PROPOSED ORDINANCE AMENDMENTS

ARTICLE I  
IN GENERAL

---

Sec. 67.1. Findings and Purpose.

Sec. 67.2. Citation.

SECTION 67.1 FINDINGS AND PURPOSE.

The Board of Supervisors and the People of the City and County of San Francisco find and declare:

(a) Government's duty is to serve the public, reaching its decisions in full view of the public.

(b) Elected officials, commissions, boards, councils and other agencies of the City and County exist to conduct the people's business. The people do not cede to these entities the right to decide what the people should know about the operations of local government.

(c) Although California has a long tradition of laws designed to protect the public's access to the workings of government, every generation of governmental leaders includes officials who feel more comfortable conducting public business away from the scrutiny of those who elect and employ them. New approaches to government constantly offer public officials additional ways to hide the making of public policy from the public. As government evolves, so must the laws designed to ensure that the process remains visible.

## AMENDMENTS FOR 2008

*FINALIZED 6/10/2008 by the Task Force*

1 (d) The right of the people to know what their government and those acting on  
2 behalf of their government are doing is fundamental to democracy, and with very few  
3 exceptions, that right supersedes any other policy interest government officials may use to  
4 prevent public access to information. Only in rare and unusual circumstances does the public  
5 benefit from allowing the business of government to be conducted in secret, and those  
6 circumstances should be carefully and narrowly defined to prevent public officials from  
7 abusing their authority.

8 (e) Public officials who attempt to conduct the public's business in secret should be  
9 held accountable for their actions. Only a strong Open Government and Sunshine Ordinance,  
10 enforced by a strong Sunshine Commission<sup>1</sup>~~Sunshine Ordinance Task Force~~, can protect the  
11 public's interest in open government.

12 (f) The people of San Francisco enact these amendments to assure that the people  
13 of the City remain in control of the government they have created.

14 (g) Private entities and individuals and employees and officials of the City and County of  
15 San Francisco have rights to privacy that must be respected. However, when a person or  
16 entity is before a policy body or passive meeting body, that person, and the public, has the  
17 right to an open and public process. (Added by Ord. 265-93, App. 8/18/93; amended by  
18 Proposition G, 11/2/99)

### 20 **SECTION 67.2. CITATION.**

21 This ~~Chapter~~chapter may be cited as the San Francisco Sunshine Ordinance. (Added by Ord.  
22 265-93, App. 8/18/93; amended by Proposition G, 11/2/99)

23 <sup>1</sup> The Task Force is changing its name from "Task Force" – which implies a body established  
24 for a temporary purpose – to "Commission" throughout the Ordinance. This is a non-  
25 substantive change, based on advice from Deputy City Attorney Ernest Llorente, in  
consultation with the City Attorney Office's government team, that the body's name change  
would not alter the body's appointment process or powers.
