TOMAS PICARELLO v. SUPERVISOR JAKE McGOLDRICK (08034)

THE COMPLAINANT ALLEGES THE FOLLOWING FACTS:

Complainant Tomas Picarello has attended the Board of Supervisor's Budget Committee hearings from June 8, 2008 to the present. THE COMPLAINANT FILES A COMPLAINT:

On June 25, 2008, Tomas Picarello filed a complaint against Supervisor Jake McGoldrick alleging that Supervisor McGoldrick excluded public comment on budget items that had been discussed at the June 19, 2008 hearing, and then carried over to a later hearing. ARTICLE I, SECTION 3****§3 Openness in Government**

- a) The people have the right to instruct their representative, petition government for redress of grievances, and assemble freely to consult for the common good.
- b)(1) The people have the right of access to information concerning the conduct of the people's business, and therefore, the meetings of public bodies and the writings of public officials and agencies shall be open to public scrutiny.
 - 2) A statute, court rule, or other authority, including those in effect on the effective date of this subdivision that limits the right of access shall be adopted with findings demonstrating the interest protected by the limitation and the need for protecting that interest.
 - 3) Nothing in this subdivision supersedes or modifies the right of privacy guaranteed by Section 1 or affects the construction of any statute, court rule, or other authority to the extent that it protects that right to privacy, including any statutory procedures governing discovery or disclosure of information concerning the official performance or professional qualifications of a peace officer.
 - 4) Nothing in this subdivision supersedes or modifies any provision of this Constitution, including the guarantees that person may not be deprived of life, liberty, or property without due process of law, or denied equal protection of the laws, as provided by Section 7.
 - 5) This subdivision does not repeal or nullify, expressly or by implication, any constitutional or statutory exception to the right of access to public records or meetings or public bodies that is in effect on the effective date of this subdivision, including, but not limited to, any statute protecting the confidentiality of law enforcement and prosecution records.

Memorandum**ATTACHED STATUTORY SECTIONS FROM CHAPTER 67 OF THE SAN
FRANCISCO ADMINISTRATIVE CODE (THE SUNSHINE ORDINANCE)
UNLESS OTHERWISE SPECIFIED**

Section 67.1 addresses Findings and Purpose

The Board of Supervisors and the People of the City and County of San Francisco find and declare:

- (a) Government's duty is to serve the public, reaching its decisions in full view of the public.
- (b) Elected officials, commissions, boards, councils and other agencies of the City and County exist to conduct the people's business. The people do not cede to these entities the right to decide what the people should know about the operations of local government.
- (c) Although California has a long tradition of laws designed to protect the public's access to the workings of government, every generation of governmental leaders includes officials who feel more comfortable conducting public business away from the scrutiny of those who elect and employ them. New approaches to government constantly offer public officials additional ways to hide the making of public policy from the public. As government evolves, so must the laws designed to ensure that the process remains visible.
- (d) The right of the people to know what their government and those acting on behalf of their government are doing is fundamental to democracy, and with very few exceptions, that right supersedes any other policy interest government officials may use to prevent public access to information. Only in rare and unusual circumstances does the public benefit from allowing the business of government to be conducted in secret, and those circumstances should be carefully and narrowly defined to prevent public officials from abusing their authority.
- (e) Public officials who attempt to conduct the public's business in secret should be held accountable for their actions. Only a strong Open Government and Sunshine Ordinance, enforced by a strong Sunshine Ordinance Task Force can protect the public's interest in open government.
- (f) The people of San Francisco enact these amendments to assure that the people of the City remain in control of the government they have created.
- (g) Private entities and individuals and employees and officials of the City and County of San Francisco have rights to privacy that must be respected. However, when a person or entity is before a policy body or passive meeting body, that person, and the public, has the right to an open and public process.

Memorandum

Section 67.15 of the San Francisco Administrative Code provides for public testimony as follows:

a.) Every agenda for regular meetings shall provide an opportunity for members of the public to directly address a policy body on items of interest to the public that are within policy body's subject matter jurisdiction, provided that no action shall be taken on any item not appearing on the agenda unless the action is otherwise authorized by Section 67.7(e) of this article. However, in the case of a meeting of the Board of Supervisors, the agenda need not provide an opportunity for members of the public to address the Board on any item that has already been considered by a committee, composed exclusively of members of the Board, at a public meeting wherein all interested members of the public were afforded the opportunity to address the committee on the item, before or during the committee's consideration of the item, unless the item has been substantially changed since the committee heard the item, as determined by the Board.

b.) Every agenda for special meetings at which action is proposed to be taken on an item shall provide an opportunity for each member of the public to directly address the body concerning that item prior to action thereupon.

c.) A policy body may adopt reasonable regulations to ensure that the intent of subdivisions (a) and (b) are carried out, including, but not limited to, regulations limiting the total amount of time allocated for public testimony on particular issues and for each individual speaker. Each policy body shall adopt a rule providing that each person wishing to speak on an item before the body at a regular or special meeting shall be permitted to be heard once for up to three minutes. Time limits shall be applied uniformly to members of the public wishing to testify.

d.) A policy body shall not abridge or prohibit public criticism of the policy, procedures, programs or services of the City, or of any other aspect of its proposals or activities, or of the acts or omissions of the body, on the basis of that performance of one or more public employees is implicated, or on any basis other than reasonable time constraints adopted in regulations pursuant to subdivision c) of this section.

Continuance

Hi,

I send this email to seek a continuance of the consideration of my

Sunshine

Complaint 08034, which is now scheduled for Tuesday, August 26. Since

there was a last minute change in the schedule, this new date has fallen in

the middle of the Board recess when no member of the Supervisor's

Office

will be available.

I will be submitting the supporting documents Aug 19, as requested.

Please continue this to another date. I am available September 2, if

there

is a meeting that day.

Thank you!

August 18, 2008

To the Members of the Sunshine Ordinance Task Force:

Thank you for giving the office of Supervisor Jake McGoldrick the opportunity to respond to the complaint lodged against our office regarding the process the Budget and Finance Committee crafted in order to receive the public's priorities. I am sorry that no one from the office is able to attend the meeting on August 26.

The original date of this hearing was set on Tuesday, July 22, in an email sent me on June 30, 2008. The hearing was subsequently changed to August 26, a date when no member of the office is available. Our office will be closed the week of August 25-29, during the second week of the Board of Supervisors' recess, and each member of the office will be outside of San Francisco on trips that were planned before the date change.

I ask that you continue this hearing until the next meeting, if possible, or the next convenient agenda for the Task Force. The office will reopen on September 2, and I will be more than happy to explain the thought and deliberation that went into crafting the logistics of the Budget hearings.

I am very proud of the job we did, especially in amassing and understanding the public input we received, and using the public's priorities to restore more than \$30 million to pass a compassionate, fiscally prudent budget at the end of July.

Thank you. Please feel free to let me know if you have any questions.

With deep appreciation of the work you do,

To the Members of the Sunshine Ordinance Task Force:

This letter responds to the Complaint dated June 25, 2008 by Tomas Picarello to the Sunshine Ordinance Task Force ("Complaint") against the Board of Supervisors' Budget and Finance Committee ("Committee") for alleged violations of public comment requirements during the Committee's 2008-2009 Annual Budget Hearings. Specifically, Mr. Picarello alleges:

Budget and Finance Committee is excluding public comment regarding the 2008-2009 budget process. The Committee believes [sic] that the 2 minutes allowed on June 19, 2008 to the public, satisfies section 67.15 is seriously misplaced. The committee continuously discusses major substantial changes on the budget on a daily basis, without the opportunity for the public to render public comment.

Factual Background

As explained below, Mr. Picarello's allegation that the Committee wrongfully excluded public comment is incorrect. The Committee considered the 2008-2009 Annual Budget ("Budget") for approximately 48 hours¹ over the course of six, separately noticed public meetings between June 16, 2008 and June 26, 2008.² Each day's meeting agenda clearly stated that public comment on the 2008-2009 Budget would be taken on June 19, 2008 at 5:00 PM. Each aspect of the Budget on each day's agenda was continued from meeting to meeting until the Committee received Public Comment, and thereafter, until the Committee acted upon the full Budget.

The Committee took over 7 ½ hours of public comment on the 2008-2009 Budget on the evening of June 19, 2008, beginning shortly after 5:00 PM, and ending at 12:27 AM. Over the course of the 7 ½ hour period, all members of the public who expressed a desire to testify had an opportunity to speak for two minutes.³ The Public Comment session ended only after the Committee heard from every speaker who wished to testify. A total of 257 members of the public commented during the evening session. In addition,

¹According to the Committee Minutes, the Committee met on June 16th from 11:14 AM – 3:27 PM; on June 18th from 11:08 AM- 4:42 PM; on June 19th from 11:15 AM- 12:27 AM on June 20th (including Public Comment from approximately 5:00 PM – 12:27 AM); on June 23rd from 11:10 AM – 4:05 PM; on June 25th from 11:20 AM – 4:40 PM; and on June 26th from 11:23 AM – 3:35 AM on June 27th. The Committee's Minutes are attached as Exhibit 1.

² The agendas are attached as Exhibit 2.

³ We do not understand the Complaint to be challenging the two-minute per speaker time limit. Where, as here, a policy body is engaged in lengthy hearings and has a short time frame to complete its work, the policy body may exercise its discretion to reduce time limits for public comment from three to two minutes. *Chaffee v. San Francisco Public Library*, 134 Cal App 4th 109, 115 (2005).

each Board member and the Clerk's office received written public comment in the form of emails and letters, detailed by the Office of the Legislative Analyst⁴.

Compliance with Sunshine Ordinance

We are not certain on what basis Mr. Picarello contends that the Committee "exclud[ed] public comment" during the 2008-2009 Budget hearing process. The Committee is a policy body under the Sunshine Ordinance, Sunshine Ordinance 67.3(d). Public Meeting laws require policy bodies to take public comment " **before or during** the [policy body's] consideration of the item." See Brown Act, §54954.3(a), Sunshine Ordinance, §67.5; § 67.15(b).

Supervisor McGoldrick, as the Chair of the Committee, crafted a budget hearing process that did just that. The Committee received input from Departments according to a well publicized and agendized process⁵ on June 16, 18 and 19, heard public comment on the evening of June 19, and then reviewed each of the departmental components for action on June 23, 25 and 26.⁶ The Thursday evening, June 19th Public Comment session plainly took place " *before or during* the committee's consideration of the item."

The Complaint argues that the Committee violated the Sunshine Ordinance because it "continuously discuss[ed] major substantial changes on the budget on a daily basis," on June 23, 25 and 26th. Mr. Picarello apparently contends that the Committee should have provided *additional* public comment *after* June 19th and before the Committee voted to recommend the Budget to the Board of Supervisors. This contention is incorrect.

⁴ The Legislative Analyst Report detailing the public comment received is attached as Exhibit 3.

⁵ The Board of Supervisors posted formal meetings agendas on Thursday June 12th for the hearings on June 16, 18 and 19, and on Thursday June 19 for the hearings on June 23, 25 and 26. The June 16, 18 and 19 agendas included the following statement after each segment of the hearing:

The public comment legally required under California Government Code Section 54954.3 and San Francisco Administrative Code Section 67.15(a) prior to adoption shall occur on June 19, 2008 at 5:00 pm.

In addition, The Board of Supervisors posted a schedule for the Department Hearings on its website on June 6, 2008, which stated, under June 19, 2008:

Public Comment regarding the Annual FY2008-2009 Budget will be taken at 5pm. (Individuals wishing to address the Committee regarding the Annual FY2008-2009 Budget will have an opportunity to speak at the June 19th hearing at 5pm)

⁶ The June hearings pertain to the 2008-2009 Annual Budget for General Fund departments. The Committee followed the same budget hearing procedures for Enterprise departments on May 21, 22, 28 and 29, including a Public Comment Session on May 22.

Section 67.15 of the Sunshine Ordinance requires policy bodies to provide "an opportunity" to address the body prior to taking action. The Committee fulfilled this obligation on June 19th. There is no requirement in the Sunshine Ordinance for *multiple* public comment opportunities.

Sunshine Ordinance §67.15(a) does provide, with respect to meetings of the Board of Supervisors, that the **BOARD** agenda does not need to include public comment for items considered by a **COMMITTEE** of the Board, where the Committee already has afforded public comment for the item "*unless* the item has been substantially changed since the committee heard the item, *as determined by the Board.*" This provision has no application to the Committee's proceedings.

We believe that the above discussion fully addresses the issues raised in the Complaint. Having afforded all members of the public an opportunity to address the Committee "before or during the committee's consideration " of the Budget and before it took action thereon, the Committee's hearing process fully complied with the public comment requirements of the Brown Act and the Sunshine Ordinance, SF Admin. Code § 67.15. The Committee worked long hours under tight time constraints and built into its hearing process a full and fair opportunity for all members of the public to comment on the Budget.

We urge the Sunshine Ordinance Task Force to dismiss Mr. Picarello's Complaint.

Jake McGoldrick
