Subject Re: Complaint

Mr. Rustom,

This is to clarify the two complaints that we have filed against the Human Services Agency.

The position to provide real estate services for the office of Public Administrator/Public Guardian's office has been opened two times in the last 2 years. Around 2007/2008, the position was posted and The Human Services Agency accepted applications. Shortly after the deadline for submission, the Human Services Agency decided to pull the position and revise the standard of review. The most recent second complaint filed with the Task Force concerns material pertinent to this first position opening. We would like to include this complaint in our upcoming hearing on 7/28/09.

The position is currently opened again in 2008/2009. Our first complaint with the Task Force concerns this current opening which the Human Services Agency alleges as not being subject to production since the contract has not formally been awarded.

We request consolidation of both complaints as they arise out of the same set of facts therefore can be decided at the same time.

Thank you for your attention. Please contact me should you have any additional questions.

Sincerely,

Hanna Leung
Lydia Fong

Ms Leung and Ms. Fong,

Is the complaint filed on Friday new or is it an addition to the original complaint because Member Craven-Green suggested at the June 23 meeting that you should make a list of all the documents you wanted from Human Services.

Ms. Leung,

This is not going to be heard with 09026 because this is a separate issue. Also, you need to first request the file from the department and then file with the Task Force if your request is denied.
