SOTF has already covered most of the Public Forum section - it is unclear if that can be reopened.

all Public Records and Enforcement will be reviewed around April 20th

The purpose of this meeting is to limit complaining and come to the meeting with actual language of changes to the draft ordinance.

Allen - please reply all to this with your relevant memos.

ORDER OF DETERMINATION
April 7, 2010

DATE THE DECISION ISSUED
March 23, 2010

SUPERVISOR DALY VS. MAYOR'S OFFICE (10007)

FACTS OF THE CASE

Complainant, Supervisor Chris Daly, alleges that on February 4, 2010, he sent an Immediate Disclosure Request ("IDR") to the Mayor's Office ("Mayor") requesting "all written communication between Michael Yarne and the Planning Department, the Mayor's Office of Housing, and the Controller between October 1, 2009, and January 31, 2010." Mr. Daly further alleges that the Mayor failed to respond to the request by the end of the 10-day extension period he invoked in response to the request, as required by the Ordinance.

COMPLAINT FILED

On February 22, 2010, Mr. Daly filed a complaint with the Task Force alleging a violation of Sunshine Ordinance Section 67.25(a).

HEARING ON THE COMPLAINT

On March 23, 2010, Mr. Daly's aide April Veneracion presented Mr. Daly's complaint before the Task Force. The Mayor's Office was not represented. There was no one in the audience to present facts and evidence in support of the Mayor. Ms. Veneracion told the Task Force that a document request to the Mayor was made on February 4 and a response requesting a 10-day extension was received on February 5. Ms. Veneracion said that on February 11, the Mayor's Office told Mr. Daly the request was too broad, and would need to be narrowed for a response. Ms. Veneracion said she sent a follow-up email to the Mayor's Office on February 17 and received an "Out of Office" reply, after which she spoke to Laura Houser of the Mayor's Office of Communication, who assured her that the email would go to the appropriate person. Ms. Veneracion also noted that a second request was sent March 2, which covered some but not all of the information in the first request. She emphasized that the second request was not a substitute for the first request. Ms. Veneracion told the Task Force that she received two binders from the Mayor's Office, but upon further inquiry, she was told by a representative of the Mayor's Office that the documents in the binders were related to the second request. She said Mr. Daly's office had not received the documents covered in the first request.

ORDER OF DETERMINATION**FINDINGS OF FACT AND CONCLUSIONS OF LAW**

The Task Force found that the Mayor's Office failed to produce documents responsive to Mr. Daly's first request within the time frame allowed under the Ordinance. The Task Force agreed the first request was not overbroad and was specific enough to allow the Mayor's Office to respond. Moreover, even if the request was considered "overbroad" the rule of reason incorporated into the California Public Records Act section 6255 – where the public interest in disclosure is weighed against the public interest in withholding – is not applicable under the Sunshine Ordinance. The Task Force further found that it was unclear, without testimony from the Mayor's Office, whether any documents were withheld from production in response to Mr. Daly's second request (which covered a subset of information sought in the first request). The Task Force understood that documents may have been withheld because the response from the Mayor's Office was that the City Attorney was reviewing the responsive documents.

DECISION AND ORDER OF DETERMINATION

The Task Force finds that the Mayor's Office violated Section(s) 67.21 (b) for failure to produce documents, 67.21 (e) for not sending a knowledgeable representative to the March 23 hearing, and 67.25 (b) for invoking the 10-day extension in response to an immediate disclosure request but not responding within the period allowed. The Mayor's Office is hereby instructed to release all the non-exempt records requested by Mr. Daly within 5 business days after receiving this Order and to appear before the full Task Force on April 27, 2010. Respondent's failure to comply fully with this Order may result in referral of this matter to a City or State entity with enforcement powers including the imposition of fines and penalties.

This Order of Determination was adopted by the Sunshine Ordinance Task Force on March 23, 2010, by the following vote: (Craven-Green / Goldman)
Ayes: Craven-Green, Cauthen, Washburn, Knoebber, Chan, Goldman, Williams, Knee
Absent: Manneh, Johnson

Richard A. Knee, Chair
Sunshine Ordinance Task Force

Subject MTA Board/Emile Lawrence Complaint

Dear Mr. Rustom:

I would like to express appreciation to the SOTF regarding their finding of no violation with respect to proper notice of cancellation of SFMTA Board meetings. I appreciate how seriously they take every complaint and their fairness with respect to dealing with such complaints.

During yesterday's hearing, Mr. Lawrence alleged that the SFMTA Board of Directors changed their meeting location. After the hearing, we spoke and he acknowledged that the SFMTA Board had always held their Board meetings in City Hall. Mr. Lawrence was referring to the series of Town Hall meetings that the Agency held at One South Van Ness as part of their outreach efforts regarding the budget. Those meetings were not meetings of the SFMTA Board.

In addition, Commissioner Williams had expressed concern regarding meeting start times with regards to seniors and people with disabilities. Please know that our regular meetings start at 2 p.m. During the "budget season" (January – April), the SFMTA Board schedules additional meetings in order to focus on the budget. Knowing that the public has a deep interest in and passion for Muni and out of respect for people's time, especially seniors and people with disabilities, the Board typically starts these special meetings at 9 a.m. At those meetings, there will often be more than 100-150 members of the public in attendance, who all wish to address the Board. The Board starts the meeting earlier than 2 pm because, as you can imagine, public testimony can take hours. Therefore, if the meeting commenced in the afternoon, many seniors and people with disabilities won't have the chance to testify because many wish to be home by the early evening or as it gets dark. So while I appreciate Commissioner Williams' concern, please know that the Board starts those meetings early because they do have a care for seniors and people with disabilities. With respect to those special public hearings on the budget, the SFMTA runs an ad in the official newspaper for five days not less than 15 days prior to those public hearings. In addition, information is posted on the SFMTA's website and on-board Muni vehicles so the public is notified well in advance of the start time of those meetings.

Thank you again for your kind assistance.

Sincerely,

Roberta Boomer
Secretary, SFMTA Board of Directors
