Continued without objection

4. 09069 The Compliance and Amendments Committee has referred to the Task Force a recommendation that #09069 Asian Law Caucus v Mayor's Office be forwarded to the Ethics Commission on the basis of willful failure to comply with the Order of Determination, willful failure to comply with the requirement to appear at hearings, and willful failure to provide justification for withholding.

The complainant was not present. There was no one in the audience to present facts and evidence on behalf of the complainant.

The respondent was not present. There was no one in the audience to present facts and evidence on behalf of the complainant.

Item continued to April 27, 2010, as requested by the complainant. Without objection.

5. 09075 The Compliance and Amendments Committee has referred to the Task Force without recommendation the issue of whether the City Attorney's Office's failure to comply with the Order of Determination in #09075 Bred Starr v City Attorney's Office should be referred to another body for further action.

Complainant Bred Starr was not present. There was no one in the audience to present facts and evidence on behalf of the complainant.

Jack Song of the City Attorney's Office said Ms. Starr's made a request in September 2009 about some documents regarding Mary Ellen O'Brian of the Department of Parking and Traffic. His office provided Ms. Starr with two disciplinary letters to Ms. Starr. On further conversations with Ms. Starr, the office learned that she wanted a confidential City Attorney memo that was mentioned in a January 2004 Chronicle newspaper. That document could not be released because it comes under the attorney-client privilege and attorney work product doctrine.

Member Craven-Green said there would not be any benefit to referring this to

any enforcement agency and hoped that someday the California Appeals Court would rule on the matter.

Mr. Song did not have any closing remarks.

Public Comment: Peter Warfield of the Library Users Association said he was not familiar with the complaint but the Task Force's evaluation of whether the Order of Determination was met or not was more important than debating whether the referred agency would take any action or not.

No further action. Matter concluded.

6. 10005 Determination of jurisdiction on complaint filed by Emil Lawrence against the Municipal Transportation Agency for allegedly cancelling meetings improperly.

Motion to find jurisdiction (Goldman / Knoebber)

Public Comment: None

On the motion

Ayes: Craven-Green, Cauthen, Washburn, Knoebber, Chan, Goldman, Williams, Knee

7. 10005 Hearing on complaint filed by Emil Lawrence against the Municipal Transportation Agency for allegedly cancelling meetings improperly.

Complainant Emil Lawrence said he has been living in San Francisco for 41 years and have been a taxi driver for 14 years. He said he has addresses the Taxi Commission and the MTA Commission for over five years on subjects related to taxis. The MTA used to hold its meetings once every two weeks but for the past few months meetings are being held sporadically. He said the agendas for the January and February meetings were not posted in a regular and timely manner as required by the Ordinance. He said the MTA needs to get back to a regular schedule and that while the MTA has doubled, the number of meetings has decreased.

Roberta Boomer, Commission Secretary of the MTA, said she has submitted evidence to the Task Force that shows that the posting of agendas and the cancellation of meetings meets the requirements of the Sunshine Ordinance and the Brown Act.

Ms. Boomer did not have any closing remarks. Mr. Lawrence said the MTA is responsible to about 450,000 riders and taxi drivers. He said the MTA creates chaos when it decides to reschedule and cancel meetings and this kind of practice has to end. He said the MTA is creating confusion because of the issues surrounding its finances and schedules.

Member Cauthen said she knows where Mr. Lawrence is coming from but does not see a violation. Member Knoebber agreed.

Motion to find no violation (Cauthen / Goldman)

Public Comment: Francisco DeCosta said there needs to be a central location in City Hall where notices and cancellations of meetings are to be posted.

On the motion

Ayes: Craven-Green, Cauthen, Washburn, Knoebber, Chan, Goldman, Knee

Noes: Williams

8. 10007 Determination of jurisdiction on complaint filed by Supervisor Chris Daly against Michael Yarne and Joe Arellano of the Mayor's Office for allegedly failing to respond at the end of a 10-day extension period.

Motion to find jurisdiction (Goldman / Knoebber)

Public Comment: None

On the motion

Ayes: Craven-Green, Cauthen, Washburn, Knoebber, Chan, Goldman, Williams, Knee

9. 10007 Hearing on complaint filed by Supervisor Chris Daly against Michael Yarne and Joe Arellano of the Mayor's Office for allegedly failing to respond at the end of a 10-day extension period.

April Veneracion, an aide to Supervisor Chris Daly, said a document request to the Mayor was made on February 4 and a response requesting a 10-day extension was received on February 5. On February 11 the Mayor's Office said the request was broad. She sent a follow-up email to the Mayor's Office on February 17 and received an Out of Office reply after which she spoke to Laura Houser of the Mayor's Office of Communication who assured her that the email would go to the appropriate person. A second request was sent March 2 and she emphasized that the current request was not related to first request. She said she received two binders and was told they were related to the second request. She said she had not received documents requested in the first request.

The respondent was not present. There was no one in the audience to present facts and evidence on behalf of the respondent.

Members said they did not know if documents were withheld from the second request. All that was said was that the City Attorney was reviewing the documents before releasing it to Supervisor Daly. They also noted that there was no reason to believe whether the rule of reason as it is formulated in state case law applied to Sunshine requests.

No closing statements were made.

Motion to find violation of Sections 67.21 (b) for failure to produce documents,

67.21 (e) for not sending a knowledgeable representative to the hearing and 67.25 (b) for invoking the 10 days and nor responding within the limited time frame. (Craven-Green / Goldman)

Public Comment: Peter Warfield said it is always appropriate to make an Immediate Disclosure Request but he doesn't use it if he knows time was needed to get the documents he wants. He said an IDR forces the agency to respond by the next business day whereas if an IDR was no used one would be waiting forever for the documents to be produced.

On the motion

Ayes: Craven-Green, Cauthen, Washburn, Knoebber, Chan, Goldman, Williams, Knee

15. Public comment for items not listed on the agenda. Public comment shall be held at 5:00 p.m., or as soon thereafter as possible.

Chair Knee announced that two special meetings on the amendments will be held on March 30 and April 6 at 5 p.m. in Rm 406.
