Re: Paul Weston (09024) v. the Department of Human Services

Dear Chair Goldman and Members of the Complaint Committee:

This letter addresses the issue of whether the Sunshine Ordinance Task Force ("Task Force") has jurisdiction over the complaint of Paul Weston against the San Francisco Department of Human Services ("DHS").

BACKGROUND

On May 10, 2009, Complainant Paul Weston made an Immediate Disclosure Request ("IDR") with the Department of Human Services ("DHS"). Paul Weston in his IDR requested the following: a. The most recent Statement of Service and Invoice for 150 Otis; b. The most recent Statement of service and Invoice for the 150 Otis Winter Shelter; c. The most recent Statement of Service and Invoice of the St. Anthony foundation for their Dining Hall; d. The application and/or resume of Alonso Bowlegs 9St. Vincent de Paul Employee); e. The application and/or resume of Wayne Garnett (St. Vincent de Paul Employee) and f. The application and/or résumé of Lessy Benedith (St. Vincent de Paul Employee). Since May 10, 2009 was a Sunday the deadline for compliance was the end of the business day on Tuesday May 12, 2009. On May 11, 2009, Pamela Tebo of the office of the Executive Director of DHS responded to the IDR and stated that she is seeking the information and will need a day or two to obtain them since they are in another building. On May 13, 2009, Paul Weston went to DHS to pick up the documents and became upset when he determined that all of the documents were not available. Soon afterwards, the rest of the documents were made available to Paul Weston.

COMPLAINT

On May 14, 2009, Paul Weston filed a complaint against DHS alleging violations of the Sunshine Ordinance.

SHORT ANSWER

Based on Complainant's allegation and the applicable sections of the Sunshine Ordinance and the California Public Records Act, which are cited below, the Sunshine Ordinance Task Force *does* have jurisdiction over the allegation. The allegations are covered under (67.21 and 67.25) of the Ordinance.

DISCUSSION AND ANALYSIS

Article I Section 3 of the California Constitution as amended by Proposition 59 in 2004, the State Public Records Act, the State Brown Act, and the Sunshine Ordinance as amended by Proposition G in 1999 generally covers the area of Public Records and Public Meeting laws that the Sunshine Ordinance Task Force uses in its work.

The Sunshine Ordinance is located in the San Francisco Administrative Code Chapter 67. All statutory references, unless stated otherwise, are to the Administrative Code. Section 67.21 generally covers requests for documents and Section 67.25 covers Immediate Disclosure Requests. CPRA Section 6253 generally covers Public Records Requests.

In this case, Paul Weston made an IDR and DHS responded the next day. Paul Weston alleges that DHS did not respond in timely fashion. Based on the allegations, the Task Force has jurisdiction to hear this complaint and will determine whether DHS violated the Ordinance and/or the Public Records Act.

Description: On 5/10/2009 I made a sunshine request via email to Pamela Tebo. The subject line read "IMMEDIATE DISCLOSURE REQUEST" pursuant to Sec. 67.25. In the body of the email, I asked for the following: "the most recent Statement of Service and Invoice for 150 Otis." 150 Otis is the name of a homeless drop in center and shelter. However, when I went to pick up the document today (5/13) at 12 pm, her secretary only gave me the first page of this document (page A). Page B which contained the most important information was missing. I came back to Human Services Agency later that day around 2 pm and asked for the rest of the document that I requested. Her secretary told me that she would not be able to get the rest of the document today. I explained to her that if I did not receive it by the close of business this day, then it would be in violation of the Sunshine Ordinance. Her secretary then very childishly accused me of threatening her. However, I merely requested that she do her job and obey the law. Eventually, Pamela Tebo talked to me on the phone and told me that she would provide with the rest of the document but that she would be unable to do so by today. I explained to her that it was in violation of the Sunshine Ordinance and that I would report it. There was no ambiguity in my initial request at all. In fact, Pamela Tebo had previously given me these kinds of documents for MSC South. Previous Statement of Service and Invoice documents that I had received from Pamela Tebo all contained two pages (Page A and Page B) that were stapled together as one document. I am certain that Pamela Tebo knew exactly what I was asking for when I made my request. The only explanation for the omission of Page B by Pamela Tebo is that she deliberately attempted to withhold this information from the public.

Subject Re: IMMEDIATE DISCLOSURE REQUEST

Since you filed a complaint with the Task Force I am copying them on this email. I do not believe you are rescinding your request for additional documents and I do not believe you are anticipating I will not respond, so it is unclear why you would file a complaint.

In any event, please be advised, I can only pass on documents that are given to me by our staff. I do not have control of the contract files. And, the office where the contracts and contract staff are located are at a different building than my office. When I received your request for 150 Otis Shelter & Drop In Center's recent invoice, I tried to contact the staff who monitors the St. Vincent de Paul's contract. She was out of the office for a few days, and since you submitted an Immediate Disclosure Request, I asked her co-worker to pull the recent Invoice and fax it to me. She did just that. And I passed that document on to you.

No one is playing childish games with you and no one is holding back documents. We are far too busy. Also, keep in mind, I receive numerous public records requests and I do not remember what documents I gave you in response to a previous request. I simply do not have time to go through my files to see what I gave you before.

Please note, we have no way to leave anything with our first floor guards for pick up. I will not allow my secretary to hand deliver documents to you any longer. She was very upset about your phone call. However, nothing got out of control since our security guard warned you to calm down or he would escort you out of our building.

I have to find a way to get these remaining document to you. Do you have a fax number of a mailing address I can use?

Thank you,

Pamela Tebo

Subject Re: IMMEDIATE DISCLOSURE REQUEST

I have filed a complaint with the Sunshine Ordinance Task Force and have requested a hearing. There was no ambiguity whatsoever in my initial request. You had given this kind of document to me before which always contained multiple pages stapled together. You knew exactly what I was referring to in my initial request and you deliberately omitted Page B.

Furthermore, your secretary accused me of threatening her when I merely requested that she obey the law and do her job. This behavior by your secretary was childish and slanderous and was also reported to the Sunshine Ordinance Task Force.

I hereby request that you cease and desist from using these childish tactics to withhold information from the public. In the future, you may find that it is a more efficient use of your time to simply obey the law and do your job.

Please inform me when the remaining portions of the requested document will be ready. However, since your secretary has demonstrated the propensity to fabricate slanderous allegations, I no longer feel safe accepting documents from her. From now on, please have someone other than your secretary delivery documents to me.

As you requested, I provided the recent invoice submitted to HSA from St. Vincent de Paul for 150 Otis drop in services and shelter. This email will confirm that you requested additional information to the public records request (below). Along with the recent invoice from St. Vincent de Paul for 150 Otis drop in and shelter that I already provided to you, you would like a list of employees at 150 Otis and their pay. Please be advised, I have requested additional documents from our contracts division which is located at a different building. I will contact you tomorrow to let you know if these documents exists and if they are releasable.

What invoice for St. Anthony's Foundation? As I stated in my response to you on May 11, the Human Services Agency does not fund St. Anthony's dining hall, so what invoice are you referring to?

Thank you, but I also asked for the invoice for the St. Anthony's Foundation dining hall. Please have that document ready as well.

The document is ready for pick up from 170 Otis Street. Due to the insignificant fee we would charge for this document, we will waive the fee for this particular request.

Please note, St. Vincent de Paul submits one invoice for 150 Otis shelter and 150 Otis drop in services.

Thank you.

Subject Re: IMMEDIATE DISCLOSURE REQUEST

"Statement of Service and Invoice" was the title on several documents that I previously received from you about MSC South detailing expenditures for a given month at that shelter. I am hereby requesting the same for 150 Otis and 150 Otis Winter Shelter.

This email is in response to your public records request.

Please clarify what you mean by: "most recent Statement of Service".

Regarding the recent invoices for 150 Otis (Drop In, I assume) and 150 Otis shelter, I have requested those invoices and I will forward to you as soon as I get them.

The Human Services Agency does not fund St. Anthony's dining room.

The Human Services Agency does not have access to our non-profit partners' personnel files. Also, I am certain that anything in the personnel files of St. Vincent de Paul employees is most likely confidential, but you may want to check with them directly.
