Re: Complaint No. 07094, Kimo Crossman v. City Attorney's Office

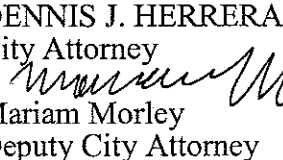

Dear Task Force Members:

Mr. Crossman is correct. Our Office inadvertently failed to respond to Mr. Crossman's request of November 21, 2007 for December 2007 calendars maintained by the City Attorney. Our confusion was caused by the fact that we had previously responded to similar requests from Mr. Crossman for the City Attorney's calendars.

Had we responded immediately to Mr. Crossman's November 21, 2007 request, we would have explained that San Francisco Administrative Code Section 67.29-5 provides that the "Prop. G" calendars maintained by City officials will be disclosed three business days subsequent to the calendar entry dates. Thus, we would have declined to disclose the City Attorney's December 2007 Prop G calendar prior to January 4, 2008. If Mr. Crossman is still interested in receiving a copy of the City Attorney's Prop G calendar for the month of December 2007, we would be happy to provide it to him.

To the extent that Mr. Crossman's November 21, 2007 request seeks disclosure of a calendar other than the City Attorney's Prop G calendar, we would have declined to provide such documents. Our reasons for this refusal are set forth in our response to Mr. Crossman's previous request for such a calendar. A copy of that response -- an August 23, 2007 email from Alexis Thompson of our office to Mr. Crossman -- is attached hereto. Please refer to our discussion of this issue in the third, fourth and fifth paragraphs of that email.

Very truly yours,

DENNIS J. HERRERA

Subject Response to Your Request Regarding the City Attorney's Calendar(s)

Dear Mr. Crossman:

This e-mail responds to your requests under Section 67.21 (b) and Section 67.21 (c) of the Sunshine Ordinance regarding the City Attorney's calendar or calendars.

As you know, this office has already provided you with the City Attorney's "Prop G" calendar, as required by Section 67.29-5 of the Sunshine Ordinance, with redactions as permitted by law. The Prop G calendar contains entries pertaining to the City Attorney's activities that generally are not privileged and must be disclosed in response to a request for the City Attorney's calendar. For the City Attorney, the function of the Prop G calendar is to record non-privileged meetings he has attended that pertain to his official duties.

This office will not provide another calendar maintained by the City Attorney's Office for the City Attorney that is in fact the basis for the public Prop G calendar. This other calendar contains private information about the City Attorney's personal activities; private phone numbers and addresses of others; identities of constituents who meet with the City Attorney to petition their elected representative; identities of whistleblowers or other persons complaining about violations of law; information acquired in confidence from others; information pertaining to pending investigations; and information protected by the attorney-client privilege or attorney work product privilege. In addition, the calendar contains entries for events not attended by the City Attorney.

These entries are protected from disclosure under Section 6254 (k) of the Public Records Act and a host of laws, including Cal. Const., Art. I §1 (privacy); Cal. Const., Art. I, §3 (right to petition elected representatives); Cal. Gov. Code § 6254 (c) (privacy) [see also Cal. Gov. Code § 6250, indicating that in adopting the Public Records Act, the Legislature was "mindful of the rights of individuals to privacy," and S.F. Admin Code § 67.1 (g), recognizing that "Private entities and individuals and employees and officials of the City and County of San Francisco have rights to privacy that must be respected"]; S.F. Admin Code Chapter 12M (privacy as to personal information); Cal. Evid. Code §1040 (official information privilege, protecting information acquired in confidence by the City); Cal. Evid. Code §1041 (identity of informant privilege, protecting identity of individuals who report violations of law); Cal. Evid. Code §954 (attorney-client privilege); Cal Code Civ. Procedure § 2018.30 (attorney work product privilege). Further, for purposes of maintaining the City Attorney's schedule, some information appears on the calendar that does not pertain to City business, and that information does not constitute a public record within the meaning of the Public Records Act or Sunshine Ordinance.

The Prop G calendar provides information as to time, date and subject matter of meetings attended by the City Attorney, without providing privileged information, such as the information described above. The Prop G calendar is essentially the equivalent of the other calendar properly redacted. Under these circumstances, disclosure of the Prop G calendar is all that the Public Records Act and Sunshine Ordinance require.

With respect to your request under Section 67.21 (c), this e-mail moots that request in that it discloses the existence of the City Attorney's calendar. There are no others. However, we do not agree that Section 67.21 (c) is apposite in this case. That provision is intended to assist requesters in finding out enough about categories of records in a department's possession so that the requester could then submit a request that reasonably identifies the record or category of records being sought. It states: "A custodian of a public record...shall, when requested to do so, provide in writing within seven days following receipt of a

request, a statement as to the existence, quantity, form and nature of records relating to a particular subject or questions with enough specificity *to enable a requester to identify records in order to make a request under (b)*' (Emphasis added.) In this case, you have already made a request that encompasses calendars maintained by the City Attorney, and have made clear that you seek all such calendars.

Best,  
ALEXIS THOMPSON  
Deputy Press Secretary

**Memorandum****ATTACHED STATUTORY SECTIONS FROM CHAPTER 67 OF THE SAN FRANCISCO ADMINISTRATIVE CODE (THE SUNSHINE ORDINANCE) UNLESS OTHERWISE SPECIFIED**

Section 67.21 addresses general requests for public documents.

This section provides:

(a) Every person having custody of any public record or public information, as defined herein, ... shall, at normal times and during normal and reasonable hours of operation, without unreasonable delay, and without requiring an appointment, permit the public record, or any segregable portion of a record, to be inspected and examined by any person and shall furnish one copy thereof upon payment of a reasonable copying charge, not to exceed the lesser of the actual cost or ten cents per page.

(b) A custodian of a public record shall as soon as possible and within **ten days** (emphasis added) following receipt of a request for inspection or copy of a public record, comply with such request. Such request may be delivered to the office of the custodian by the requester orally or in writing by fax, postal delivery, or e-mail. If the custodian believes the record or information requested is not a public record or is exempt, the custodian shall justify withholding any record by demonstrating, in writing as soon as possible and within ten days following receipt of a request, that the record in question is exempt under express provisions of this ordinance.

Section 67.25 provides:

a.) Notwithstanding the 10-day period for response to a request permitted in Government Code Section 6256 and in this Article, a written request for information described in any category of non-exempt public information shall be satisfied no later than the close of business on the day following the day of the request. This deadline shall apply only if the words "Immediate Disclosure Request" are placed across the top of the request and on the envelope, subject line, or cover sheet in which the request is transmitted. Maximum deadlines provided in this article are appropriate for more extensive or demanding requests, but shall not be used to delay fulfilling a simple, routine or otherwise readily answerable request.

b.) If the voluminous nature of the information requested, its location in a remote storage facility or the need to consult with another interested department warrants an extension of 10 days as provided in Government

### Memorandum

Code Section 6456.1, the requestor shall be notified as required by the close of business on the business day following the request.

c.) The person seeking the information need not state his or her reason for making the request or the use to which the information will be put, and requesters shall not be routinely asked to make such a disclosure. Where a record being requested contains information most of which is exempt from disclosure under the California Public Records Act and this article, however, the City Attorney or custodian of the record may inform the requester of the nature and extent of the non-exempt information and inquire as to the requester's purpose for seeking it, in order to suggest alternative sources for the information which may involve less redaction or to otherwise prepare a response to the request

Section 67.26 provides:

No record shall be withheld from disclosure in its entirety unless all information contained in it is exempt from disclosure under express provisions of the California Public Records Act or of some other statute. Information that is exempt from disclosure shall be masked, deleted or otherwise segregated in order that the nonexempt portion of a requested record may be released, and keyed by footnote or other clear reference to the appropriate justification for withholding required by section 67.27 of this article. This work shall be done personally by the attorney or other staff member conducting the exemption review. The work of responding to a public-records request and preparing documents for disclosure shall be considered part of the regular work duties of any city employee, and no fee shall be charged to the requester to cover the personnel costs of responding to a records request.

Section 67.27 provides:

Any withholding of information shall be justified in writing, as follows:

- a.) A withholding under a specific permissive exemption in the California Public Records Act, or elsewhere, which permissive exemption is not forbidden to be asserted by this ordinance, shall cite that authority.
- b.) A withholding on the basis that disclosure is prohibited by law shall cite the specific statutory authority in the Public Records Act of elsewhere.
- c.) A withholding on the basis that disclosure would incur civil or criminal liability shall cite any specific statutory or case law, or any other public agency's litigation experience, supporting that position.

The willful failure of any elected official, department head, or other managerial city employee to discharge any duties imposed by the Sunshine Ordinance, the Brown Act or the Public Records Act shall be deemed official misconduct. Complaints involving allegations of willful violations of this ordinance, the Brown Act or the Public Records Act by elected officials or department heads of the City and County of San Francisco shall be handled by the Ethics Commission.

b.) Except with respect to public records exempt from disclosure by express provisions of law, each state or local agency, upon a request for a copy of records that reasonably describes an identifiable record or records, shall make the records promptly available to any person upon payment of fees covering direct costs of duplication, or a statutory fee if applicable. Upon request, an exact copy shall be provided unless impracticable to do so.

c.) Each agency, upon a request for a copy of records, shall within 10 days from receipt of the request, determine whether the request, in whole or in part, seeks copies of disclosable public records in the possession of the agency and shall promptly notify the person making the request of the determination and the reasons therefore....

d.) Nothing in this chapter shall be construed to permit an agency to delay or obstruct the inspection or copying of public records. The notification of denial of any request for records required by Section 6255 shall set forth the names and titles or positions of each person responsible for the denial.

Section 6255 provides:

a.) The agency shall justify withholding any record by demonstrating that the record in question is exempt under express provisions of this chapter or that on the facts of the particular case the public interest served by not disclosing the record clearly outweighs the public interest served by disclosure of the record.

b.) A response to a written request for inspection or copies of public records that includes a determination that the request is denied, in whole or in part, shall be in writing.

Sue Cauthen, Chair  
Members of the Complaint Committee

Re: Kimo Crossman v. City Attorney's Office (07094)

Dear Chair Cauthen and Members of the Complaint Committee:

This letter addresses the issue of whether the Sunshine Ordinance Task Force ("Task Force") has jurisdiction over the complaint of Kimo Crossman against the San Francisco City Attorney's Office.

### BACKGROUND

On November 21, 2007, Kimo Crossman made a public records request with Matt Dorsey of the City Attorney's Office for City Attorney Herrera's calendar for December 2007. On November 23, 2007, Kimo Crossman renewed his request and asked that the calendar be posted on the City website. On November 28, 2007, Kimo Crossman stated that compliance on his request is overdue. As of November 29, 2007, Kimo Crossman stated that he did not receive a response from the City Attorney's Office.

### COMPLAINT

On November 29, 2007 Complainant Kimo Crossman filed a complaint against the City Attorney's Office alleging violations of the Sunshine Ordinance.

### SHORT ANSWER

Based on Complainant's allegation and the applicable sections of the Sunshine Ordinance and the California Public Records Act, which are cited below, the Sunshine Ordinance Task Force *does* have jurisdiction over the allegation. The allegations are covered under 67.21 and 67.29-5 of the Ordinance.

### DISCUSSION AND ANALYSIS

Article I Section 3 of the California Constitution as amended by Proposition 59 in 2004, the State Public Records Act, the State Brown Act, and the Sunshine Ordinance as amended by Proposition G in 1999 generally covers the area of Public Records and Public Meeting laws that the Sunshine Ordinance Task Force uses in its work.

The Sunshine Ordinance is located in the San Francisco Administrative Code Chapter 67. All statutory references, unless stated otherwise, are to the Administrative Code.

Letter to the Complaint Committee

Page 2

December 28, 2007

Section 67.21 generally covers requests for documents and Section 67.29-5 covers the responsibility of every Department Head to keep a daily calendar.

In this case Kimo Crossman alleges that he made several requests for the calendar of City Attorney Dennis Herrera and did not receive a response to his requests. The Task Force has subject matter jurisdiction over this complaint and will have to determine if the City Attorney's Office violated the Ordinance.
