and Public Meeting laws that the Sunshine Ordinance Task Force uses in its work.

The Sunshine Ordinance is located in the San Francisco Administrative Code Chapter 67. All statutory references, unless stated otherwise, are to the Administrative Code.

Section 67.21 generally covers requests for documents and Section 67.25-5 covers Immediate Disclosure Requests

In this case Kimo Crossman alleges that he made requests for the communications, advice, billing records and calendars involving the City Attorney's Office and the CAO on Sunshine Ordinance and State Public records matters and alleges did not receive them. The Task Force has subject matter jurisdiction over this complaint and will have to determine if the City Attorney's Office violated the Ordinance.

Subject SOTF Complaint City Attorney interactions with Harrison Sheppard

Submitted on: 1/10/2007

Department: City Attorney

Contacted: Matt Dorsey, Paula Jesson, Alexis Thompson

Public_Records_Violation: Yes

Public_Meeting_Violation: No

Meeting_Date:

Section(s)_Violated: 67.1, 67.25 d, 67.27,67.26, 67.21(a),(b),(i), 67.21 (d), 67.24 (b) (1) (iii)
67.34, Government Code 6253, 6255

Description: I requested at the City Attorney with, about or provided to Harrison Sheppard on Sunshine matters, detailed billing records and calendars of staff at the City Attorney office who interacted with him even if no billing records were created. After a 14 day extension no additional response was provided by the office, no records have been provided and not incrementally. No notification that my requests were being prioritized. Silence.

On 1/3 I appealed to the Supervisor of Records for determination of 4 requests which were significantly overdue even after extensions at the City Attorney's office. All of these requests were reasonable, for example I requested the communications between the District Attorney and the City Attorney re Sunshine Matters for a period. Another one: all Open Government advice provided to the new Clerk of the Board, or any records of communications with Harrison Sheppard.

Ms. Jesson, the Supervisor or Records claims I have to wait until the city attorney office completes their review of records, that is not correct, if they have not provided a response besides the extension they have failed to comply. And an appeal is valid.

Ms. Jesson does not understand that law. "If the custodian refuses, fails to comply, or incompletely complies" That has occurred, a determination must be processed within ten days of my appeal request.

She apparently is claiming that the office of 200 lawyers plus staff has to prioritize my requests even though I was not notified that they were prioritized, nor the order they were prioritized and

she has provided no legal basis for prioritizing my requests.

Ms Jesson says:

You submitted five petitions on January 3, 2008. Four of those relate to requests for records made to this office. This office has not yet responded to this request. As you know, because of the volume of your public records requests to this office, it has become necessary to prioritize them. When this office has completed its review and determined that a record that you have requested falls within a protected category and should be withheld, you may appeal the denial to the Supervisor of Records. Until that time, your appeal is premature

67.21

(d) If the custodian refuses, fails to comply, or incompletely complies with a request described in (b), the person making the request may petition the *supervisor of records* for a determination whether the record requested is public. The supervisor of records shall inform the petitioner, as soon as possible and within 10 days, of its determination whether the record requested, or any part of the record requested, is public. Where requested by the petitioner, and where otherwise desirable, this determination shall be in writing. Upon the determination by the supervisor of records that the record is public, the supervisor of records shall immediately order the custodian of the public record to comply with the person's request. If the custodian refuses or fails to comply with any such order within 5 days, the supervisor of records shall notify the district attorney or the attorney general who shall take whatever measures she or he deems necessary and appropriate to insure compliance with the provisions of this ordinance.
