SUNSHINE ORDINANCE TASK FORCE

Meets 4th Tuesdays, 4:00 p.m., City Hall

Know Your Rights Under the Sunshine Ordinance

Government's duty is to serve the public, reaching its decisions in full view of the public. Commissions, boards, councils and other agencies of the City and County exist to conduct the peoples' business. The Sunshine Ordinance assures that deliberations are conducted before the people and that City operations are open to the peoples' review.

Key Sunshine Provisions

- The public has a right to inspect and copy public documents
- The public has a right to attend and testify at public meetings
- The public has a right to make an Immediate Disclosure Request for documents, which requires a response at the end of the next business day.
- The Task Force will hold hearings on alleged violations of these rules.

☞ Sunshine Hearing Procedures

If a department or agency fails to comply with a public records request within 10 days or violates a public meeting rule, the requestor may ask for a Sunshine Task Force hearing. Petitions for hearings are available from the Sunshine administrator at sotff@sfgov.org or 554-7724.

A representative of the department or agency's custodian of records shall attend the hearing and explain the reason for withholding the record requested or violating the public meeting rule. If the Task Force determines that the record is public, it shall order that it be provided to the requestor immediately. If the Task Force finds that a public meeting rule was violated, it shall issue a finding so stating.

If the department or agency fails to comply with this Order of Determination in five days, the Task Force may notify the Ethics Commission, the District Attorney or the Attorney General, who may take measures to assure compliance.

The Task Force must notify the requestor of the outcome of the hearing within 45 days from the time it is requested.
